Harding University

Welcomes You to

Spring Sing '86!

All of us at Harding are delighted to welcome you to the campus for what has come to be one of the liveliest and most exciting weekends of the year.

The literally thousands of teen-agers here for Youth Forum, and perhaps for their first look at Harding, are our special guests, as are the sponsors, families of current students, alumni and their families, and friends not only from Searcy but from many other places.

Spring Sing is a student show that is meant to be a time of entertainment and enjoyment for you, the audience. Many people have spent countless hours of planning and practicing to make this a show for you to remember.

We believe the talent, ingenuity and quality of showmanship you will see will cause you to understand better why we believe Harding students are among the finest in the world.

Our thirteenth anniversary Spring Sing is sure to be one of the best ever. We thank you for coming and we hope you'll come back to see us again soon and whenever you have the opportunity.

President

Spring Sing

From a comparatively small beginning in 1974 as an entertainment medium for Youth Forum attendees, Harding University's Spring Sing has catapulted to a full scale extravaganza. The show continues to be an extension of the Youth Forum, and also grows in popularity each year, attracting many other visitors from across the nation. Last year's audience numbered between 11,000 and 12,000.

The collective creativity and imagination shown in the clever presentations by the participating social clubs has proved to be a refreshing endorsement of the students at Harding University. Their hours and hours of rehearsals, costume designing, and otherwise hard work that have gone into this production were meant for your enjoyment.

So relax and enjoy it.
