Spring Sing

Welcome to Spring Sing!

We are delighted to have you in the audience as a part of Spring Sing '91, our 18th annual all-student revue. You have honored us by being on campus for this production. Please know that we welcome you and want you to make your visit to the Harding campus a memorable experience. We hope you'll come back again soon.

Much work has been done in getting ready for this event. The students have spent many hours in rehearsal in their attempt to provide you a quality show for your enjoyment.

We hope this weekend at Harding has been beneficial to you. We are always grateful for friends and we want to be of service to you.

David B. Burks

David B. Burks
President

Started by students as entertainment for campus guests, Spring Sing has remained true to the original intent throughout its 18 years of production. However, each show has brought fresh talent, innovative themes and costumes, increased attendance and continued emphasis on a spirit of cooperation and friendship that is the hallmark of the event.

The countless hours of planning, rehearsing, refining, and producing fade in importance relative to the emphasis intended as the curtain rises. As each performance begins, you, our guests, are invited to sit back, relax, be entertained, and enjoy our tribute to you. We appreciate your interest. We invite you back next year.
