THE YEAR BOOK

Volume XIII

HARDING COLLEGE LIBRARY

### Foreword

It is my purpose and desire to present in a meager way Harding College as it appears to you. To portray every event that has happened during this school year would be impossible, but by stimulating your imagination I hope to revive many happy memories that would otherwise be forgotten. I trust that every time you scan my pages I increase your appreciation of Harding College, recall numerous pleasant associations and help you grasp the vision of a life of service—the true spirit of your Alma Mater.

## Theme

But few people know anything about the series of events that lead up to the development of our efficient system of modern medical science. And a still smaller number realize that Christ is the Master Doctor who has the power to cure physical troubles as well as calm the sorrowing soul—for He can wipe all tears away. So in selecting a theme for the 1937 Petit Jean we have endeavored to present the milestones in the history of medical science and at the same time portray Christ as the Master Doctor.

## Dedication

Because of his untiring, unselfish and ceaseless work as dean, because of his cheerful, efficient and patient manner of helping students solve their problems, because of his scholarly attitude in the class room and, most of all, because he is a Christian gentleman, we, the senior class of 1937, respectfully dedicate this volume of the Petit Jean to

# THE COLLEGE

Because of his great interest and zeal in teaching young people to live the Christian life and because of the example he sets forth in his life, this, the first book of the 1937 Petit Jean, is dedicated to

J. N. ARMSTRONG

ADMINISTRATION BUILDING

The administration building is a modern structure containing the various scientific and business laboratories, teachers' offices, offices of the college officials and general class rooms. Pattie Cobb Hall is a beautiful building affording rooms for the girls, reception and guest rooms, and a very attractive dining hall and kitchen.

PATTIE COBB HALL

MEN'S DORMITORY

The men's dormitory is an immense building furnishing accommodations for the boys, academy class rooms and laboratories, fine arts studios, reception rooms, the auditorium, the library and the college postoffice. The training school is a small brick building near Pattie Cobb Hall with rooms and equipment for the primary, the intermediate and the junior high school students.

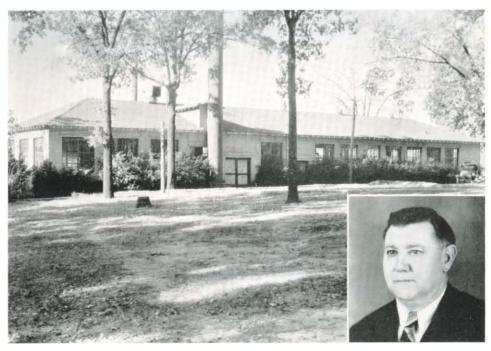

TRAINING SCHOOL

SWIMMING POOL

The white-tiled swimming pool is in a steam-heated building. Here are also located showers, dressing-rooms and equipment for sterilization of the water. The heating plant houses the central heating system of two large high-pressure boilers, and, also, a modern well-equipped laundry. In the inset is Emery Hopper, expert heating engineer with thirty-three years of practical experience.

**GYMNASIUM** 

The gymnasium is a brick building near the men's dormitory containing a basketball court, a wrestling room and a storage room for athletic equipment. It is also used for physical education classes. The dean's house is a recently-erected English style cottage of native stone.

CHEMISTRY LABORATORY

The chemistry laboratory contains five well-equipped tables, an electric drying oven, an electric furnace, balances, a gas hood, a distillery and supply rooms. The biology laboratory is furnished with high-powered microscopes, dissectable models, a microtome, skeletons, prepared slides and a large collection of birds, insects and animals.

HOME ECONOMICS SEWING ROOM

The sewing room is furnished with sewing machines, work cabinets, standard cutting tables and other modern equipment. The cooking room is equipped with standard tables, heating appliances, cooking utensils and a refrigerator. State inspectors praised these two laboratories highly.

AERIAL VIEW

In the center of the foreground can be seen the large Boys' Dormitory with the Administration Building to the right and Pattie Cobb Hall on the left. Other buildings can be located in their respective places on the campus. In the background can be seen the rich farming land north of the campus.

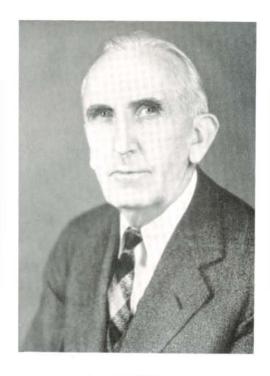

GEORGE S. BENSON
M. A., LL. D.
President of Harding College

The closing of the present school year marks the first mile post in our march together at Harding College. Your absolute loyalty to the institution and your hearty response to her every worthy call has been deeply appreciated.

Your mettle was well demonstrated on the morning of October 22 when you pledged eight thousand dollars to Harding College. This keen sacrifice is a constant inspiration to me to push on in our campaign to finish paying for our plant by the close of 1939.

Your further faithfulness in maintaining those high ideals of Christian manhood and womanhood for which Harding College stands is still more deeply appreciated. It is for the sake of maintaining this wholesome Christian environment in which our young people may in safety delve into the unlimited stores of knowledge available to the present generation, thereby fitting themselves for the great business of living, that Harding must go on and on.

GEORGE S. BENSON, President of Harding College.

J. N. ARMSTRONG
M. A., LL. D.
President-Emeritus of Harding College

In an important sense you are our children and my deep interest in you moves me to want to say something in this annual message that will be of lasting interest and of eternal profit to you.

May you, therefore, be happy and "Rejoice always." May you, "In nothing be anxious, but in everything by prayer and supplications" make known your request unto God: May "The peace of God which passeth all understanding guard your hearts and your thoughts in Christ Jesus."

May Jehovah be your shepherd and may you want no good thing; may He lead you "beside still waters," and when you walk through the shadows of death, may you fear no evil because Jehovah is with you. May goodness and loving kindness follow you all the days of your life and may you "dwell in the house of Jehovah forever."

J. N. ARMSTRONG, President-Emeritus of Harding College.

L. C. SEARS
Ph. D.
Dean of Administration

The greatest asset Harding College has is not buildings, grounds, equipment, standing or faculty. Vital and necessary as all these are, still more essential are you young men and women who are her students. It is your ideals and personalities that largely determine the quality of the college environment and make it lovely or repellant. It is from you that future faculties will come, and it is from your influence that future enrollments and physical equipment will be increased.

As one who through years of service loves the ideals of the school, I want to express my deepest appreciation of all you who have contributed your share to making your Alma Mater what we want it to be, who have helped to create the spirit of loyalty, fairness, friendliness, courtesy and unselfish service which we know and love as the spirit of Harding. May you wear her name forever engraved within your hearts.

L. C. SEARS, Dean of Administration.

WOODSON HARDING ARMSTRONG

B. A.

Dean of Women

The little house just off the campus in which we are to live is almost finished. I am not sure I shall know how to act outside of a college dormitory. It seems such a little while since I was the youngest girl in the old Nashville Bible School, but the years have a way of slipping by so silently that we do not realize the swiftness of their passage until they are gone.

These years with us, my husband and me, have been good years. Some of them have been hard years but we thank God for every one of them. The time has at last come when we must slip out of the turmoil of the big house into the quiet of the little house on the corner. But this small place has a big front room—large enough for you when you care to come down. We shall hold you, our boys and girls, in our hearts forever no matter where you may go.

Dean of Women.

# SENIOR MESSAGE

As the time draws nearer to our graduation exercises, the more reluctant we feel toward finishing our collegiate career and walking out from under the canopy of Harding College. These years that we have spent in her atmosphere have been the most profitable of our lives. It is as though we were, individually, a locomotive at a fueling station filling up with an inexhaustible supply of water and fuel.

It would be but a futile effort for us to try to express our sincere appreciation for the valuable lessons that we have learned. But we shall endeavor to show this in our meager manner by co-operating with the school in all its worthy efforts and by encouraging other boys and girls to enter her portals. Almost every stone will be remembered with vividness by us as a group and almost as individuals. We honor Harding for her individualism, courage, zeal, power and correctness in teaching the Bible and standing for the highest type of character, truthfulness, honesty and usefulness.

It has been through the efforts of the unselfish, sacrificing teachers that Harding College is what she is today. They are the ones who have formulated the policies of the school and given us this splendid environment in which to obtain our education. And we are doubly thankful to them. At times we have acted rashly under heat of passion but now we regret all such actions. Our hopes are that this faculty may continue to wield their influence over an infinite number of other students.

Our plea to the undergraduates is that they will profit by our mistakes and press on to greater things. We have tried to make a trail that they can follow but hoping that they correct our many errors. We have faith in the lower classmen and will look upon their achievements with a feeling of pride. We seniors wish that we could roll back the time and start in Harding again but we have written our last chapter, sung our last song and done our last act. The freshmen, sophomores and juniors must and will carry on. So in conclusion we say good-bye, good luck and may God bless them.

# Alma Mater

\*

In the foothills of the Ozarks,

Near to Petit Jean,
Stands our glorious Alma Mater;

Harding is her name.

# Chorus:

Sing the chorus! Shout it loudly!

Echoing through the vale;

Hail to thee, beloved Harding!

Alma Mater, hail!

Christian standard is her motto; Christian life is stressed; And in every branch of learning Each one does his best.

Harding opens wide her portals,

Thus inviting all

Who would tread the path of knowledge;

Heed then to her call.

-Florence M. Cathcart

There came to him a man, kneeling to him, and saying, Lord, have mercy on my son: for he is epileptic . . . And Jesus rebuked him; and the demon went out of him: and the boy was cured from that hour.

### HARDING, 44: McRAE INDEPENDENTS, 13

Opening their pre-season play on foreign territory, the Bisons easily romped over the McRae Independents by a 44 to 13 score. With an attack that centered around Captain Raymond Vaughn and Elwin Roe, the Bisons jumped to an early lead and were leading 24 to 4 at the close of the first half. The scoring was led by Elwin Roe with 17 points, while Vaughn was a close second with 16 tallies.

### HARDING, 34; McRAE INDEPENDENTS, 28

In a return engagement on January 2, the Bisons were forced to come from behind in the last few minutes of the game to win 34 to 28. After trailing for more than three-fourths of the contest, the Herd suddenly came to life and, led by Vann and Elwin Roe, presented an air-tight defense and sparkling offense to over-power their opponents. The Bisons were trailing 14 to 8 at the half. The stellar work of Elwin Roe who took individual scoring honors with 12 points was one of the high lights of the contest.

### HARDING, 37; ARKANSAS TECH, 40

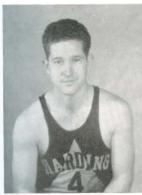

The collegiate season was opened January 8 when the Bisons lost a closely contested game to Arkansas Tech of Russellville 40 to 37. A determined rally by Tech in the last two minutes of the game gave them the victory. The score at the half stood at 28-20 in favor of the locals. The Herd slowed up preceptibly during the second counter. The playing of Captain Vaughn was the outstanding feature of the game, his 18 points topping the individual scorers.

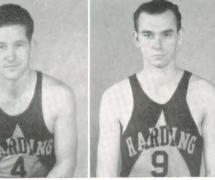

### HARDING, 25; ARKANSAS COLLEGE, 42

Another last minute rally paved the way for the second collegiate defeat of the Bisons when they were downed 42 to 25 by Arkansas College at Batesville January 12. The first half was a sordid affair with both teams playing slowly and the lead changed several times, standing deadlocked 10-10 at the half. The second period went much the same way until Taylor, Panther guard, started scoring from all points on the court to take individual honors with 18 tallies. Elwin Roe led the Herd with 15.

### HARDING, 50; BEEBE JUNIOR AGRICULTURAL COLLEGE, 27

Coach Vann's charges broke back into the winning column by taking a 50 to 27 decision from the Beebe Junior Agricultural College quintet January 20. Although the first half was close, the Herd led 20 to 16. Vaughn was the star of the game and high scorer with 19 points. Pryor showed up well, scoring 10 points.

### HARDING, 44; STAFF O' LIFE, 34

In their second victory of the week, the Bisons showed superior strength throughout to beat the highly-touted Staff O' Life team of Little Rock 44 to 34. The visitors fell before a smooth working Bison offense and were behind 21 to 16 at the half. Captain Vaughn was again the star of the contest, chalking up 20 markers and playing a nice floor game. Leslie showed up well for the Herd with 12 points.

### HARDING, 57; LITTLE ROCK JUNIOR COLLEGE, 21

With Captain Vaughn leading the way with 22 points the Herd annexed its third straight win by swamping the Little Rock Junior College Trojans 57 to 21 at Little Rock on January 26. The Herd jumped to an early lead and were never threatened by the inexperienced Trojans. Watts and Pryor scored 12 points each to place second to Vaughn in individual performances.

### HARDING, 39; HENDRIX, 42

With their traditional jinx working at full speed, the Hendrix College Warriors took a bitterly contested game from the Bisons 42 to 39 at Conway, February 10. The score was tied 38-38 a few minutes before the game ended. The Herd was ahead 24-25 at the half. Vaughn led the Harding five with 12 tallies although Wilkes, Hendrix forward, was high scorer with 20 markers.

### HARDING, 48; LITTLE ROCK JUNIOR COLLEGE, 21

Jumping into a 10 point lead soon after the game started and never relinquishing their steady scoring, the Bisons trampled the Little Rock Junior Collegians for the second time in the season, taking a 48 to 21 tussel. Paced by Joe Lewis Leslie, who counted for 19 tallies, the Herd had the situation well in hand all of the time. The score at the half stood at 31-11 in favor of the Herd.

#### HARDING, 46; ARKANSAS COLLEGE, 50

Arkansas College gave the Bisons another set-back in their second meeting, handing them a 50 to 46 defeat on the local court. Although the lead changed continually, the Herd held a 22 to 20 advantage at the half-way mark. The Panthers ran up a 10-point lead in the last four minutes of play and a Bison rally fell short of its goal. Taylor was again the big gun in the visitors attack, counting for 18 tallies. Elwin Roe was high for the Herd with 12 points.

### HARDING, 34; HENDRIX, 35

Fighting gamely to the last whistle, the Bisons lost a return engagement to the Hendrix College Warriors by a 34 to 35 count in a thrill-packed game on the local court February 19. Although the Herd led most of the initial period, a Warrior rally put the visitors ahead 19 to 13 at the close of the first period. With four minutes left to play in the second period and the score standing at 35 to 32 in favor of the visitors, the Herd rallied and the final gun was all that saved the Warriors from defeat. Coleman, Hendrix forward, was high scorer with 17 points while Leslie led the Herd with nine tallies. Captain Vaughn played a stellar game as did Watts, his running mate, and Pryor.

### HARDING, 25; ARKANSAS TECH, 39

The collegiate season was closed at Russellville February 23 when Arkansas Tech took a fast, hard-fought game from the Bisons 39-25. Trailing 15 to 9 at the half-way mark, the Bisons rallied at the beginning of the second period but were never able to pass the Wonder Boys. Elwin Roe and Captain Vaughn played the best floor games although Brotherton, Tech forward, was high scorer with 17 points.

### HARDING, 23; JERPE DAIRY PRODUCTS, 31

After drawing a bye in the preliminary rounds, the Bisons were eliminated in the annual A. A. U. tournament at Conway by the Jerpe Dairy Products team of Fayetteville by a 23 to 31 score March 1. The first half ended with the Bisons' trailing 14 to 15. Pryor led the Herd in scoring with 12 tallies and played a stellar game.

### HARDING, 46; DAVID LIPSCOMB COLLEGE, 41

Playing the fourth annual game of the series, the Bisons, led by Captain Vaughn, defeated the David Lipscomb College quintet 46 to 41 in a closely contested game in Nashville, Tennessee, March 6. It was Harding's third victory in four attempts. The game was a thriller from start to finish with Lipscomb leading the entire game up to the last five minutes of the contest. McCord, Lipscomb forward, was high scorer with 21 tallies although Captain Vaughn was outstanding, scoring 16 points.

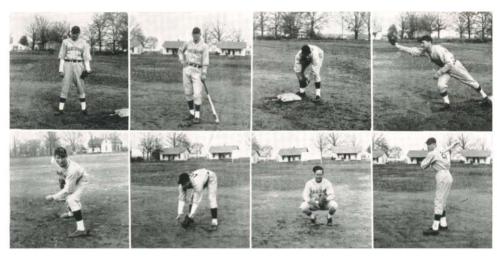

Back Row: Purdom, H. Hopper, Titsworth, L. E. Pryor, B. Bell. Front Row: Dykes, J. Greenway, Coach Vaughn, Cravens, I. Anthony.

### ACADEMY BASKETBALL

Working with only two lettermen, Coach Raymond Vaughn faced a tough season with his academy basketball squad. Working faithfully with the Preps, Vaughn presented a fairly good team although inexperience cut their winning column down considerably. The team participated in approximately ten games and one invitational tournament at which they were defending champions. Although their record was not impressive, the foundation of a strong team in 1938 was more than assured and the season was considered a successful one in the face of all discouraging odds.

### BASEBALL

### HARDING 7, 5, 13; BALD KNOB INDEPENDENTS 3, 1, 3

The 1936 baseball season opened with a game at Bald Knob against the Bald Knob Independents, resulting in a 7 to 3 victory for the Bisons. Elwin Roe started on the mound for the Herd and allowed only three hits in the five innings he worked, striking out 10 men. Joe Spaulding, another rookie, finished the game. In a return engagement a week later with this team the Bisons took a 5 to 1 tussel. Roe again set the visitors down with four hits and struck out six men. The Bisons concluded their three-game series with Bald Knob the following week by taking a 13 to 3 victory with Spaulding and Heffington doing the pitching.

### HARDING 22; SEARCY INDEPENDENTS 0

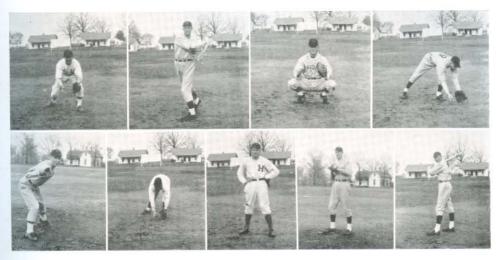

An independent team from Searcy furnished Harding's next opposition and came out of the game on the small end of a 22 to 0 score. Heffington and Ruppersburg did the hurling for the Herd, allowing five hits, while their team-mates collected 20.

### HARDING 12, 3; ARKANSAS STATE TEACHERS 9, 4

In their first league games of the season, the Bisons split a double-header with the State Teachers team in Conway, winning the first game 12 to 9 and losing the night cap 4 to 3. Roe was the winning pitcher in the first game, relieving Heffington and Joe Spaulding, while he pitched the entire second game and was credited with the loss. The first game was dotted with five Bison errors that kept them in hot water all of the time and they were forced to score four runs in the final inning to win. Singles by Smith, S. Linn, Leslie, and L. Linn and a double by Lancaster produced the winning tallies. The Teachers had taken the lead in the eighth inning on one hit and two errors.

#### HARDING 5, 3; ARKANSAS STATE TEACHERS 6, 4

In another twin bill two days later, the Teachers took a pair of games from the Herd by winning the first 6 to 5 in 13 innings and taking the second 4 to 3. Roe was again on the mound for the Bisons and pitched masterful ball for 13 innings but an error in the final round put the game on ice for the Teachers. Scattering 12 hits throughout the game, Roe struck out 14 men and stranded 11 of their men on the bags. The Bisons got to Smith, Teachers' pitcher, for 13 safeties but were not able to make them count. Joe Spaulding and Heffington yielded eight hits in the seven-inning night piece while the Herd was getting six.

### HARDING 7, 4; ARKANSAS TECH 6, 5

Heffington teamed with Earl Spaulding to take Tech 7 to 6 at Russellville in the first game of a double-header the next week, but Roe ran into his usual hard luck and was defeated 5 to 4. Tech scored first with one run in the initial inning but Harding forged ahead with two tallies in the second, adding one more in the third and three more in the fifth. Tech rallied in the sixth with one run after the Herd had scored another and threw a scare into the Bisons with a four-run splurge in the seventh, but Heffington tightened up and held them scoreless from then on out. In the second affair Roe set the Wonderboys down with three hits, striking out seven men, but his mates could get only four hits off Croom and were not able to bunch them.

### HARDING 9, 3; ARKANSAS COLLEGE 1, 2

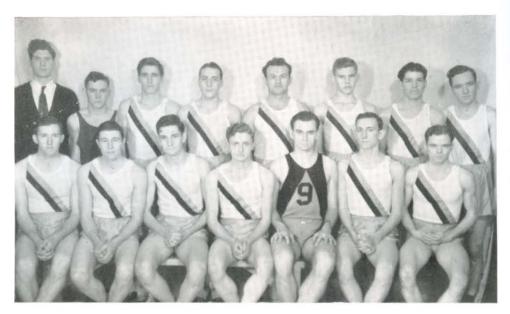

Meeting Arkansas College for the first time, the Bisons took a twin bill, winning the first game 9 to 1 and taking the night cap 3 to 2. Roe chunked the first game and gave up only two bingles while striking out 11 men. Harding connected for 10 safeties, scoring four runs in the first inning and three in the third. Although Heffington gave up nine hits in the second contest while the Bisons were getting only five, the Herd came out on top 3 to 2. Tight fielding and several spectacular catches saved the day for Harding.

### HARDING 2, 0; ARKANSAS TECH 0, 2

Arkansas Tech opposed the Bisons in their last league games of the season—a double-header that was split. Harding took the first game 2 to 0 behind the six-hit pitching of Roe while errors gave the second game to Tech 2 to 0 although Smith set the visitors down with only three hits. The winning runs came in the sixth inning off singles by S. Linn, Lancaster, Smith and Bell and a triple by Leslie. Roe struck out ten men to keep the Wonderboys off the bags all of the time. By splitting the twin bill, the Bisons cinched a tie with Tech for second place in the league.

#### HARDING 6; ALUMNI 0

Roe twirled the annual Alumni game, striking out 15 men to win a 6 to 0 battle almost single handed. Giving up only two hits, he was never in trouble although his mates hit safely only four times. Frequent bobbles by the Alumni aided Harding in scoring all of her tallies.

Standing: Manager Bales, J. P. Thornton, Vann, Vaughn, M. Morgan, Rector, Hogan, Owens.

Sitting: Pitner, H. Rhodes, Gurganus, Coach Clark, Kieffer, Frashier, W. Bryant.

### TRACK

Coach R. T. Clark, with fifteen men reporting regularly, whipped his track team into shape early and in their first dual meet of the season defeated the Arkansas College Panthers at Batesville 93 to 63. Clark, who served as assistant coach in 1936, led the team in scoring with 17 points. He was followed by Pryor with 11 and Rhodes with 10.

In their second meet a few days later the Bisons lost to Arkansas Tech's Wonderboys at Russellville by a 103 to 29 score. Although outclassed in the field events, the Herd showed promise in the track events. Hogan, who took first in the mile and 880-yard runs, was the feature of the day's program. He covered the mile in 4 minutes and 50 seconds and the half-mile in 2 minutes and 9 seconds.

The Bison's had two other meets on their schedule besides the annual State A. A. U. meet when the Petit Jean went to press. They met Arkansas State Teachers and Henderson State Teachers in a triangular meet at Conway on April 16 and Hendrix College in a dual meet at Conway on April 21.

Although handicapped by the lack of a track to practice on, the Bisons have shown a decided improvement over 1936, their first season, and with the addition of a local track, much will be expected of them.

### SWIMMING

One of the best forms of recreation possible is provided for in the beautiful white-tiled indoor swimming pool. This pool has been opened to the students all year with the boys and the girls alternating days.

The swimming pool is equipped with dressing rooms, showers, diving board and other modern facilities and is heated in the winter so that it may be accessible throughout the year. The water is kept purified by a system of filters and chlorine.

Delbert Harris had charge of the maintenance of the pool and gave instructions to the boys. The girls were under the supervision of Florence Kelly.

The Alpha Honor Society was organized in 1936 in recognition of high scholarship among juniors and seniors working toward the baccalaureate degree. Membership is limited to ten per cent of the juniors who have a scholarship index of 2.7 and to twelve and one-half per cent of the seniors, inclusive of those already members, who have a 2.5 index. Good moral character is also a prerequisite.

Neal, Elliott and Pryor are charter members of the society. Of the three members taken in this year, Travis is a senior and Cope and Murphree are juniors.

In the fall Elizabeth Travis, Mary Neal and Joseph Pryor were selected along with Woodrow Whitten and Joe Lewis Leslie by the faculty from the senior class to represent Harding in Who's Who Among Students in Universities and Colleges in America.

Joseph Lister (1827-1912), an English surgeon, revolutionized modern surgery with the development of his theories regarding the efficacy of antiseptics in the treatment of wounds and is called the father of aseptic surgery.
