harding university presents **spring sing**
1997

welcome!

Welcome to Spring Sing '97! Thank you for joining us for our 24th annual Spring Sing Show – a dazzling, spectacular extravaganza featuring the special talents of our student body. We're excited to host you this spring, and hope that you will enjoy your time spent on our campus.

This marks the tenth consecutive year that Harding University has experienced a record capacity enrollment. The continued growth of the University shows that there is a real need for Christian education in today's society. The mission of our University, combined with our student's desire to serve others, has strengthened this school, building character and boosting numbers.

Today's performers have spent hundreds of hours preparing for this moment, making it the best-ever show. Their hard work has produced a colorful, exciting performance you'll remember years from now.

As our guests, we hope your weekend at Harding is beneficial and joyful. Let us know if we can be of service to you, and please plan to visit us again. Enjoy the show!

President

seize the day!

Spring Sing was originated in 1974 by students with entertainment for campus guests as its goal. The show has remained true to the original intent throughout its years of production. Yet, each show has brought fresh talent, innovative themes and costumes, increased attendance, and continued emphasis on a spirit of cooperation and friendship that is the hallmark of the event.

The production numbers by social clubs are judged at each performance from four perspectives — originality, music, costumes and choreography. Plaques, trophies and cash awards are presented after the final performance on the basis of compilation of the judges' decisions. An award is also given for best participation of club membership.

Sit back, relax, be entertained and enjoy our tribute to you. We appreciate your attendance, and we invite you back next year.
