## Alumni Giving Now Approaches \$207,000 Mark; Full Report Listing Contributors In This Issue

This issue contains the annual report on our alumni giving. The total contributed to the Greater Harding Fund Drive, by cash and pledges, now totals \$206,914.09. Nearly half

of that figure was given and pledged by the faculty and staff of the campuses at Searcy and Memphis.

One can't help but be sad over a 22.6 percentage of our alumni giving. It reminds me of Jesus' statement when ten lepers had been healed but only one returned to thank Him. "Where are the other nine?"

### 1964 Alumni Dinner Set For Wed., Nov. 25

One of the highlights of the 41st Annual Lectureship will be the Alumni Dinner November 25. You are invited to bring your family and guests and enjoy a good meal (only \$1.50), entertainment, and enjoy the occasion with your friends. Tickets can be purchased at the alumni registration desk.

The new dining room at Bill's Restaurant has been reserved. It is located next to the Noble Motel on Highway 67 East and just a few blocks from the college. The time will be 5:00 p.m. and the dinner will be over in plenty of time for the evening activities.

The lectureship has been planned with YOU in mind. Men like Ira North, Cleon Lyles, George S. Benson, John Chalk, Hugo McCord, Jimmy Allen, Bob Marshall, E. W. McMillian, C. W. Bradley, Jim Bill McInteer and others will discuss

Alumni, take a careful look at the percentage of those who gave in their respective classes. Note that during the depression years of the 1930's and the war years of the early 1940's, students must have appreciated more the sacrifices made on their behalf for education. From 1930 to 1946, a seventeen year period, the percentage of those giving exceeds 40% eight times. From 1947 to 1964, an eighteen year period, it does not exceed 40% even once. Yet, these are the years of our nation's prosperity.

What do you say "fat year graduates?" How about shaking loose and helping the ole Alma Mammy a little?

various phases of the theme, "My God and I."

Thanksgiving Day everyone will be the guest of the college for a barbeque dinner.

# President Discusses Increased Enrollment, Recent Accomplishments of Faculty and Students

By Virgil Lawyer, Association President

By the time you read this many of you will have already read the news of our record breaking enrollment (1232) in the monthly bulletin. I feel our alumni are to be given much of the credit for this fine enrollment.

Last winter we sent you a form requesting the names and addresses of prospective students. The response was excellent. We will be doing the same this year and are again counting on your help.

### Enrollment Increases Needs

The increased enrollment reminds us anew of the need for additional facilities. In one of the women's dormitories we have had to assign three to a room on all of one floor and part of another. The boy's dorms are completely full.

The auditorium which seats nearly 1300 people is jammed when our students and faculty gather for the daily chapel service. Classroom space is at a premium.

We are not complaining. Quite the contrary — we are happy! But, we do want all of you to be conscious of our need for these new buildings we are working for. Our cafeteria is over-loaded trying to take care of one thousand plus students who eat there three times daily. Our science facilities are inadequate to do the kind of job we know needs to be done to best equip our students for this field of work. Therefore, if you haven't already given to the Greater Harding Fund Drive, we hope you will join the many loyal alumni who have already contributed.

### Current Events

The recent accomplishments of the students and faculty deserve mentioning. Dr. R. T. Clark is in Tokyo, Japan, at the time of this writing, reading a paper to a gather-

ing of world renowned scientists. His paper is simply a report on results of research carried on right here on our own campus.

Dr. Joe Pryor and the *Petit Jean* staff have racked up their fifth straight All-American yearbook.

Ken Davis and the Belles and Beaux are winding up their third overseas tour in five years. This trip was in the Caribbean area.

Harding's cross-country team is probably the strongest college team in a four or five state area.

Our drama department continues to produce plays equal to those of professional status.

Add to these accomplishments the continued emphasis on evangelism and world missions found at Harding and one cannot help but be persuaded that Harding is still worthy of our support. We are counting on all seven thousand plus alumni to join together and keep Harding the great avenue of service she has always been.
