## *Welcome to Spring Sing!*

Harding is bustling with activity this year with our highest enrollment ever and a renewed dedication to our very special mission of educating young people for lives of Christian service.

We're thrilled that you have chosen to join us for the 22nd annual production of Spring Sing — the biggest all-student extravaganza of the year! The hundreds of students you will see in this production have worked countless hours in addition to their studies and other obligations to give you a dazzling, colorful show you'll remember for years to come. It's first-rate entertainment for a first-rate audience!

As our audience and our friends, we hope your weekend at Harding is beneficial and enjoyable. Let us know how we can be of service to you, and please plan to visit us again.

Enjoy the show!

David B. Burks  
President

Spring Sing was originated in 1974 by students with entertainment for campus guests as its goal. The show has remained true to the original intent throughout its years of production. Yet, each show has brought fresh talent, innovative themes and costumes, increased attendance, and continued emphasis on a spirit of cooperation and friendship that is the hallmark of the event.

The production numbers by social clubs are judged at each performance from four perspectives — originality, music, costumes and choreography. Plaques, trophies and cash awards are presented after the final performance on the basis of compilation of the judges' decisions. An award is also given for best participation of club membership.

Sit back, relax, be entertained and enjoy our  
tribute to you. We appreciate your attendance,  
and we invite you back next year.
