of

HARDING COLLEGE

SEARCY, ARKANSAS

Volume XI

## Foreword

In the following pages we have endeavored to make a mirror wherein you might find reflected vividly the various phases of life at Harding during the scholastic year.

If, in the years to come, when the dreams of youth have been crystallized in the deeds of manhood and womanhood in looking through this volume, you recapture for a time the spirit of our college days, we shall feel that our effort has not been in vain.

# Theme

Harding was conceived and founded in that religious spirit which emanated from God, the Maker of the Universe. With this in mind we have chosen Religion-in-Nature as our motif. No one can love nature and not love its Author. We have endeavored in order to lay the surest foundation for religious character to present a nature study that will insure a sincere love.

In those golden days of the future may you, as you thumb these pages, have a higher desire to become the "reflected image of God."

# Dedication

Because in her we see the embodiment of those ideals for which Harding stands, because in her we see one walking in the paths of the Christian virtues, and most of all, because we love her, we, the Senior Class of Harding College, dedicate this volume to

#### TO THE SENIORS OF 1935

In this message of a few words to you, I can say nothing that stirs the emotions of my heart more than an appeal to you to give to Harding College and to the church, in the years to come, the best you have.

The seniors of an institution are the finished product of that institution; you seniors tell the world whether Harding College deserves to live on and on.

You may be able to give, as the years pass, silver and gold to your Alma Mater, with which those directing the institution may supply imperative needs for a greater Harding; but the best you can ever give to our "beloved Harding" is that within you that pulls on your heart strings for service. We call it LOYALTY. It is this that I crave most from you and that I am asking for in this last message.

In a little while I shall drop out of the picture, forgotten forever, but Harding MUST live on, and I am looking to you and to other seniors that shall trail you to see to it that your beloved Alma Mater goes triumphantly on, till our Lord comes back again.

God bless you and keep you for his own service. Amen!

J. N. ARMSTRONG, President.

DEAN'S MESSAGE TO ADMINISTRATION

Today we are passing through a period of mental and spiritual chaos comparable to that of the Renaissance. Just when the world was settling down to a dream of peace and Utopian prosperity something startling and cyclonic has swept it completely off balance. Social values, and ideals that had seemed as fixed as Gibraltar, have been shaken to their foundations, and thousands are facing the future with blank questioning. Yet the picture is not dark, for chaos is only the material out of which new cosmic order will emerge. As teachers and administrators we are called upon to do our part to interpret and direct the course of things, out of confusion formulating those principles of abiding value that must govern, stabilize, and idealize the changing order. We are fortunate in having a new generation of students more deeply earnest as a whole than those of the '20's, and it will be our pleasure to respond with frankness and enthusiasm to their serious desire for training and for an understanding of the world in which they live.

L. C. SEARS

Dean of Administration

#### TO MY GIRLS EVERYWHERE:

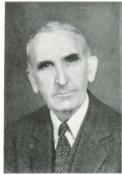

A worthy woman is, next to His Son, our Lord and Savior Jesus Christ, God's greatest gift to the world.

In these restless days when the nations of earth have swung so far from God, the ideas and ideals of many women have kept pace with the times. Their slogan seems to be "What the men of our acquaintance do, we may do if we choose." Certainly, my dears, there is no respect of persons with God and I would not contend for a minute that a cigarette between the lips of a girl, an oath, a swallow of whiskey from a pocket flask, a mixed drink at some road house, or moral laxity in general is worse in God's sight in the woman than in the man, but I contend most earnestly that if women do not call a halt, men must arise in their manhood for their own protection as well as for the protection of the race or the world is doomed.

I thank God for you, my girls. You have not always done as I would have you do, neither have I always set you a worthy example, but there are few of you who will not make the world a better place because you have lived.

I am not given to platitudes, but I pray God to help you realize the power He gave you for good or evil when He made you women.

#### TO OUR FACULTY

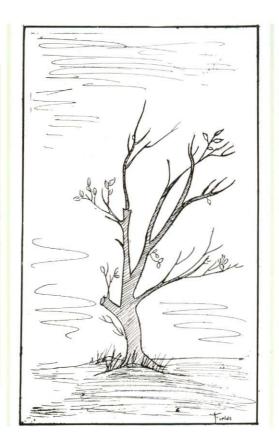

The Class of '35, as it passes out from under the direct influence of Harding, feels that it would be not only neglecting a duty, but denying itself a privilege if it failed to give expression to the deep appreciation which it has for those who have made such a profound impression upon our lives—the faculty of Greater Harding. We came to Harding, as many another class has come, not only inexperienced and timid, not only with much to be desired in the field of knowledge, but with purposes yet unformed, with ideals and aspirations largely undirected, with potentialities unrealized, with characters uncrystallized.

As we came under the influence of these men and women our inexperience began to be offset by training, our timidity to be overcome by personal interest and contacts. The need for the development of our intellectual powers was met more than halfway by the faculty. Under their guidance our minds have been developed in so far as we ourselves would allow. In their efforts toward the upbuilding of our characters the faculty has left nothing to be desired. They have not spared themselves. They have not ceased to warn us, admonish us, and to encourage us. Here again they were limited only by our capacities, receptiveness, and willingness to be helped.

Our class is but one of many—what has been done for us has been done for many before us, and will be done for many after us. Here we wish to pay tribute to the ability and the faithfulness of the men and women as teachers. But we wish particularly to express to them the gratitude of our hearts for all they have done for each one of us. If we be yet unprepared as we go out into life, the fault is largely our own. Whatever we have of poise, of appreciation for knowledge, of firmness of purpose, of stability of character, of preparedness to face life, we feel we owe in no small measure to our Harding faculty.

The time has come for us to pack and leave Harding. We take away many memories, some joyous, others not so joyous, but all of them a part of that mosaic that is our college life. We feel that we have truly become a part of Harding and departing we say with a cheery wave of the hand to those who are to take our places, "Carry on!"

### BUSINESS ADMINISTRATION

Within the past few years scientific specialization has increased in every field. This came as a direct result of a need for more efficient service. The field of business is no longer open to men and women who merely choose to follow it for a livelihood, but to those who are specialists, trained and tried in their profession.

Recognizing this, Harding College has continued to enlarge the department, both in instructional personnel and in laboratory facilities. Every year courses of vital importance are added to the curriculum until the type of work offered cannot be surpassed by the nation's best business colleges.

This year the enrollment was unprecedented, and under the guidance of Professors Lacy and Stapleton, the department was imminently successful.

The department sponsored this year a banquet, at which time Miss Uzella Dykes was elected Miss B. B. A. The speaker was Wilbur Mills, Judge of the County and Probate Court of White County.

"Little flower; but if I could understand what you are, root and all, and all in all, I should know what God and man is."

## Alma Mater

\*

In the foothills of the Ozarks,

Near to Petit Jean,

Stands our glorious Alma Mater;

Harding is her name.

### Chorus:

Sing the chorus! Shout it loudly!

Echoing through the vale;

Hail to thee, beloved Harding!

Alma Mater, hail!

Christian standard is her motto; Christian life is stressed; And in every branch of learning Each one does his best.

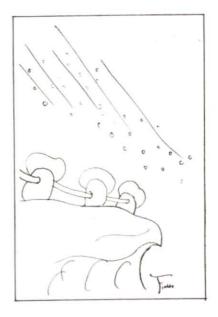

Harding opens wide her portals,

Thus inviting all

Who would tread the path of knowledge;

Heed then to her call.

#### LITTLE ROCK JUNIOR COLLEGE GAME

Harding opened its season at home against the Trojans coming out on the short end of a 39-53 score. The unexpected strength of the Junior Collegians took Harding by surprise, and after losing Trent, Shannon and McReynolds by the foul route went down to the first defeat at the hands of the Little Rock quintet in several years. Wilkes, flashy Junior College forward, led the scoring with 17 points, while McReynolds scored 12 to lead Harding's attack.

#### SECOND LITTLE ROCK JUNIOR COLLEGE GAME

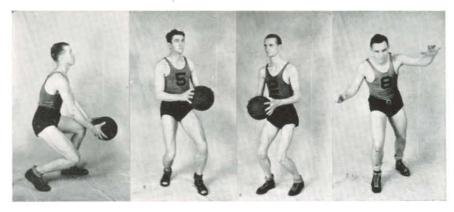

Four nights later the Bisons invaded the Little Rock court for the second game, and were again severely trounced. Taking an early lead in the opening of the game, the Bisons held a 23 to 18 lead at the end of the first half. The Trojans came from behind to win in the second period, after Trent, Kidd, Bell and McReynolds had fouled out. McReynolds led the Bison attack with 17 points, while Wyatt led the Juniors with 14.

#### DAVID LIPSCOMB COLLEGE GAME

Paced by Davis, Harding center, the Bisons galloped roughshod over David Lipscomb College from Nashville, Tennessee, holding a 38-23 margin at the end of the game. This was the second game between the two schools; Harding having won both games. The first half was played on even terms, the score ending 14-13, but in the second period the Bisons opened up a scoring attack that Lipscomb was never able to stop. The close guarding of Trent and Shannon, Harding guards, was a big factor in Bison's victory. The all-around play of Lipscomb's guards was outstanding.

#### COLLEGE OF THE OZARKS GAME

Coach Barton, who succeeded Coach Ballard as head-coach, took his boys to Clarksville to meet the Black and Gold hoopsters for their initial meeting. The Bisons returned home with a stinging 56-32 defeat at the hands of the fighting Mountaineer five. Woods, Ozarks forward, and Hilton, giant center, proved too much for the smaller and somewhat crippled Bisons. Woods with 18 points, and Hilton with 15 points led the Ozark attack, while McReynolds led his team in scoring with 14. Bell and Trent were forced out on fouls early in the second half after playing a hard fought game.

#### ARKANSAS COLLEGE GAME

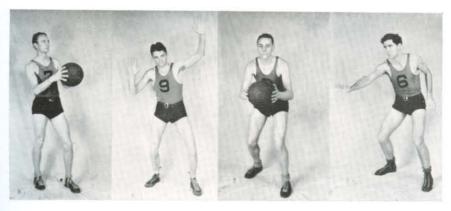

In the first meeting with Arkansas, Harding exhibited a much improved class of ball. Although going down to defeat at the hands of the Panthers by the tune of a 34-29 score, it was not without a fight. The game was closely contested throughout with the lead changing several times. Led by Himes and Smith, guards, Arkansas displayed a brilliant offense that the fighting Bison five was never able to stop. Coleman, substitute forward, displayed a brilliant floor game while scoring 8 points. Himes scored 12 points to capture high scoring honors,

#### JONESBORO BAPTIST COLLEGE GAME

Two nights later, Barton took his boys to Jonesboro to meet the Baptist College five, and they won a closely contested game by the score of 33-31. Trailing by a 17-13 score at the half, the Bisons came from behind to eke out a narrow victory over the hard fighting Jonesboro quintet. The game was very rough with four players being ejected from the game via the foul route. Muse, Jonesboro forward, and McReynolds, Harding forward, shared scoring honors with 10 points each.

#### SECOND COLLEGE OF THE OZARKS GAME

The second meeting with the College of the Ozarks saw the Bisons revenge an earlier defeat by beating the Mountaineers 31-30. Leading by a 17-13 score at the half, the Bisons allowed the Ozark men to take the lead after Davis and Kidd had fouled out. Coming from behind in the closing minutes of the game the hard-fighting Bisons eked out a one-point victory. Bell played a good game, showing plenty of fight and counting 8 points. The all-around play of Graham, Ozark forward, almost wrecked the Bisons chance of victory. For Ozarks Graham led the scoring with 15 points while McReynolds led Harding with 13.

#### ARKANSAS STATE TEACHERS GAME

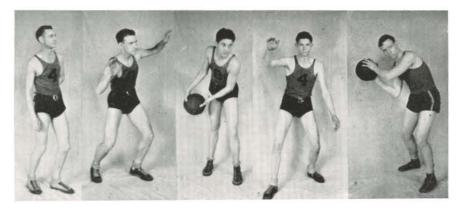

The Harding five next met State Teachers and were set back to a 62-30 score. The Bisons, crippled by the loss of Davis and Kidd through ineligibility, keenly felt the loss of their two centers. The Barton men fought hard but the play of Murphy and Gunnels proved too much for the crippled Bisons. The game was hard fought with many fouls being called on both teams. Murphy scored 18 points to lead the attack against the Bisons. Shannon played a good defensive game while scoring 7 points.

#### SECOND ARKANSAS STATE TEACHERS GAME

With Davis back in his regular position, the Bisons played improved ball over the play of their meeting. The Teachers won, 39-31, but not without a fight. The first 12 minutes was played on even terms, then Teachers went on a spree and held a 19-13 lead at the half. Coach Barton rallied his forces at the half and the fighting Bisons knotted the score at 30-30. Led by Walkard and Mathis, the Teachers men rallied to score 9 points to defeat Harding. Walkard led Teachers attack with 12 points while Bell, Bison forward, took scoring honors with 15 points.

#### ARKANSAS STATE COLLEGE GAME

After a four-day rest, the luckless Harding five journeyed to Jonesboro to meet the State College quintet. The passing attack seemed to bewilder the Bison five and they met with a 50-33 defeat. State dominated the first half leading at the intermission by the score of 27-13, but the Bisons came back fighting hard in the second half and played the State team on even terms, State scoring 23 while Harding scored 22 points. The play of Davis, all-state center, and Norris, crack forward, paved the margin of victory for State. McReynolds received an injury in this game that kept him out of the next game.

#### SECOND ARKANSAS STATE COLLEGE GAME

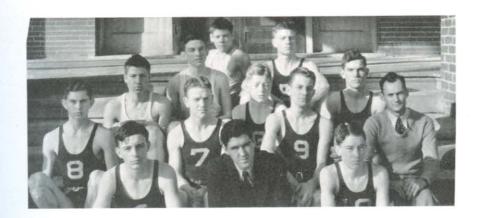

Without the services of Captain McReynolds the Bisons again were topped by the upstate five by the score of 51-33. Although the first half was played on even terms, the score at the half being 25-22, the flashy passing attack of the State five proved to be too much for the home team. Failure to stop Davis, State center, who scored 21 points proved to be the undoing of the Bisons. Speck, State forward scored 12 points while Shannon, Harding forward, scored 10 points to lead his team.

#### SECOND JONESBORO BAPTIST COLLEGE GAME

Playing on their home court, the Bisons copped the second game with the Baptist College by the score of 48-29. Harding jumped into the lead in the early stages of the game and were never headed. Trent and Barton played good games at guards, holding the Baptist forward to one field goal each, while McReynolds garnered 16 to capture individual scoring, closely followed by Davis and Bell with 12 and 11 points respectively.

#### SECOND ARKANSAS COLLEGE GAME

Led by Himes, Arkansas guard, Harding went down to the worst defeat of the season in their final game of the year by a 67-27 score. Arkansas ran up a substantial lead in the opening minutes of play and never relinquished it. Scoring honors were copped by Himes, who scored 22 points followed by Garner, Arkansas forward, who counted 15. McReynolds led Harding's attack with 9. This game marked the end of the careers of Captain McReynolds and Sub-Captain Bell, both having lettered for four seasons.

#### ACADEMY BASKETBALL

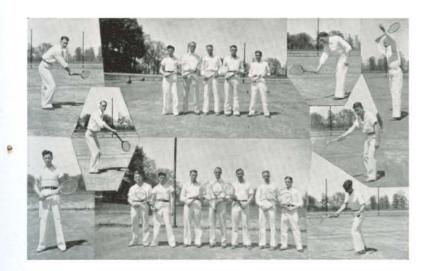

The academy team of 1935 was the smallest in the history of Harding. Nevertheless, with four of last year's lettermen back, the Bisonets fought their way to a good record, winning 11 of the 18 games played.

This year, besides participating in two tournaments, the team made a trip to Nashville, Tennessee, to play David Lipscomb Academy. This was the first trip in the history of the academy and is to be repeated in the future.

#### TENNIS

With the return of three lettermen from last year and the addition of Gene Boyce as playing coach, the tennis team expects to do itself credit this year. The excellent playing of several freshmen candidates also brightens the prospects.

Since courts had to be prepared in the spring, the team had very little practice before their first contest. Three clay courts were prepared and plans are being made for constructing one made of concrete.

The tennis team opened the season by taking a trip through Tennessee and playing David Lipscomb College, Vanderbilt University, Bethel College, and Lambuth. A schedule has been planned for Harding to have inter-collegiate clashes with the various colleges of Arkansas. The main event of the year will be the State Tournament which is held at Little Rock.

#### WRESTLING

Under the leadership of James Bales, a wrestling class was begun at the start of the winter term. A mat was placed in the gymnasium and a large group of boys worked out each afternoon.

The outstanding achievement of these wrestlers was the sponsoring of an intra-mural tournament on April 5. There were seven divisions of weights and competition was keen. Those who had had instructions displayed themselves in a commendable manner. Wrestling at Harding is confined to intra-scholastic engagements.

#### SWIMMING

One of the greatest assets which Harding obtained in its move was the indoor swimming pool. This pool has been opened to the students all year with the boys and the girls alternating days.

Much interest has been shown in this healthful form of recreation. And with the coming of spring, it has become a greater center of attraction. Swimming is being taught by Margaret Toler and Clifford Huddleston.

The swimming pool is equipped with showers, diving board, and other modern facilities. The water is heated in the winter and is kept purified by a system of filters.

Several contests have been held this year by the social clubs. The Cavaliers were outstanding in this sport, winning over all their opponents.

### HARDING COLLEGE

Because of recent acquisition of the old Galloway College property at Searcy by Harding College, the available buildings and equipment of the institution have been almost doubled, and the growing pains that the school has been experiencing during the past few years because of cramped quarters will now be eased for some time.

After much struggling, Harding College became a standard four-year institution when Miss Frances Ruby Lowery, who is now associate professor of English there, was graduated and received a standard A. B. degree.

With the growth in educational standing came a growth in enrollment, until the college now draws its students from Canada and Old Mexico, and more than twenty States in the Union, reaching from California, New Mexico and Colorado, to Rhode Island, Florida, New York and Michigan.

The phenominal growth of the college through these eventful years has been possibly only through the loyalty of its students and teachers. Business men and friends of the school gave it their unqualified support. The heaviest individual sacrifice, however, has been made by the faculty, who in addition to contributing indirectly about \$10,000.00 each year by teaching for lower salaries than they could secure elsewhere, have put into the school directly out of their salaries approximately \$60,000.00 in the past ten years. Such loyalty can hardly be duplicated.

#### TO THE ALUMNI

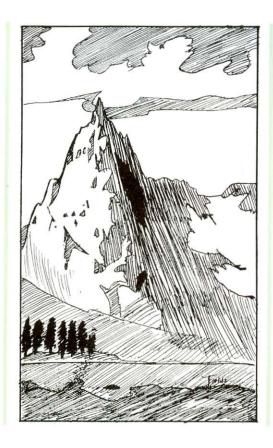

By deeds we judge, by fruits we know, and by products we value. Therefore, as the Alumni are, so is the reputation of the Alma Mater. To sunshine and shower, all nature is indebted; to parents we are grateful for life and ability; and to our mother school we owe much for our knowledge, character, and possibilities. Hence, ours is a two-fold obligation: First, to represent well the institution that helped to make us; and, secondly, to feel keenly a responsibility for her continued existence and service. May this be the attitude gratefully shared by all who hail from the halls of Harding.

-L. O. Sanderson

The greatest sermon ever taught was not in a temple but on a mountain.

"Sermon on Mount."

Matt. 5-6-7

"The mountains stand and laugh at time They pillar up the Earth; They watch the ages pass, They bring new centuries to birth."

209 Louisiana Street Little Rock "The leaf must die and the rose must fade and the perfect day must end. The sunset gleam sheds its radiant glory on our college days. Their music lingers in our ears and their harmony will sweeten our coming years; but they are done, the book is closed, the record writ. With tender hearts and moistened eyes we say farewell to those sweetest, richest, happiest days—our college days."
