Welcome

We're thrilled to have you join us on this Spring Sing adventure — your golden ticket to the big screen. Our students have worked countless hours to bring you this production, and we're extremely proud of the outcome.

I'm convinced the young people you'll see on stage and those you'll meet around campus are some of the best and brightest students in our nation. By using their talents to lead and to serve, our students uphold the principles upon which this University stands.

Thank you for your visit to campus this weekend, and thank you for believing in Harding's mission. Please let us know if we can be of service to you.

- Enjoy the show!

David B. Burks
University President

A Brief History

Hundreds of Harding students have poured their creative energies and talents into making tonight's show the best Spring Sing production yet.

Spring Sing dates back to 1974 when a group of students planned a small-scale musical showcase for campus guests. Performed with the glamour and excitement of a big-time production, the show you'll enjoy tonight is grander than what they ever imagined.

The musical numbers by social clubs are judged at each performance from four perspectives: choreography, costumes, music and originality. Cash awards, plaques and trophies are presented after the Saturday evening performance based on the compilation of the judges' decisions. Two other awards are also presented — one to the club with the best percentage of club members participating and one to the club that best demonstrates the spirit of Christ during the Spring Sing process.

Thank you for your attendance, and please come back next year!

Jimmie L. Douglass III

Jimmie is a senior health care management major from Searcy and is a member of Health Care Executives and the Arkansas Health Executive Forum. The son of Jimmie and Carol Douglass, his theatrical resumé includes a lead role in the 2002 Homecoming musical, *Once Upon a Mattress*. He is a member of Titans social club and a beau for Shantih social club. Jimmie's peers have honored him as the 2002-2003 recipient of the Regina Spirit Award for exemplifying a servant's heart.

Jennifer Driggers

A junior elementary education major, Jennifer graces the Spring Sing stage this year in her second appearance as hostess. She is a queen for Chi Sigma Alpha social club and a member of Chorus, the Honors College and Regina social club, whose Spring Sing music she is directing for the second year. The daughter of Mike and Ellen Driggers, Jennifer calls Fort Worth, Texas, home.

Holly McDaniel

Holly's stage experience includes performances with Spring Sing Ensemble 2002, Belles and Beaux, and the Homecoming musical *Once Upon a Mattress*. She is a sophomore vocal music major and the wife of Joshua McDaniel. From Indianapolis, Ind., Holly is the daughter of Dave and Teresa Stroop.

Trey Talley

A graduate student from Nacogdoches, Texas, Trey received his bachelor of arts degree in youth and family ministry in 2002 and is currently earning a master of science degree in education. He is a member of Pied Pipers, an improvisational children's theatre troupe, and Delta Chi Delta social club. Married to Paige, he is the son of Bill Talley and Deborah Talley.

Chi Omega Pi, Delta Gamma Rho and Friends

Being new at the academy, the girls are nervous about what the future holds. The cute construction workers and the older girls seem very intimidating. After lots of hard work to prove themselves to the older girls, they all realize it takes everyone sticking together to make a great opening night!

Don't Surf on My Turf!

TNT, Zeta Rho and Friends

Surf's up! The sun is out, and the lifeguards think their jobs on the beach will be a summer vacation — but what the tide brings in is a lot of work ... and adventure! Just when they become hot and tired and decide they can't stand it any longer, cute, cocky surfers try to woo them away from their responsibilities and into the summer sunset. But these lifeguards won't be lured away from their post! The surfers learn just how much they need these lifeguards when they wipe out into the shark-infested ocean. Will this be their last time to ride the waves, or will the lifeguards save the day?

This is No Gangster's Paradise

Kings Men, Oege, Omega Lambda Chi

It's a hard-knock life for the people of New York City. With the stock market down and the job scene empty, the citizens look forward to happier days. Even the notorious gangsters are suffering from some NYPD blues! These guys' dolls convince them (with some help from the local authorities) that even though they love life on the edge, they'd rather have a little law and order. Finally, thanks to Franklin D. Roosevelt, the New Deal gives hope to everyone! Join us as we tell the Great Depression to move on over — because we're moving on up!

We're Country Fair and Square

*Delta Chi Delta, Kappa Gamma Epsilon,
 Kappa Kappa Kappa and Friends*

Bring on the county fair! The hay is bailed; the cows are milked; the corn is planted; and now it's time for the country bumpkins to have a good time. But just as they settle in for a good old-fashioned greased-pig chase, city girls come to steal their men! Disorder threatens these green acres — will things ever be the same again?

Twisters are making regular appearances in the Land of Oz. This time it's Toto's turn to be taken for a ride. Now it's Dorothy's job to find him, but just how far will she go? She'll go way down under in Australia, walk like an Egyptian in Egypt, visit the dazzling Gypsies in Italy, line dance with the cow-girls in Texas, and swing dance in Las Vegas with Elvis and all his friends. This is going to be one wild and exciting ride. So put on your blue suede shoes before Elvis leaves the building!

The news is out! Gold has been discovered in the West, and there are fortunes to be made. Eureka is echoing through the hills. Tired of cramped living and dreary days, we've decided to try our hands at fame and fortune. Join us as we load up the wagons, muster our frontier spirits, and set off in search of warmer days and "gold"en opportunities. We are sure to learn a few lessons about panning and planning along the way, but we won't be disappointed, and we won't give up. So, California, here we come! We're destined to find a life worth living ... whether richer or poorer!
