Spring

SING

25th Anniversary

*Spring
Sing 1998*

This year's Spring Sing is the most spectacular production yet as the show celebrates its 25th anniversary. We have some special moments planned for this weekend's performances, and we thank you for joining us for the occasion.

This marks the eleventh consecutive year that Harding University has experienced a record capacity enrollment. The continued growth of the University shows that there is a real need for Christian education in today's society. The mission of our University, combined with our student's desire to serve others, has strengthened this school, building character and boosting numbers.

Welcome to Spring Sing 1998!

Today's performers have spent hundreds of hours preparing for this special anniversary Spring Sing — making it the best-ever show. Their hard work has produced a colorful, exciting performance you'll remember years from now.

As our guests, we hope your weekend at Harding is beneficial and joyful. Let us know if we can be of service to you, and please plan to visit us again.

Enjoy the show!

David B. Burks
President

In 1974 students Kathy McKinney and Jerry Palmer could not have guessed that their idea for a musical show would evolve into the spectacular showpiece it is today.

Planned to debut during Youth Forum weekend, the first show played to audiences in the Administration Auditorium, and several hundred people attended. Now Spring Sing audiences number between 10-11,000, and the show is held in the Benson Auditorium.

Over 25 years, Spring Sing has emerged

Spring Sing

a brief history

as a professional extravaganza filled with all the glitz and glamour seen in big-time productions. The first show featured clubs singing songs from risers, using hand motions to punctuate the performances. Throughout the years the participants added choreographed moves, bright costumes, painted backdrops, and original lyrics, all developed and assembled by student performers.

SPRING SING

25th Anniversary Celebration

Hosts and Hostesses

Eve Clevenger

A 23-year-old vocal music education major from Nashville, Tenn., Eve Clevenger is the daughter of Tom and Beth Clevenger. She is a member of the Chorus, Campus Players, Shantih women's social club and the vice president of Alpha Psi Omega. She was the 1996-97 Female Performer of the Year, placed third in Broadway NATS and played a lead in the 1996 Homecoming musical "Me and My Girl." Eve is also a licensed Kindermusik instructor and included in *Who's Who Among Students in American Colleges and Universities*.

Marcus Neely

A 20-year-old theater and vocational ministry major from Memphis, Tenn., Marcus Neely is the son of Joel and Era Neely. He is a member of Pied Pipers, the Chorus, Campus Players, Alpha Psi Omega and men's social club Delta Chi Delta. He has been involved in yearly Homecoming musicals and one-act plays, and was named Freshman Dramatist of the Year during the 1995-95 academic year.

Ashleigh Short

Ashleigh Short, 21, is a junior English education major from Paragould, Ark. The daughter of Jim and Rhea Short, she is a member of Chi Omega Pi women's social club, Alpha Chi, and a junior student representative in the Honors Program. She also participates in Phi Eta Sigma, Sigma Tau Delta, and attended the Arkansas Governor's School.

Justin Lawson

Justin Lawson, 20, is a sophomore from Searcy. The son of Freddy and Kay Lawson, this year marks his second appearance as Spring Sing host. He is a member of Alpha Chi and Delta Chi Delta men's social club, and has performed with the Searcy Summer Dinner Theater. Justin's other performances include the Homecoming productions of "The Secret Garden" and "Camelot," and the spring play "Prelude to a Kiss."

25th Anniversary Celebration

Synopsis

Remember a time when hair was big, clothes were flashy, and the music was disco fever? A special guest takes you on a journey back to the decade of lava lamps, eight tracks and John Travolta. Put on your platform shoes and the biggest bells you own, because we are taking you back to the 1970s.

Stop!
Come on all you lazy people,
We're gonna take you back a time when
John Travolta rocked
And polyester was hot!
So come on! I'm a pony, I'm a pony.
Come on!

Celebrate good times, Come on!
There's a party going on right here.
A celebration to last throughout the years
So bring your platforms
And your afros too
We're gonna celebrate our decade with you.
Come on now, Celebration!

Freak out... Harding... Spring Sing
Freak out... Harding... Spring Sing
Freak out... Harding... Spring Sing
Freak out... Harding... Spring Sing
Freak out...

We did what we pleased,
Peace and love in the seventies.
This show has just begun, yah!
The seventies were full of fun
Richard Nixon, Gerald Ford,
U.S. Army goes to war
Jimmy Carter, Cold War, Soviet Block
Elton John, Jackson Five,
John Travolta Stayin' Alive
Janis Joplin, Bee Gee's,
Rock around the clock
ABBA groovy, so cool,
Kiss broke all the rules
Sonny, Cher before the woes,
Charlie's Angels in their pose
Dukes of Hazard, Dynasty,
CHIPS, Three's Company
Spring Sing had begun,
Fat Albert was so fun

Put on your blue suede shoes
'Cause the King is here to talk to you
Here comes Elvis
Here comes Elvis with his jumpsuit flashin'
And the women think he's dashin'
Life will never be the same
Here comes Elvis
Turnin' day into night time
Turnin' night into day time
If you see him once
You'll never be the same again
Here comes Elvis
Here comes, Here comes Elvis
Elvis, Elvis, Elvis,

It won't be easy,
You'll think we're strange
When we try to explain how we feel
That we still hear his voice,
Even though he is gone
You won't believe me
All that I saw was a man I once knew
Although he was dressed in disguise
At the supermarket it's true
Don't cry for me, don't you worry,
The truth is I never left you
I'm not in Heaven, I'm in the tabloids,
I'll keep on singin', just keep believin'

Lava - so hypnotizing
Watching you ooze and flow

Moving in constant motion
Plug you in and watch you flow
Maybe you're prehistoric,
Lava is so old
Lava lives forever
This is what it looks like when lava flows
This is what it looks like when lava flows

What you think, we don't care
I love my bells, and my wild, wild hair
Blue eye shadow, we like best
Headed for the future,
But we're livin' in the past
In the past

Strike a pose
All you need is a little polyester
So you can be like us - you can be like us
It makes no difference if it matches or not
If it's a stripe or a swirl
If the music's pumpin'
You can show off your threads
You're a disco star,
Yes, that's what you are, you know it
Come on Vogue, - Vogue, -Vogue
Come on and groove to the music,
Groove, hey, hey, hey
(Groove to the music)
Come on Vogue, - Vogue, -Vogue
Come on and groove to the music,
Groove, hey, hey, hey
(Go with the flow)

Step.. (24 times)
Step by step oh baby,
Gonna get to you girl
Step by step oh baby,
Really want you in my disco world,
Oh ley, oh ley, oh ley, oh ley
Feelin' hot, hot, hot, Feelin' hot, hot, hot
Feelin' hot, hot, hot, Feelin' hot, hot, hot
I will survive
Though the years, I still am here
This decade will never die

At the Copa, Copa Cabana
Barry Manilow
He has cool clothes
Burn Baby Burn (disco inferno)
Burn Baby Burn (Do the hustle)
Do the hustle, ooh ahh,
Do the hustle, ooh ahh
Do the hustle, ooh aahh

Working at the car wash, yah
Movin' on the disco floor
Stayin alive, stayin' alive
I, I, I, I feel the jive... (high five)

Young man, come and disco with me,
I say, young man, wear a flashy green
'Cause it's gonna glow...
In the disco ball, drop
We are family,
Get up everybody and sing,
We are seventies,
Even though we're full of cheese
You've got to be a macho, macho man
You've got to be a macho man
You've got to be a macho, macho man
You've got to be a macho

AHHHHHHH.....Freak out!!!

25th Anniversary Celebration

Synopsis

Back in the days of Long John Silver and Captain Hook, pirates braved the high seas in search of hidden gold. Pillaging, plundering and making captives walk the plank were all in a day's work. Join us as we search for hidden loot with a treasure map where "X" marks the spot.

Now sit right back
And you'll hear a tale
A tale of a pirate ship
That started with a treasure hunt
And became a perilous trip

The weather started getting rough
A stowaway was bound
But all they really cared about
Was the treasure being found

"And we're about to set sail!"

A pirate's all I want to be
Sea living is the life for me
Water spreadin' out so far and true
Forget the land just give me that ocean blue
On land is where I'd rather stay
I'd get sea-sick along the way
I just despise a crow's nest view
Darlin' I love you, but I won't go with you.

The chores!! The shores!!
Fresh air!! My hair!
You are my wifel
Goodbye, peaceful lifel

Hey, Hey, Hey...
Treasure, Treasure Map
We just found a treasure map
We are on our way
To find some gold - we won't delay
Hey, Hey, Hey...

We're sailing on out
To the East Side
We've got our masts and sails
Hoisted high
We're sailing on out
Oh me, oh my
It's finally time
To say good-bye

Is someone on the ship?
The Captain's gonna flip
We've gotta get him out of here
Hey what's that thingy?
I think he's in the dingy
And we better try and grab him
Before he gets away
Stow-a-way — Let's make him pay!

This time I felt I had to run away
I had to get away from the guy
Who wanted to become my groom
My dream house was big
And we would have fifteen kids.
And we'll tell ourselves
It'll be okay
And we just hope our ship's not sinking

Na, Na, Na, Na...
We're sinking fast
Na, Na, Na, Na...
Here we go, sinking fast
Look out now, we're gonna crash
So let's stay afloat
And keep sailing in our boat
Na, Na, Na, Na...
Let's stay afloat
Na, Na, Na, Na...

In our boat

Then we'll blame it on the rain,
Yeah, yeah,
Blame it on the storm that hit last night
After all is said and done
We'll keep on having fun.

1,2,3,4
Yo ho ho
Yo ho hoo
We have a got a job to do
Swab the decks, pick up the mops
Clean the mess - we won't stop

Your blood is mine
We want your head
Just give us time
We'll have you dead
We're telling you
Better watch your back
When you turn away
We'll attack

And they'll say the sky's the limit
And to us it's really true
But my friend you have seen nothing
Just wait 'til we get through

Because we're bad, we're bad
You know it
We're bad, we're bad
You know it
We're bad, we're bad
You know it
And the whole ship better answer right now
Just to tell you once again - Who's bad!

Da Da Da - fight scene

My blood's run cold
My sword is getting dull
We have fought the bad men
Let's get up and row again

Come on row the boat - and row it
The Island's over there - we know it
Let's go get that loot - and stow it
Someone grab that anchor - and throw it
Ah, Ah, Ah... get off the ship,
Get off the ship.

"All Ashore!"

If I Were a Rich Man

You know that
Treasure makes me wanna Shout!
Kick my heels up and Shout!
Throw my hat off and Shout!
Put my hands up and Shout!
Stomp my peg leg and Shout!

Sweet home here we come
Where the skies are so blue
Sweet home we're on our way
We're bringing treasure home to you.
We hope you liked our tale
Our tale of our perilous trip
So come join us again
Here on our pirate ship!!!

25th Anniversary Celebration

Synopsis

Playing this game is usually all fun, unless a two is rolled — the dreaded deuce. Now, this game becomes much more personal as you try to free yourself from the game. Who did it? Where? With what? Hope the answers are found before it's too late!

Monique: Hey, Wallie, Mom got us this new game.
Wallie: What game is it, Sis?
Monique: It's CLUE (available at your nearest Milton Bradley dealer!)
Wallie: Can we play, huh, huh, can we play?
Monique: Yeah, but I think we should read the instructions first.
Wallie: Nah! C'mon, let's play!!!
Monique: **But it says, "Don't roll a two or ...or...Where's the rest of the directions?"**
Wallie: Oh, who cares? (he rolls)
Together: Oh no!!! A TWO!!!!

Rapper:
Now here's a little story
**I got to tell about these two kids,
You don't know so well.**
It started way back in history,
When they rolled a deuce and got stuck with me.
**They have to go around gathering up clues,
If they don't they will surely lose.
Kitchen, study, and the ballroom –
Gotta solve the crime or they'll meet their doom.**

How bizarre, how bizarre!

**Working in the kitchen, choppin' and a cuttin'
Stirrin' and mixin' just stirrin' and mixin'
And choppin' and cuttin',
Fryin' and grillin'
The clues here will start,
But you've got to look really hard.
So, if you listen to what we have to say
Oh, just let us.**

**Tell you about it,
This is your first clue:**
Colonel Relish has some guns,
They're stashed up in his room.
Tell you about it,
Right before you leave.
Miss Crimson has some candlesticks,
She always keeps them clean.
'Cause we all here get to worrying.
Just because a murder happened late last night.
ROACHES!!!

Never gonna guess it...never gonna guess it

A-B-C, we're in the study,
Guessing is easy as A-B-C, 1-2-3, listen up now.

We heard it through the grapevine that
Miss Crimson had to do some time.
We heard it through the grapevine
That Professor Peach just lost his mind,
And he plays with knives.

We saw his knives, and it opened up our eyes
'Cause they were sitting right there before us.
The drawer was open,
That was your clue,
We can't give you any more,
That was your clue.
No one's gonna help you out
To get back to the place where you belong,
You'll find the signs, look for the clues.

You've been searchin' high, high, high.
You've been searchin' low, low, low.
P-p-p-p-players, don't forget your clues,
P-p-p-p-players, they'll tell you what to do.
The ballroom has more news.

Never gonna guess itnever gonna guess it.

In the ballroom now,
Guys in tuxes, girls in boas,
Come on in and get to know us.
In the ballroom now,
Come on in and get your clues,
We've got something you can use.
You've got to look hard.
To find your next clue.
You got to look hard.
To find your next clue.
Oh, your mind is stronger than your will,
With imagination you'll get home.

How about some information please?
Straight up we'll tell you
Crimson really has a tattoo.
Oh, oh, oh, and we saw Relish on the run,
Straight up we'll tell you
If Peach and Relish worked together.
Or was the crime just done by one?

In case you failed to notice,
In case you failed to see.
We're stuck in this game,
I wanna go home now,
But you're not helping me.
This foolish game is tearing me apart,
And your careless ways are wasting our time.
I wanna go home.

Don't worry sis, we're not gonna lose.
'Cause we know all the facts,
And we have all the clues.
We've got the crime solved,
Stop singing the blues.
We shall be free.

Monique: What's all this about freedom? We can't be free until we solve the crime, Sherlock!
Sir Walter: I know who the killer is! (Drum roll) was ????

Monique: What? That makes no sense!
Director Doug: Hold it!!! People!!! Cut!!! (to audience) Sorry about the delay; this will just take a minute. Children, somebody did not read their script!!!
Audience: OOOOOOH-HHHH!!!
Director Doug: And it says right here on page 21 who the killer is. "Making sense" is not the issue here, the script is!!! Work with me, people!
Okay, where we left off. Five, six, seven, eight.

"Amen" chorus

Rapper:
Here I am, back with the scoop.
They solved the crime
For the fact that they didn't waste time.
Played the game, just fine.
Jump to the rhythm, jump,
Jump to the rhythm, jump.

25th Anniversary Celebration

Help!
I need detectives!
Help!
A lot of detectives!
Help!
You know I need them now!
Help!

Detective, I'm your man!
Detective, I'm your man!
We're gonna catch those crooks,
And make you a happy man!

All the bad, ole crooks on the street
They think they can fool us and we're beat,
They are on the go
Oh-way-oh
But we are there to knock them off their feet!

When you steal and kill you get caught
Cause we're the detectives on the block
And you should know
Oh-way-oh
That we do our job around the clock!

When the crooks see us coming they say,
"Way-oh-way-oh-ooh-way-oh-way-oh."
We are the detectives!
That'll be the day
When you get by,
That'll be the day
When we let you slide.
You say you won't get caught
But that is a lie
'Cause that'll be the day
When we die.

Get'em, Get'em
They have been real bad so Get'em!
They have been stealing,
They have done wrong!
We have got to stop them
'Cause that is our job
So get'em!

Find them, find them
Go out and find them!

Catch them, catch them
It's your job to catch them.

I know that I can depend on you.

We searched all over the house
And there we found
An open window and a bead
Layin' on the ground

The staff doesn't know anything
So now we're
Searching the alleys and the streets
To find those three crooks.

Oh! Why they wanna give us the run around?
If they come to us they could clear their name
But now they are nowhere to be found!

Sneaky, little crooks
We're looking for you!

Sneaky, little crooks
Where are you?

We've gotta lot of clues that point straight to
you
Now all we have to do is find you!

If you're looking for trouble,
Then we're getting near!
If you're looking for trouble,
We got it right here!

The chase is on!
The chase is on!
The chase is on!
Yeah, we're on your trail!
The chase is...

Although we are crooks and thieves,
We did not steal those beads!
Why do they hunt for us so?
We do not know, we do not know!
Although we have our faults,
We did not rob the vault!
Why do they hunt for us so?
We do not know, we do not know?

Hurry, hurry
There they are now!

Where they go,
We will follow!

This one thing we can tell ya,
You're gonna wish we had never found ya!

**Sorry, sorry
Now we've got you!**

**Looks like you're going to the county jail,
You tried to get away, but you have failed!
You stole the diamond necklace
That belonged to her,
And we're gonna make sure that you get yours**

You're caught!
Hey! Hey! You're caught!
You hid around a lot,
But, hey, now you've been caught!

We have the criminals in hand
And we are the best in town!
If you have a case, we're on the beat,
Just call us and they'll be found!
We are the people you can count on, now
We are the ones who will help you out!
Just call on us and we'll be there,
You'll have nothing to worry about!

And we'll say, "What do you need us for?
We can handle anything!"
We'll take your case and solve it now,
Cause we're the best ones on the beat!

Cause we have caught her,
We have caught her
Three criminals!

Well, we can't believe that it is true!
What about all those other clues?
Well, she must have just lost her mind,
She had the necklace the whole time!

You should have looked first,
This whole time it's been in your purse!
Next time, look first—You're Unbelievable!

Synopsis

This just in: Three notorious criminals were released from the county jail today. Meanwhile, Lola, the woman who put them behind bars, has just discovered that her diamond necklace is missing. Can our detectives solve this case?

SING

25th Anniversary Celebration

Greg: Welcome to the big show, or the not so big show.
I'm Greg Mathews.

Allie: And I'm Allie McGuinness. Thank you for joining us
on location for the special 1998 Spring Sing Edition of
the critically acclaimed Sportscenter.

Greg: Tonight's show presents the year in review...The
year that was. Tonight we start with baseball.

Allie: The boys of summer were in full swing again and
filled stadiums around the nation. Fans hoped to catch
one that COULD...GO...ALL...THE...WAY!!!!

Batter up, full count,
Fly ball, it's a home run,
It's the end of the game and we did it.
It's the end of the game and we love it.
It's the end of the game and you blew it,
It's your loss.
Sportscenter, ten o'clock
Gotta get the highlights on,
Hit and run, replay, watch the ball fly away.
It's long gone.

Sitting in the stands on a summer afternoon,
Listening to the game on radio.
Talk about it, shout real loud
When they make a play.
Every game they find a way to win,
We need our own Joe Dimaggio,
A guy like that would take us all the way,
Hey, hey, hey.

Our local team is at home again,
They've gotta winning streak at hand.
They've played real bad,
They've played real good.
But somehow they are in the race.
Our team makes games exciting.
They try real hard but sometimes blow it.
We got a new player, what's his name?

Maybe we will win the pennant.
We hope our team wins it all this year.
And we want to catch some balls hit deep.
Maybe some up here with us in the cheap seats!

Greg: Well, that just about wraps up baseball.
Now on to hockey.
Allie: What's the big deal about hockey? The most
exciting part is when that...that thing clears the ice.
Greg: You mean the Zamboni! (sarcastic)

Time to go scrape, rollin' in my Zamboni,
Cleanin' up the ice for the boys on my home team.
The crowds in line, waiting to come inside.
Do I stop? No I kept driving.
On the ice, ice baby. On the ice, ice baby.

Allie: Now let's go from the big hits on the ice to big hits
on the field. Are you ready for some football?!

Greg: This past season has been full of ups, downs, and
everything in between...

Allie: Teams ranged from...dare I say, en fuego...to "as
cool as the other side of the pillow.

Hey! Man you cheering for that team?
What a joke!
They'll be annihilated! Hey!
Man, what you think those colors mean?
Go on home,
They'll be annihilated!
Well we just don't look good.
We need to push them down, open holes,
Run the ball.
We need to score some more points,
With field goals and touchdowns.
We take all this for granted,
Fix this and we'll cause some damage.
Yea, yea and we'll win.

You say we're done, down and out,
Coming back to surprise everyone.
Draw you up, throw it deep,
We're playing for keeps,
Beat you time and again.
Play-off time, gotta win—
Win again. We're going to the Superbowl!

Greg: Now on to the game of pastels and putts.
Allie: Tiger Woods was the focus of the land,
but take a look at this shot by...Mark Trainer.
Greg: Who the heck is Mark Trainer?
Allie: From mind blowing drives to blown calls. Here

come the men in stripes.
Greg: I think I bought my shoes from that guy.

We're the guys who throw flags,
Remember that.
Don't get in my face or make contact.
The job held by me, referee,
Means what I saw you did not see.
So, don't say you're innocent.
Plead your case with your smiley face on.
Ugh and here come the yellow flags,
Busted offenders.
Here come the black and white.
We always remember.

R-E-F-E-R-E-E, that is what you should call me,
R-E-F-E-R-E-E, you better listen to me.
Ahh, a little respect.
Ahh, a little respect.
Just a little bit.

Take me out to the ball game
Take me out to the crowd
Buy me some peanuts and cracker jacks
I don't care if I ever get back.

Allie: Well, this year has also been memorable inside the
ring.

Greg: George Foreman retired...again. And who can
forget Mike Ty...
Allie: Who...Let's not go EAR there.

Welcome to the main event,
Let's get ready to rumble...
You over there! Can't even compare,
Gonna bite your ear.
You like the rest,
Can't hang with the best,
Go home, gonna get battered and bruised.
I'm gonna knock you out.
It's time to knock you out.
I'm gonna knock you out!
It's time to knock you out!

Greg: From knock downs to knocking 'em down from
"Way Downtown...Bang!"
Allie: We've put together a highlight reel of the season's
best dunks.

Greg: Check 'em out. They must be butta' cause they're
on a roll.

Allie: What's butter got to do with basketball?
Greg: How'd you get this job?

Can't you see me dunking here,
I broke the glass, it's laying at my feet.
These are the best that we've seen,
Now you'll see what we mean!
We're the kings of the court,
The best at the sport,
We always throw it down
'Cause our teams on top
Throw it down, throw it down, throw it down,
Jump up, jump up and throw down,
Jump, jump, jump, jump, jump, jump, jump, jump!
Welcome to the real game!
Now's their chance,
Watch them slam at this blow out!
Raise your hands, do the wave if it feels right.
They've taken it into overtime,
Welcome to the real game.

Allie: Every sport crowns its champions, but we all know
it's not always winning that's important. It's about doing
your best. Fifth place is just as good as first place.
Greg: Here are some clips of this year's true champions.
The ones who hoisted the trophies and raised the
banners.

We've made mistakes, we've made a few,
We've had our share of down time,
But we made it through!
Our teams are the champions, everyone,
And they'll keep on winning 'til the end.
We are the champions, We are the champions!

Allie: We hope that you've enjoyed this year in review as
much as we have.
Greg: Thanks for sharing in looking back at the fun and
games that have happened in the last year.
Allie: He's Greg Mathews.
Greg: And she's Allie McGuinness. Sportscenter coming at
'cha.

Synopsis

The world of sports is followed by a large section of our society. In fact, many sports fans follow their teams with near-religious fervor. The volume of sports news networks and shows have exploded to reflect our nation's love of sports. So join our Sportscenter anchors Allie and Greg as they report on late-breaking news from the realm of sports.

25th Anniversary Celebration

Tour Guide: And that finishes our tour. We thank you for visiting the museum. We'll exit out this way.

We can do what we want,
It's the end of the day.
When the lights go down,
We wake up and play!
The museum is closed;
People are gone,
Now we sing our song!
We're coming to life - oh, oh, oh!
We're coming to life - oh, oh, oh!
We're coming to life - oh, oh, oh!

You, statues! Kick off your still-life blues!
Please, oh please! Pull me off of my knees!
Oh, let's go! Everybody on the floor!
Lose your blues! Everybody cut footloose!
Oh, oh, oh, cut footloose! Oh, oh, oh, cut footloose!
The whole day through, we felt so blue,
Feet ache and shoulders, too.
After all that we've been through
Waking up is hard to do!

'Cause we're made of rocks and stones.
We only wish we had skin and bones.
We stay alive the whole night through
To have some fun and protect the jewels.

We pose all day for the tourists
To look our way, now,
Cameras flash but we don't get to look
away, now.
The tourists are gone,
And we get to come out and play, now!
And we'll have fun, fun, fun,
'Til the sun takes our freedom away!
The diamonds in here are better -
Not even one is fake.
You think about breaking in here,
But that is a big mistake.
Just look at the jewels around us,

Such wonderful things around us,
What more are you looking for?
In the museum, in the museum.
Please beg our pardon,
While we are guarding,
You won't get to them!

We are the diamond queens,
Make a scene, and we'll get real mean!
Oh yeah!
Here's our chance; we can fight,
We'll give you the scare of your life!

We are the thieves in black!
Gallery intruders!
We are the thieves in black!
Notorious looters!

Living in a world of crime,
We commit it all the time.
We are gonna strike it rich one day.
Got paint on our face, a can of Mace,
Gonna steal jewels right out of this place!
We will, we will rob you!

Never gonna get it, never gonna get it,
Never gonna get it, never gonna get it,
Never gonna get it, never gonna get it,
Never gonna get it! Never get it!

This was our night,
We'll be free until the morning light.
Kicked out the thieves—everything's alright!
We can't wait until another night!

So long, farewell, the sun is on the rise.
When morning comes, we have to say
good bye.
So long, farewell,
They won't believe their eyes.
If we don't freeze, they'll get a big surprise!

Bye-bye life! Back to reality,
Bye-bye life! Back to reality,
Bye-bye life! Back to reality.

Synopsis

It's closing time at the Metropolitan Museum. As the lights go out, the statues inside awaken to perform their nightly duty of protecting the museum and all that is inside. During the night, they encounter some intruders. They need to kick out the thieves before they return to still poses in the morning.

Since 1975 the Jazz Band has been performing during the Spring Sing show. In addition to accompanying the hosts, hostesses and ensemble, the Jazz Band plays music unique to the group, featuring talented student performers. Throughout the years, the show has given students the opportunity to not only perform, but to arrange scores and conduct the band as the occasion arises. Giving scheduled performances during the year, the Jazz Band showcases some very talented students.
