# WELCOME

Welcome to Spring Sing '99 — a talent-driven, fun-filled celebration of Harding's 75th year! We are proud of the students on stage and those behind the scenes who have worked hundreds of hours to present a dazzling performance for you.

This marks the twelfth consecutive year the University has experienced a record capacity enrollment. Our continued growth proves that there is a real need for Christian education in today's society. The mission of our University, combined with our students' desire to serve others, has strengthened this school, building character and boosting numbers.

As our 75th year draws to a close, we recognize people like you who have supported us through the decades. We thank you for believing in our mission, and we hope your weekend at Harding is a blessing. Let us know if we can be of service to you, and please plan to visit us again.

Enjoy the show!

David B. Burks  
President

## BRIEF HISTORY

The show you are about to see is the honed product of 25 years of creativity, innovation and cooperation among Harding students. Begun in 1974 as small-scale entertainment for campus guests, Spring Sing now contains all the glitz and glamour of big-time productions. It has, however, remained true to its original emphasis on unity and friendship, which is the hallmark of the event.

The production numbers by social clubs are judged at each performance from four perspectives — originality, music, costumes and choreography. Plaques, trophies and cash awards are presented after the final performance on the basis of compilation of the judges' decisions. An award is also given for best participation of club membership.

Sit back, relax, be entertained and enjoy our tribute to you. We appreciate your attendance, and we invite you back next year.

— The entire Spring Sing cast and crew

# Hosts & Hostesses

## *Deborah Bills*

A 22-year-old double major in elementary education and vocational ministry, Deborah Bills is the daughter of Mike and Donna Root of Antioch, Tenn. She is a third-generation Harding student, active in Chorus, Kappa Delta Pi education honor society and Youth Corps. Previous performances include Good News Singers and the Homecoming musical "Camelot." Deborah is also a member of Shantih social club and a queen for Chi Sigma Alpha, and she received the Regina Spirit Award this year. This is her third year on the Spring Sing stage.

## *Pat Bills*

Pat Bills, 21, works toward a double major in youth and family ministry and religious education, with a minor in psychology. He is the son of Steve and Margaret Bills of Tullahoma, Tenn. Pat is active in Chorus and Alpha Chi honor society. He performed in Spring Sing last year, and he was a member of Good News Singers. Pat also serves as president of Youth Corps and beau for Shantih social club. He, with his wife, was honored with the Regina Spirit Award this year.

## *Marcus Neely*

A 21-year-old theater and vocational ministry major from Memphis, Tenn, Marcus Neely is the son of Joel and Era Neely. He is a member of Pied Pipers, the Chorus, Campus Players, Alpha Psi Omega and Delta Chi Delta social club. Marcus played a lead role in the Homecoming musical "Camelot" and was Captain Hook in this year's "Peter Pan." He was selected Male Performer of the Year in '98, and this is his second year as Spring Sing host.

## *Erin Rembleski*

Erin Rembleski, 20, is an English education major pursuing a minor in theater. She is the daughter of Phil and Cathy Rembleski of Rescue, Calif. This is Erin's first year on the Spring Sing stage, though she performed in the Homecoming musical "Camelot" last year and played Tiger Lily in this year's "Peter Pan." Erin is on Honors Council as part of the Honors College, and she has sung with the University Chorus.

*Clockwise from left: Deborah Bills, Marcus Neely, Erin Rembleski and Pat Bills.*

# TNT Zeta Rho & Friends

Woke up early in the mornin'  
'Cause our summer's about to end.  
We'll go home to our family,  
Say good-bye to our friends,  
I think it's a sin.  
Sweet home camp Tahtonkah,  
Where we're almost through.  
It's our final day here

By my side.  
Now I've spent so many nights  
At my home away from home,  
I grew strong.  
I learned how to get along!  
I will survive. I will survive.  
As long as I have Calamine  
I know I will survive.  
I've got all my sores to heal,  
Now excitement's what I feel.  
But I will survive. I will survive!  
Hey, Hey!  
Now it's show time, baby.  
We'll drive the boys' camp crazy.  
Oh yeah, oh yeah, oh yeah.  
Time for tug-of-war, oh yeah!

You've got something coming.  
We are superstars!  
That is what we are.  
We pulled really hard  
Now their pride is scarred.  
Though we wanted them,  
But we're friends again.  
From one cabin to another, uh huh.  
'Cause we love our campin' brothers, uh-huh.  
We'll be back.  
We'll be back next year.  
It's our camp!  
We will have no fear.

## DAZE

and we're feeling so blue.

**CAMP TAHTONKAH**  
Oh, you're the camp for me.  
When I'm at CAMP TAHTONKAH  
I'm as happy as can be!

It's a hard knock life for us.  
Cabin check creates a fuss.  
Clean the floor and make the bed,  
We'll be cleaning 'till we're dead.  
It's a hard knock life.

Mail. All I really want is mail.  
The postman's slower than a snail.  
My mom sent cookies, but they're stale.  
I write my boyfriend every day.  
He's really sad she went away.  
A package really makes me smile –  
I haven't seen one in a while.

Bug bites, bug bites, what ya gonna do?  
What ya gonna do  
When they land on you?  
Bug bites, bug bites, what ya gonna do?  
Don't look now but there's one on you.

You can look but you'd better not touch  
Poison ivy, poison ivy  
Watch where you're goin'  
'Cause the poison ivy's  
Growin' all around.

At first I was alone, I just cried and cried.  
Thinkin' I could never live without Mom

We've looked forward to this all week,  
And now it's the big day.  
'Cause the boys are comin' over  
For tug-of-war today.  
This only happens once a year,  
It makes us want to cheer.  
Let's hear it for the boys!  
We wanna hold their hand.  
We're sick of all this girl stuff,  
And now we want a man.

(Girls whisper) The boys are back, the boys are back.  
The boys are back at camp,  
Boys are back at camp,  
Boys are back at camp,  
To prove we are the champs.

Oh, Ricky you're so fine,  
You're so fine you blow my mind.  
Hey, Ricky!

From the first day of camp  
We were ready to fight,  
So we will compete with all of our might.  
Bad to the bone.  
B-b-bad, b-b-bad, b-b-bad.  
Bad to the bone.

Tug-of-war  
You think you're gonna win now,  
You've got something coming.  
Tug-of-war  
You think you're gonna win now,

Another week of camp  
Is drawing to a close.  
Our bags are packed up now,  
It's almost time to go.  
So take the photographs  
And memories left behind.  
At CAMP TAHTONKAH friends for life  
You'll always find.  
It's something unpreventable,  
It happens every time.  
We always have the time of our life.

And we'll come back next year,  
Like we've done years before.  
We'll come back next year,  
We'll keep coming back for more.  
We'll come back next year,  
'Cause we all love it here!

# GATA Sig Phi MU

Are you ready for this?

In the middle of the night  
The girl was kidnapped in her sleep  
By the boss and his men  
Into the night so deep.  
Now we're looking for something –

## FURY

Anything we can find  
That will lead us to her.  
They must have left a trail behind  
In the middle of the night.

We found the trail now.  
It leads to the place  
They were hiding out!  
We have to act now –  
Our best chance to save her  
Is to bring them down.

Everybody fight now!

Everybody was kung fu fighting  
Those kicks were fast as lightning.  
Everybody was kung fu fighting.  
Those kicks were fast as lightning.

We passed the test,  
We're number-one super guys!  
Now we have to guess  
Where the next hideout lies.

Have you heard there's a rumor here in  
Chinatown?  
Have you heard that  
The girl has gone away?  
HEY!  
There's a rumor, a legend, a mystery –  
They say that if we find her  
We will gain a life.  
They say, friend, we'll go down in history.

So don't delay, act now,  
Our time is running out!

We know the girl's still alive,  
So we must try to survive,  
But every path that we take  
We seem to turn the wrong way.  
"I think we're lost."  
But we're gonna find  
The bad guys anyway.

Where are we going?  
We don't even know the way –  
"WAIT!"  
Everyone can see that  
We found our way and  
We're back on track  
Bad guys beware,  
We're on the attack!  
You've got the girl and  
We have to get her back.

We've got to fight for her right to go free!  
We've got to fight for her right to go free!

We have won another victory.  
We still don't know  
Just where that girl could be.  
We've gone too far to turn back,  
We'll win the game and cut 'em no slack!

Ready, here we go, level three.  
Anything less than our best  
Will be deadly.  
We're on the move  
So you better gain way.  
Time's running out so we can't delay.  
We got a problem,  
You can help us solve it.  
Insert coin, keep the clock revolving.  
Insert coin, Insert coin...

He gave us new life,  
He bought us more time.  
Now he's telling me punch left,  
Now he's telling me kick right.  
He's leading us to where we need to go.  
We're searching for her high and low.

Bring it on  
Bring it on

Welcome to the rumble,  
We're fighting in the streets.

Welcome to the rumble,  
Where good and evil meet!

We found the girl,  
We know where she's been hid.  
We found the girl,  
This is our last test.  
We're gonna give it our best.  
We found the girl,  
We know where she's been hid.  
We found the girl,  
Now we're gonna rescue her  
And take her back where she belongs.

She's all we ever wanted  
But you've taken her away, yeah.  
Now the time has come  
For us to take her back.

I need a hero!  
I'm holding out for a hero till the morning  
light.  
He's gotta be strong,  
And he's gotta be fast  
And he's gotta be fit for the fight.  
I need a hero.

Ladies and gentlemen:  
Welcome to main event –  
Mortal Kombat!

Now it's time to go  
We have fought the boss.  
We have won the game.  
We finished at all costs.  
We have saved the girl.  
And our quest is done.  
We have beat the clock.  
We are number one!

Everybody punch  
Everybody punch  
Everybody kick  
Everybody kick  
Everybody punch  
Everybody kick  
Everybody fight  
High-ya!

# & Friends

Ooo, Seems like such a crime,  
Ooo, Cleaning all the time.  
Seems like these kids  
Don't have much respect  
For the ones who are  
Cleaning up the mess.  
It's time they realize,  
They better recognize, that,  
It hasn't happened  
For the longest time.

Don't you wanna know!  
Oh! Who's that man?  
Oh! Don't you wanna know,  
Don't you wanna know!  
Oh! Who's that man?  
He's got a different little way  
Of cleaning up today,  
Mr. Clean, is that his name?  
In everything you wash and clean  
You see his smiling face –  
You've never ever seen before.  
Oh! Now we all know,  
Now we all know!  
Oh! It's Mr. Clean!  
Oh! Now we all know,

Pick the tools up, step in time.  
Lunchroom, kids make it dirty.  
East hall – filthy  
West hall – grungy  
Kids, we've been watching you  
Messing up this school,  
And not even care!

On the lunchroom floor,  
We find peas and corn,  
Mashed potatoes on the walls,  
Chairs turned upside down,  
But it's alright, yea.  
We'll clean it up tonight!

# CLEANING

My head is spinning round round  
Yea round round,  
'Cause the kids are trashin' up  
The ground ground ground  
And all over the stalls stalls  
Yea stalls stalls  
Are different colors on  
The walls walls walls!

Oooo, Gotta get us some,  
Gotta get us some,  
Gotta get us some,  
Oooo, Gotta get us some...  
Gloves!

Using all this Comet  
To make a shiny toilet, yea,  
This is how we do it –  
To clean that bowl.

Everybody clean now –  
Mr. Clean!

Oh! Don't you wanna know,

Now we all know  
Oh! He's our man!  
All these bugs smashed  
In the screen,  
It's real ugly, can't even see.  
How do we clean it?  
I don't understand.  
Wait one moment, I have a plan!  
Spray, squirt, wipe it.  
Make sure the window's clean.  
Spray, squirt, wipe it.  
Make those windows gleam.

Clean the school up, step in time.  
Clean the school up, step in time.  
Never need a reason,  
Never need a rhyme,  
Clean the school up, step in time.  
(Pick your tools up)  
Pick the tools up, step in time.  
Pick the tools up, step in time.  
Never need a reason,  
Never need a rhyme,

Our backs have gotten tired  
From all this bending over,  
'Cause we're cleaning  
All through the night.  
Just to prepare for another day,  
Dust it clean  
And be sure to sweep.  
All these children  
Make such a mess,  
And these big yellow gloves,  
For the scrubbin' and plungin',  
And it started with a little mist,  
Like this!  
We've cleaned this way,  
Done for today,  
We've clean this way,  
Like this!

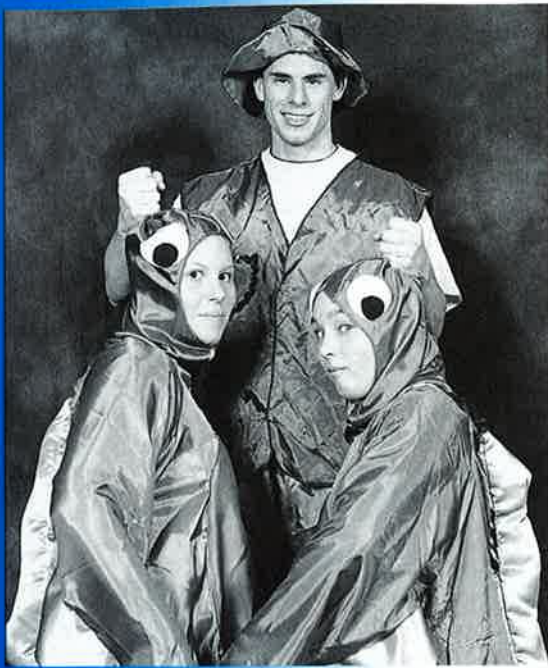

Here's a little song we wrote.  
We sing it while we finish up,  
We're done now and we're happy,  
We're done, we're happy now.

# Theta Beta Kappa Tri-Kappa

Early in the morning  
'Fore the sun will rise,  
Out to catch our dinner,  
Starting to drop our lines.  
Down in the water,  
Fish are swimmin' round.  
Gonna catch a big one today,  
Make 'Pa really proud.

thought.  
*Grandson:* "That's not what Grandma said!  
  
Did that fish just jump in the air?  
What's all that commotion out there?  
I didn't see them.  
(Oh, oh) What could have scared them?"

I'm trying to reel him on in  
With all of my might.  
But I've gotta be strong,  
And I've gotta reel fast  
If I'm going to win this fight.  
I need some help here!  
*Fishermen:* Look what he just caught!

## NEW

## SCHOOL

Lookin' around this morning,  
Look at all the fishermen!  
They took all the good spots.  
Can't believe this happened again!  
Sitting at this fishing hole  
May be wasting time.

Waking up to another day,  
And all those hooks we see –  
They ain't no surprise.

But we're hungry fish.  
Ain't had food in several days.  
Bad fish took it all,  
And they seem to get away.  
They just use their size,  
And they think they're big and tough.  
Today we'll show them  
We have had enough.

Don't do it like that.  
You're going too fast.  
Somewhere deep down below  
The fish are saying,  
"Food doesn't last that long.  
Can't catch up with that."

My, my, it's time for Grandmother's pie.  
Time to take a break from fishing,  
Haven't stopped since sunrise.  
The fish down there haven't taken a bite.  
Oh, I hope they hit my hook before night,  
'Cause then I would be feeling all right.

*Grandpa:* "Did you see that fish I caught? It was about this big, or so I

The bad fish are back  
And we're gonna be in trouble!  
Hey la, hey la, the bad fish are back.  
When you see 'em coming,  
Better swim out on the double.  
Hey la, hey la, the bad fish are back.

Raindrops are falling on our heads,  
But that doesn't mean  
That we will soon be going home.  
Quitting's not for me,  
So we'll keep casting out here in the rain  
'Til we catch one.

I love a rainy day,  
Drives the fishermen away.  
I love to see the rain on the lake,  
It knocks the bugs from the air,  
And it makes us hungry.  
We see that food above.  
Can we get there before they do?  
Here the bad fish come again!  
(Ooh, ooh)  
Today we'll finally win.  
What's that fisher casting in?

A jutterbug!  
Pull him up – you got the bad one.  
Keep on casting,  
There are more just like him!  
Pull them up;  
You'll make us happy.  
If they're gone, our world will be all right.  
Pull him up!

I need some muscles!

*Kristi:* 'Fraid I'm 'bout to drop this slimy fish –

*Fishermen:* You dropped your supper!  
*Kristi:* But I really didn't mean to.  
*Fishermen:* Where was your granddaddy?  
You dropped your supper.  
Now what is your grandma gonna say?

*Fishermen:* Now we can go home happy, happy.  
*Fish:* Now we're free to roam since they are all gone.  
*All:* What a day we've had!  
*Fishermen:* A day like this we'll never see again.  
*Fish echo:* A day like this we'll never see again.

We don't care when they may come!  
We don't care when they may go!  
They helped us out today,  
And so, fishermen are all right!  
(They're all right)  
We don't care when they may come!  
We don't care when they may go!  
They helped us out today,  
And so, fishermen are all right –  
They made our world safe again!

# KoJo Kai & Friends

It's my first day at work, I am petrified.  
Don't know what I'll do  
Without my teachers by my side.  
But then I spent so many nights dreaming  
What I could do wrong.  
But I'll be strong,  
We'll see how I get along at the shop.

We can tease, we can chop,  
We can roll, we can crop,

## N' UP

At the shop.  
If you hair's in a rut,  
Come on and get it cut,  
At the shop.  
You can search from east to west,  
But we are the very best beauty shop.

Open up the doors,  
Time to start our day.  
We've got a busy schedule,  
There's no time to play.  
We are a cut above the rest,  
'Cause when we give a haircut  
We make sure it's the best.  
We'll get you back in style.  
We hope to make you smile.  
So don't forget to call,  
Make your appointment today!

Beauticians, beauticians, beauticians,  
Beauticians, beauticians, beauticians.

Customer's late, what do you get?  
An hour behind; I'm a nervous wreck.  
I got the dye, I got the shears.  
Not too long 'til the grannies are here.

Here they come, walking through the door.  
It's their weekly appointment  
To get a perm, I'm sure.

Baby blue is the color of their hair.  
Baby blue, the only color they will wear.  
Let's start at the very beginning.  
It's the only place to start.  
When you read you begin with "A,B,C"  
When we work we begin with

Shampooing, shampooing.  
Lather, rinse, repeat as needed.

Whenever I'm tanning,  
Locked up inside,  
I start burning  
And I feel all fried.  
Is this how it's supposed to be?  
Will someone come and rescue me?  
I'm in a heat wave, heat wave.

Hey, beauticians, yes, make me so fine.  
Give me a haircut that's one of a kind.  
Right now the girls won't look me over,  
But they'll be swooning after my makeover.  
Maybe soon I'll get a gal.  
Hey, beauticians, look at me now!

It's the way I'm feeling,  
Like my hair is fried.  
Sometimes I feel like I look like  
Frankensteins' Bride.  
This frizz, this frizz, untamable.  
This frizz, this frizz, it's shamable.

I cut an itsy-bitsey, teeny-weenie,  
Chunk of hair.  
I'm such a meanie!  
Please don't sue me or send me away.  
She cut an itsy-bitsy, teeny-weenie,  
Chunk of hair.  
She's such a meanie!  
Please don't sue her, I don't think she'll stay.

Beauty don't drop out.  
Don't worry about her hair.  
Beauty don't drop out.  
We'll just add another layer.  
Now don't you sob or quit your job,  
Be all that you can be.  
Get back to your appointments,  
You'll succeed.  
Beauty don't drop out.  
Ah, ah, ah, ah, ah.

We don't want a haircut.  
We don't want a haircut.  
Catch us, catch us.  
We won't sit down.

Kids! What's the matter with kids today?  
Kids! They won't sit still or obey!  
Why can't they be like we were,  
Perfect in every way?  
What's the matter with kids today?

We see your true color  
Shining through.  
We see your true color,  
So it's time to highlight.  
So don't be afraid 'cause we're gonna...

Wash that grey right out of your hair.  
We're gonna wash that grey  
Right out of your hair.  
We're gonna wash that grey  
Right out of your hair,  
And send it on it's way.

Watch out here they come.  
Those punks don't care.  
Can we ever fix their spiked up hair?  
Hope it won't take long.  
Listen, you. Who me?  
I don't want something new.  
A little off the top, yeah, that will do.  
Just you wait and see;  
I'm such a punk. Don't mess with me!

We'll make you over from your head  
To your shoes.  
Just let us try it. You've got nothing to lose.  
Ooh, ooh, ooh, ooh, ooh  
You've gotta new hair do.

Closing time, time to close the shop up  
'Cause the customers have all gone home.  
Closing time, time to sweep the hair up  
And put up the brushes and combs.

I woke up this morning so ready  
To begin my day at the beauty shop.  
First came the grannies, then the tanners  
Fried their tummies.  
Thought that I would drop out,  
But I changed my mind.  
Kids kept my head spinnin',  
Swing kids wooed the women.  
Closing, closing, closing up the beauty shop.  
It is time to stop.  
Time to close the shop.  
Get out the broom and mop.  
Time to close the shop.  
Ah, ah, the beauty shop!

# Alpha Regina & Friends

I shall tell you of a time  
A time of knights and ladies  
A time of kingdoms and castles  
A time of ...

Beneath the moon

Bang, bang, bang on the door, baby –  
Knock a little louder, Mister!  
Bang, bang, bang on the door, baby –  
I can't hear you!  
BANG, BANG! – ON THE DOOR BABY  
BANG, BANG! – YOU'RE WHAT!

Hit me with your best shot.  
Fire away!

The cut of the blade on my shoulder  
With the salt of sweat in my wound.  
Oh please, save our lives!  
Can you hear your people cry? Help us now  
This dark hour.  
Deliver us, hear our call, deliver us,  
King of All, remember us  
Here in this time of trial.  
Deliver us, this, our land, belongs to us.  
Deliver us out of bondage now.

## ISN'T DEAD

You set your eyes  
Upon the castle here.  
A king lives here,  
His daughter too,  
In search of one to love.  
The daughter's hand  
The king has pledged  
All across the land  
To the one who wins  
Her heart and hand  
Will forever be the man.

They came from miles and miles  
Across the land  
They came to take you by the hand  
And don't believe the promises  
'Cause who knows if they're tellin' the truth?  
If you want one for your baby  
Better make sure that he's good for you.

So look around your world, pretty lady.  
Are they everything  
You hoped they would be?  
Is there something wrong,  
And you can't put your finger on it?  
Which guy? ... For the Queen to be?

Hey, hey, lady –  
I wanna know if I can be your guy.  
Hey, hey, lady  
I wanna know if I can be your guy.

One knight, one special knight  
One knight to go with,  
To talk with and walk with  
One knight, that's the way it should be.  
One knight, one steady knight  
One knight to be with forever  
And ever and ever  
One knight, that's the way it should be.

TIN SUIT – RUSTED!

We're men (manly men)  
We're men in tights – YES!  
We roam around the forest, looking for fights.  
We're men, we're men in tiiliiggghhtts!  
We take what we want,  
And do what we please ... That's right!  
We may look like sissies,  
But don't get us wrong or else  
We'll put out your lights!  
We're men. We're men in tights (tight tights).  
Better keep watch and know  
You're in our sights!  
Always remember,  
Beware of the men in tights.

Everybody ... Here to claim my right  
Black knights back all right!  
Oh no! We're back again  
Brothers, sisters, everybody's sayin'  
Gonna bring the terror, show ya how,  
Gotta question for you, betta answer now.  
Am I original? ... YEA  
Am I the only one? ... YEA  
Am I bad enough? ... YEA  
Am I everything you need,  
You'd better run for cover now  
Everybody ... YEA ...  
Hide your body ... YEA?  
Everybody ...?  
Black knights back all right!?!

Well, you're a real tough talker  
With a long history  
Of breaking all the rules over land and sea.  
Before we put another scar on your evil face,  
You better make sure  
You put me in my place –  
Hit me with your best shot.  
Come on, hit me with your best shot.

A-hey-a-ma-ma-ma-vae-loo-an-nie-ya  
A-hey-a-ma-ma-ma  
I've been awaiting since I can remember.  
I've been waiting just to find somebody true –  
Somebody like you  
Do you know?...I'll never let you go!  
A-hey-a-ma-ma-ma-vae-loo-an-nie-ya  
A-hey-a-ma-ma-ma-hhhhhhheeeeeeyyyy...  
Never let you go!

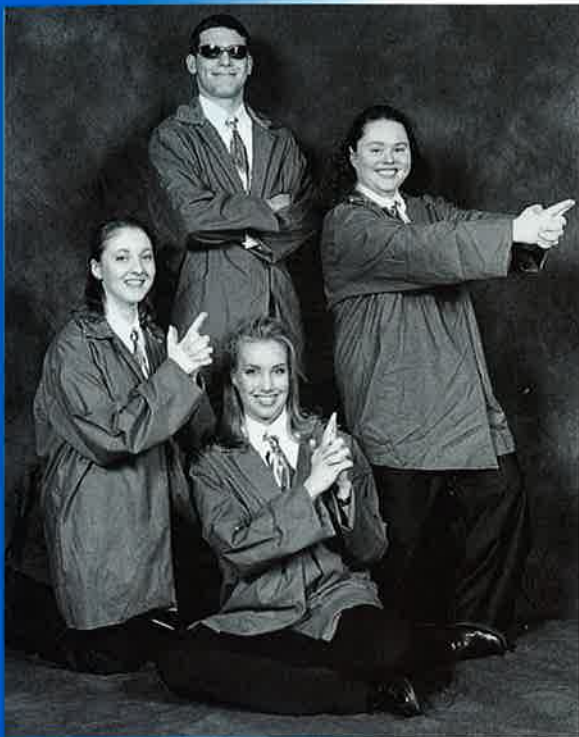

I can feel something inside me say,  
'I really do think it's strong enough.'  
Do you believe in storybook love?  
I can feel something inside me say,  
'I really do think it's strong enough.'  
No matter how hard I try  
Can't keep this feeling inside,  
And I can't break free  
From what you're doin' to me.  
It's so sad that we're leavin'  
It takes time to believe it,  
But after all is said and done  
We're gonna be the only ones.  
Do you believe in storybook love?  
I can feel something inside me say,  
'I really do think it's strong enough.'  
Do you believe in storybook love?  
I can feel something inside me say,  
'I really do think it's strong enough.'  
Do you believe in storybook love?

# Gamma Rho Kappa Gamma Epsilon

We're on, we're on  
We're on a mission.

Come on, have faith  
Your own personal agent  
Someone to save your life,  
No need to fear.  
Your own personal agent

We heard it on our radio  
Now we must go to search this city,  
To search this city  
Both high and low  
Search the city, we'll search this city  
Both high and low.

'Cause we are living  
In a dangerous world,

Thomas Jefferson, James Monroe,  
Fillmore and Harrison No one knows –  
Richard Nixon and Bill Clinton,  
On the cover of the magazines –  
Jimmy Carter, John Quincy Adams,  
All go down in history –  
Bush, Ford, Harding, Taylor, Ronald  
Reagan,  
We were there.  
Each had futures, some met fate.  
Four were killed and laid in state.  
Abraham Lincoln's gratitude,  
George Washington, we love you.  
First ladies with some attitude –  
Presidents that did some good –  
If it's happened, we've been through it –  
Saving the chief, there's nothing to it,  
SO...

## FOR LIFE

Hail to the chief –  
He's the chief and he needs hailing.

Working in the office all day  
Trying to make a difference in the USA  
(USA).

You know we've got to hold on  
To what we've got.  
'Cause I can't make a difference  
If you let me get shot.  
I've got my agents and that's a lot.  
Oh, please, don't let me get shot.  
Oh, please, stay near.  
Don't fear, we're right here.  
Take my life into your hands.  
Sorry, we've got other plans.

The assassin of the President is here  
To kill at will.

We work all night, we work all day  
To make the plans we have to make.  
We want him dead,  
And still the agents want to be  
The ones to save him, set him free –  
That's too bad.  
Trouble, trouble, trouble, we are trouble  
In the President's world.  
Trouble, trouble, trouble, causing trouble  
In your safe little world.

The President's life's in danger

And we are here to save the day.  
You know that we are living  
In a dangerous world  
And Mr. President, you'll be okay.

Murder, murder, it's a nightmare!  
Murder, murder, happened right here!  
Murder, murder, it's a right scare!  
Murder, murder, in the night.

Now there's no point  
In placing the blame,  
And you should know  
I'd suffer the same.  
If I lose you, my heart would be broken –  
How can this be?  
Come back to me.

Now we're free.  
Now we're free.  
Come into a killer's world.  
Come into a killer's world.  
We took him down, he won't get up.  
Now that's too bad, he's out of luck.  
We rule this world, soon you will see.  
The powerful force we're gonna be.  
Your chief's gone away.  
Now we're here to stay.

We thought that it was over,  
But our wish has been granted.  
Now that he has survived  
We will fight, we will continue to thrive!

Another day is done,  
And we barely won.  
We were there for you,  
And we got you through.  
If you need us, let us know,  
And we'll be around.  
Take a chance on us.  
We won't let you down.

We're on, we're on, we're on a mission  
And we go where the brave dare to try.  
We're on a mission  
And we know, it's a race, do or die.  
To serve him, protect him,  
This is our creed –  
Secret service agents will be  
Protecting him for life.

**D – Director**  
**AD – Assistant Director**  
**BD – Backdrop**
