# The 39th Annual Lectureship Sells Authority of Scriptures

most successful Lectureships in 9:2), and "Many Were Hardened, the history of the school this and Believed Not, but Spake Evil fall

Approximately 5,000 people attended the 48 different sessions scheduled for the 39th Annual Lectureship program. Joe Hacker, director of the program, also reported that a record crowd of 3,500 to 4,000 filed through the food line on Thanksgiving Day for the free barbecue provided by the College for its guests.

This year's event featured about 40 leaders in Christian education representing more than eight Christian colleges. Evening speakers were Batsell Barrett Baxter, H. A. Dixon, Gus Nichols and Frank Pack.

Programs were conducted daily and at night in both the auditorium of the College Church and the auditorium of the Adminstration Building. Visitors also attended special classes for church workers during the afternoon.

A special feature following each lecture was a report by some missionary on the programs both here and abroad.

All lectures and forums were centered around this year's Lectureship theme, "The Authority of the Holy Scriptures."

The 40th Annual Lectureship will be centered around the theme, "Christ — The Way," and is scheduled for Nov. 25-28, 1963

Subjects of interest included on next year's program are "Christ — The Way — A First Century Principle," "Unity "Unity Among Those of the Way," "The Way and the World," "Fullness of Life in the Way," "Challenges for Youth of the Way," "World Tensions and the Way," "The Way to Regeneration," "The Way and Mental Health," "Knowledge and the Way," "More Perfect Knowledge of that Way" (Acts

Harding completed one of its 24:22), "Any of this Way" (Acts of that Way" (Acts 19:9).

> The 1963 Lectureship will be under the direction of Joe Hacker, chairman of the Department of Bible, Religion and Philosophy at Harding.

The 1963 program will follow a similar schedule with classes, forums, lectures and a Thanksgiving barbecue.

New Harding Building Drive Gets Big Faculty-Staff Boost

Harding College administration, faculty and staff recently celebrated a personal fund-raising victory.

Those present at the chapel service on November 17 learned from President George S. Benson that more than \$88,000 had been pledged over a three-year period to help finance the new buildings included in The Greater Harding Program.

Dr. Benson explained, "Planning is far along; a major step has been taken by the faculty and staff. Others will be moved to action by their generosity. I am immensely pleased at your participation. All of you are ambassadors of good will for Harding."

To date 200 of the campus family of 214 have made gifts or pledges. There are 136 pledging a day's pay (or more) each month for the 36 months period.

In addition, 17 more gifts and pledges have come from the Graduate School at Memphis and from the National Education Program staff. Completion of these groups should take place shortly.

Representatives who accepted certificates for the departments having 100 per cent participation are from left (back row): John Lee Dykes, Ron Butterfield, William D. Williams, Virgil Lawyer, Lott Tucker, Harry Olree. Fourth row: Dean Priest, Jack Wood Sears, Herman West, Donald Robinson, Leslie Burke. Third row: Robert Street, Elbert Turman, William K. Summitt, Clifton L. Ganus, Everett Anderson. Second row: George S. Benson, W. T. Pearson, L. C. Sears, Joe Hacker, Erle T. Moore. Front row: Mrs. Corinne Hart, Mrs. Nina Cornyn, Shirley Birdsall, Mrs. Opal French, Mrs. Lewis Ely, Mrs. Mabel French. Several departments participating 100 per cent are not represented in the picture.

Dr. Benson called the campus campaign "a big job done well and quickly.'

He added, "The impetus is coming from within, as it should. You have built a foundation of sacrifice and generosity for the future success of The Greater Harding Program."

Fifteen departments reached both 100 per cent participation and averaged or exceeded a day's pay each month for the whole department. Nineteen other departments reached the 100 per cent participation mark. Over 90 per cent of all faculty and staff in Searcy have pledged or given. with more gifts to come.

One-hundred per cent participation certificates were distributed to the departments at a special chapel program by Virgil Lawyer, chairman of the facultystaff canvass.

### Popular Alumnus William R. Smith Heads Fund Drive

William R. (Bill) Smith, president of Macon Lake Planters and Ginners of Lake Village, Arkansas, has been named Arkansas chairman of The Greater Harding Program to raise \$2,000,000 for Harding College. The appointment was announced recently by Dr. George S. Benson.

Smith, in accepting the appointment as a member of the sponsoring committee, noted that the program was national in scope.

"How quickly we can achieve our goal of \$2,000,000 will be determined," Smith said, "by the promptness of the responses of all the alumni and friends of Harding.

"The friends of Harding from other states will look to Arkansas. We must demonstrate our concern very quickly."

Smith was graduated in 1946. Mrs. Smith is the former Wray Bullington of Athens, Alabama and is a member of the class of 1948

Dr. Benson stated that Harding is now receiving support from a wider area than at any time in its history.

"We are indeed grateful," he said, "that Mr. Smith will head our program in Arkansas for the expansion of buildings and equipment sorely needed by a growing student body and by the National Education Program.
