SPRING SING

Our Spring Sing last year was a tremendous success. I expected a wonderful program from our clubs and hosts and hostesses and found that they exceeded my expectations. Now I eagerly await our second annual Spring Sing and welcome all of our guests to the Harding campus. Come visit with us whenever you can. We are delighted to have you on our campus.

Clifton L. Gamm, Jr.

We are thrilled that the Spring Sing, now in its second year, coincides with the annual Harding College Youth Forum. It is a very exciting addition to the activities available to Youth Forum guests as well as currently enrolled students and others in the college community. I have been most favorably impressed with the quality of the performances which maintain the high standards so characteristic of Harding students.
