PRESIDENT'S MESSAGE

I hope that all of you will share with me the encouragement of this year's financial report. There are modest gains in almost all categories. The number of givers (1317) increased this year, over last, (1016) by 301. The percentage giving rose 3.3 per cent from last year's 19.5 to 22.8 for 1960-61. We have made more than a ten per cent gain over the last two-year period. The total amount given by alumni in 1960-61 (\$33,611.24) still is not impressive, and I hope that none of us is satisfied with it. Nevertheless, the figure represents more than a \$1,000 increase over last year. As long as we are gaining on all fronts we will take encouragement.

The class of '59 again this year fulfilled a pledge to give to Harding for the first five years. Ninety-seven pledged and this year ninety-seven gave. This is a fine record. Congratulations to the five classes with the top percentages this year: Class of '26 (100%—we must admit there was one graduate that year; but that grad always gives!) '30 (60%); '43 (65%); '46 (54%); '59 (44%).

Could we raise alumni giving by an additional ten per cent during 1961-62? Lets do it!

Thanks to every one of you for your gifts to Harding College. We hope no one who gave has been left off this list. We want to apologize for the mislocation of some groups of donors listed on page 4. The last 10 names at the bottom of column two should be at the top and the last 13 names of column three should be at the top. These mislocations were discovered too late to correct.
