## Program Information

### HOUSING

Guy Petway, manager, American Heritage-Alumni Building, will take reservations for that building on a first-come, first-served basis at regular rates for rooms there. Other housing is available in local hotels and motels. Because of crowded dormitory conditions at the college this year, it will not be possible to furnish free housing to guests. Many people, as in the past, will continue to make their own arrangements with friends in Searcy.

### TAPE RECORDING

All lectures in the College Auditorium and the American Heritage Auditorium will be tape recorded. Guests are asked not to bring tape recorders to these auditoriums. Copy tapes will be available within a week after the lectures at the wholesale cost of the tape — \$3.00 per 1,200 foot reel. This will cover two hours of lectures double-track or one hour single-track.

### DISPLAYS

There will be a special display room in the American Heritage-Alumni building for special church projects, commercial displays and missions exhibits. Space will be furnished at no cost to the exhibitor. For space reservation write W. J. Hacker, Chairman, Bible Department.

### SPECIAL MEETINGS

A number of special dinners and luncheons are scheduled in connection with the Lectureship. Those included within this program were arranged before printing. Others will be announced at Lectureship assemblies. All elders and preachers are invited to attend the annual elders' and preachers' dinner with L. C. Sears as speaker.

### EVENING LECTURES

Each evening there will be two speakers. One will be speaking in the College Auditorium while the other is speaking in the College Church Auditorium. The College Church is located at 712 E. Race Ave., two short blocks north and one block west of the main campus gate.

You will notice that each speech for Monday evening is repeated at the other location on Tuesday evening. The same procedure is followed on Wednesday with each lecture of that evening being given at the opposite location on Thursday evening.

### LECTURESHIP PARKING

There is ample parking space behind and on the west side of the College Church building in the new church parking lots. In addition to the large parking lot adjacent to the College Auditorium there is a larger new lot across the railroad track from the regular parking entrance.
