Plan for Business Building Nearing Completion

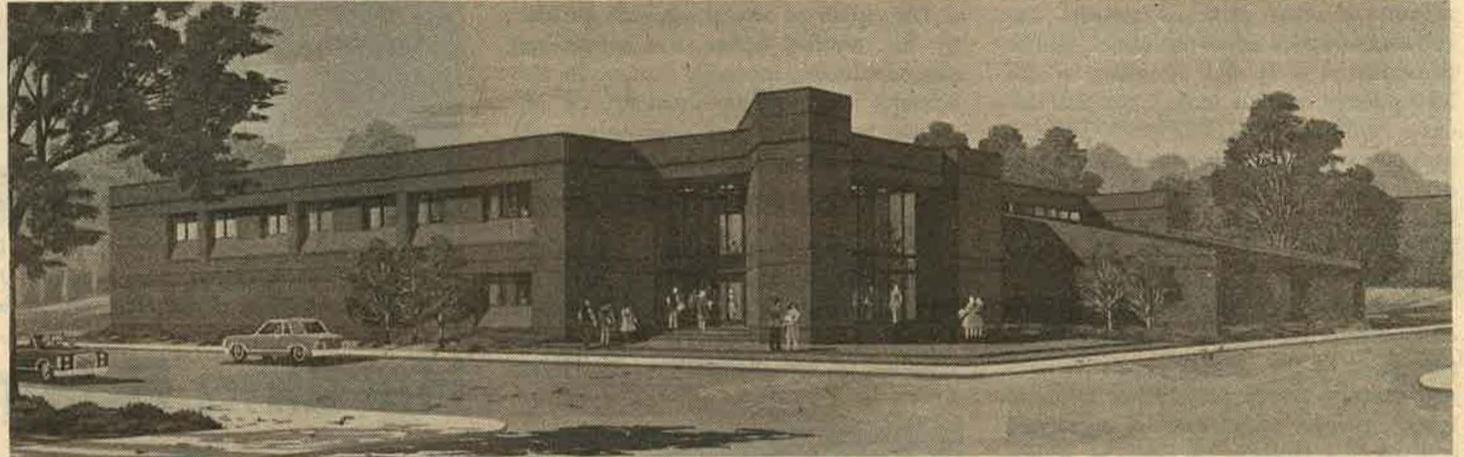

Groundbreaking ceremonies for the Business and Economics Building are being planned for March, according to Harding President Clifton L. Ganus Jr.

Plans for the building are being finalized, Ganus said, and construction may begin as soon as the remains of the old Academy building are removed from the building site. Razing of the Academy began in January and is nearing completion.

The two-story, 33,000-square-foot business building is to serve as a center for business and economics classes and for the American Studies Program. It will also house the Belden Center for Private Enterprise Education, the Educational Media Center and the Computer Center.

The structure will contain 11 classrooms, 19 faculty offices, a seminar room, a study lounge, a conference room and a reception area.

The Computer Center will house a new and separate educational computer system. Space will be provided for 42 terminals, which will be used by the students. The existing system, located in the Administration Building, will be reserved for

The artist's rendering of the Business and Economics Building depicts a 33,000-square-foot structure standing two stories high. The facility is to be located on the southern corner of Center and Blakeney Streets, the former site of Harding Academy. Construction on the building is expected to begin in March.

administrative purposes.

The cost of the building has been estimated at \$1.5 million, with \$200,000 for furnishings and \$100,000 for the computer equipment being additional.

Construction of the facility was projected as a part of a \$5.6 million Phase IV

development program announced in November 1979. The program, which included plans for the Academy, the business center and an addition to the Science Building, was partially funded by a half-million dollar Searcy Fund Drive. Pledges from the community reached \$570,000,

according to Lott Tucker, vice president for finance and coordinator of the drive.

"We look forward to opening our business center in the fall of 1982," Tucker said. "Then we hope to begin our \$400,000 addition to the Science Building."

Working on the Advisory Committee for the 1979 fund drive were John Paul Capps, Leslie Carmichael, Richard Deener, Robert Edwards, Clifton L. Ganus Jr., Wayne Hartsfield, Perrin Jones, Ed Lightle, Orrill Morris, Jack Powell, Phil Pyeatt, Porter Rodgers Jr., Reynie Rutledge, Troyce Smith, Jack Wiseman, E. O. Yancey and Albert Yarnell.

Leadership Committee members were Tucker, Kevin Barry, Darol Bell, Pete Cole, Floyd Daniel, Deener Dobbins, Elbert Eubanks, Burney Lightle, Bob McKinney, Dwane Treat, W. D. White and E. D. Yancey.

Former Faculty Presented Trustee Award

Dr. R. R. Coons and his wife, Dr. Callie Mae Coons, were named recipients of the 1980 Trustee Award during the annual meeting of the Board in November.

The award was presented to the couple in Sweetwater, Texas on December 13, 1980. Present to bestow the honor were Board members Richard Burt and Milton Peebles, as well as Harding President Clifton L. Ganus Jr. and Special Representative Al Fowler.

The honorees were presented a certificate which expressed "deep appreciation for their long, fruitful lives in the service of their God and His creation, their accomplishments in scientific research and service to our nation, their genuine interest in the education of young people, their tremendous assistance to Christian education and their abiding faith in and helpfulness to the work at Harding University."

According to Ganus, the Trustee Award is given annually "to someone whom the Board considers to have been of great assistance to Harding University and to possess the character and spirit that Harding tries to instill in the lives of her young people." The Coons were honored in view of their character, spirit, attitude and helpfulness to Harding, Ganus said.

Both honorees are former professors and department heads of Harding. Dr. Coons, noted for his research in analytical chemistry and for his teaching methods for freshman chemistry, served as chairman of the chemistry and physics department from 1924-26 and from 1933-37. His wife, who has earned recognition in her studies of metabolism, nutrition and dietary analysis, headed the home economics department from 1924-26.

The Coons have taught and worked with

Dr. Callie Mae Coons and Dr. R. R. Coons

other colleges and universities throughout the United States, including Abilene Christian and Pepperdine. Mrs. Coons also served for several years as director of the Human Nutrition Research Division of the U.S. Department of Agriculture and as a member of the advisory committee for the White House Conference on Family Life.

The couple established in 1972 an Endowment Fund to strengthen Harding's physical and biological science programs. To support the fund, they donated to the

University their 226-acre farm in Leesburg, Va. In 1978 they set up the Coons-Farrar Fund, in memory of Mrs. Coons' mother, Catherine Ann Farrar Williams, who spent many years in service to the sick, injured and newborn. The Coons-Farrar Fund provides scholarship aid and equipment for selected premedical and allied health students.

The Coons' daughter, Irma (Mrs. G. F.) Terpenning of Frenchtown, N.J. graduated from Harding in 1953.

Bible Lectureship, Homecoming Set

Two major annual events, the 58th Harding University Lectureship and Homecoming '81, are now being planned for October.

The Lectureship, scheduled for Oct. 14-17, will feature lessons on the theme "Love One Another."

"We're experimenting with a different format this year," said Lectureship Director Neale Pryor. The program will begin on Wednesday evening and go through Saturday. In past years, the Lectureship has been held from Tuesday-Friday.

"This schedule should be more convenient for those who can only get away on the weekends," Pryor said. The Lectureship will end Saturday at 3 p.m., allowing optimum traveling hours for Lectureship guests.

Homecoming, planned for Oct. 30-31, will include many traditional activities. Guests of honor during the weekend will be members of the classes of 1956 and 1931.

Class reunions, special banquets and other festivities will be coordinated by David Crouch, director of alumni relations.

Details of these and other fall events will be available in upcoming issues of the *Bulletin*.

Diffine to be Honored By Freedoms Foundation

Dr. Don Diffine, associate professor of economics, has been named a recipient of the 1980 Award for Excellence in Private Enterprise Education by the Freedoms Foundation of Valley Forge, Pa.

Thirteen national honorees will be announced at the Valley Forge National Headquarters of Freedoms Foundation on Washington's birthday, Feb. 22, along with winners of other principal awards. The Private Enterprise Education awards will be presented at a special ceremony at the Valley Forge campus May 7. On that occasion, Diffine will be presented \$7,500 and a plaque attesting to his award. During the day, guests will tour the Freedoms Foundation, visit Valley Forge National Historical Park and honor the award recipients with a reception and dinner.

The Private Enterprise Education Awards of Excellence are funded by a special five-year grant by the trustees of the Thomas and Dorothy Leavey Foundation, to honor school teachers and faculty of accredited colleges who excel in teaching the private enterprise system. Now in the fourth year, the awards reflect the Freedoms Foundation's interest in "economics education programs which will help young people better understand the private enterprise system."

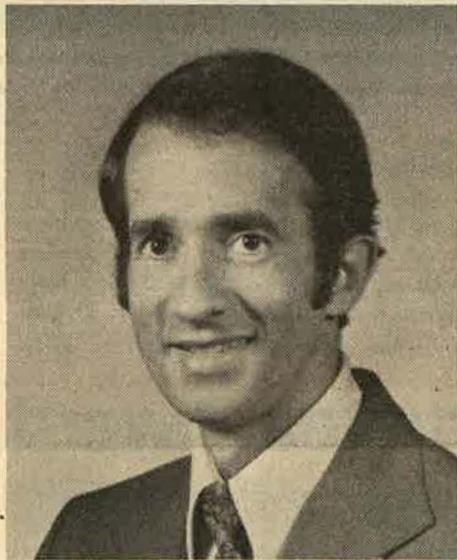

Diffine was nominated for the honor by National Leadership Methods of Austin, a sponsor of economics competition, on the basis of his involvement with Harding's national co-championship economics team. Upon request by the National Awards Jury, Diffine submitted a copy of "Freedom Needs Free Enterprise," a compilation of pictures, samples and summaries of free enterprise projects conducted by the economics team last year. The booklet will be added to the Freedoms Foundation's awards library.

Diffine holds the B.A. in economics from California State University - Long Beach,

the M.A. from St. Mary's University in San Antonio and the Ph.D. from the University of Mississippi. He has taught economics at Harding for ten years. In addition to coaching the economics team, he serves as director of the University's Belden Center for Private Enterprise Education and as editor of the Center's quarterly newsletter, the *Entrepreneur*.

The author of several scholarly articles, he has testified before a Congressional subcommittee on economic matters. He also consults with various companies on improving work force and constituency and conducts business and economics seminars for educators, executives and opinion leaders.

The winner of six previous Freedoms Foundation awards, Diffine is listed in *Personalities of the South* and *Outstanding Educators of America*. He is a charter member of the Association of Private Enterprise Education.

Don Diffine

Diffine and his wife, the former Dion Hillman, have two children.

Summer Art Courses to be Offered On Branch Campus in Florence

Harding's art department is offering a five-week summer session in Europe, scheduled for May 11 through June 22. Designed for students who would like to participate in the International Studies Program but do not feel that they can take an entire semester to do so, the tour combines travel and study to the fullest advantage of the University's branch campus in Florence, Italy.

Florence is considered by many the loveliest of European cities. Nearly every street and square contains showpieces commemorating the Middle Ages and the Renaissance. Some of the attractions for the art student are the architecture of Giotto, the paintings of Botticelli and Leonardo da Vinci, the sculpture of Pisano and the ceramics of della Robbia. Other sights include the Duomo cathedral, with the adjoining 14th Century bell tower, the Uffizi Gallery and the variety of artworks in the Pitti Palace.

The tour program will include visits to museums and art galleries in more than a dozen European cities, such as Munich, Vienna, Venice, Rome, Pisa, London, Paris and Amsterdam. Students may earn up to six hours of undergraduate credit.

Courses offered will be Art Appreciation, Ancient through Medieval Art History, Art History: 15th-19th Century, Modern Art History and Western Culture, a sociology class. Also, students may earn 1-3 hours in an approved independent study in art.

Directing the tour will be Elizabeth Mason, professor of art, who has traveled and lectured extensively in Europe.

Further information about the program may be obtained by writing Professor Elizabeth Mason, Box 938, Harding University, Searcy, Ark. 72143.

Enrollment is 2,833 For Spring Semester

Enrollment for the spring semester at Harding is 2,833, according to Registrar Virgil Beckett.

The figure shows an increase over the 2,776 who attended Harding last spring, but a decrease from the fall enrollment of 3,086. Much of this decrease is due to the graduation of 84 students in December.

The student body has come together from 47 states and 19 foreign countries. There are currently 758 freshmen, 659 sophomores, 576 juniors, 757 seniors, 64 graduate and 17 post-graduate students and 2 special classification students. There are 91 students in their first semester here.

Of the total enrollment, 2,630 students are full time and 2,144 are housed in University facilities.

Members of the Harding Business Team are (left to right) Seated: Lolly Elam, Hot Springs; Chris Genry, Birmingham, Ala. Standing: Jim Henderson, adviser; Walt Smith, Searcy; David Burks, adviser; Mark Wilmoth, Idabel, Okla.

Harding Business Team Enters Emory Competition

Harding has entered the Emory Intercollegiate Business Gaming Conference, re-establishing competition after a three-year layoff. During the 10 years in the games, Harding teams won the conference title four years and placed second in three other years.

Dr. David Burks, dean of the School of

Business and adviser for the team, has announced the 1981 team, one of 27 in the selected group of competitors, as Walt Smith of Searcy, president; Lolly Elam of Hot Springs, vice president of marketing; Mark Wilmoth of Idabel, Okla., vice president for finance; and Chris Genry of Birmingham, Ala., vice president of production. Smith is a computer applications major; the others are majoring in accounting. Dr. Jim Henderson, assistant professor of accounting at the university, is also an adviser to the group.

AWH Meeting Set April 24

All members of Associated Women for Harding, whether affiliated with a chapter or included in the at-large membership listing, have been invited to the Searcy campus for the annual general meeting of the organization on April 24.

Mrs. Betty Woods, Women's editor of the *Arkansas Democrat* in Little Rock, will address the group on ways to handle AWH publicity in the media. Also included in the program, set for 8 a.m. to 12 noon, will be presentations by Jim Bill McInteer of Nashville, Tenn., a member of the Board of Trustees, and President Clifton Ganus.

A coffee and registration will open the morning's activities and the group will attend chapel at 9 a.m. in the Benson Auditorium. Entertainment will be presented during the morning also.

Chapter presidents will make brief reports of the year's programs and progress. The group will be dismissed at noon and attendants will be free for lunch on their own. Miss Brenda McClain of Little Rock and Mrs. Al Jolly of Cabot, co-chairmen for the general meeting, encouraged members to come to Searcy for the meeting. "When we get together at times like this," they said, "we can generate enthusiasm for the organization and encourage each other through sharing of ideas and ways to be of help to Harding University."

On Saturday, April 25, the National Council of AWH, composed of about 15 ladies from several states, will meet for a planning and review session. Mrs. Jan Burt of Richardson, Texas, president of the national council, will be in charge of the meeting.

The sessions were planned to coincide with the semi-annual meeting of the President's Development Council.

According to the rules of this year's conference, the schools are divided into companies to simulate the soft drink industry. The teams will submit decisions each two weeks based on a corporate and marketing strategy report submitted earlier to Emory. Marketing, production and financing decisions will be made for a period of 12 quarters, representing a simulated three-year period.

For the first time, teams will not know which of the competitors comprise an industry. Identification of team members will not be known until the groups assemble in Atlanta for the final competition Feb. 27-28, when industry winners and the overall conference winners will be named.

At the end of the simulation, all teams will make a presentation to a panel of judges in Atlanta relative to strategy. Game play will also be considered by the judges and a written summary will count toward the overall win.

"The team is working hard to establish Harding once again as a leader in the Emory competition, Dr. Burks said, "and I expect them to be very competitive."

ATTENTION ALUMNI!

On Friday night, April 10, after evening services at Tulsa's Soul Winning Workshop, Tulsa, Okla., the alumni in the Tulsa area will host an informal reception for all visiting Harding alumni.

The location has not yet been announced, but may be learned later by contacting Ray Wilburn of 7532 East 54th Street, Tulsa, Okla. 74145, (918)628-0208.

Moore Baseball Diamond to Be Dedicated April 4

Official dedication of the Jerry Moore Baseball Field has been set for April 4, according to Harding University President Clifton L. Ganus.

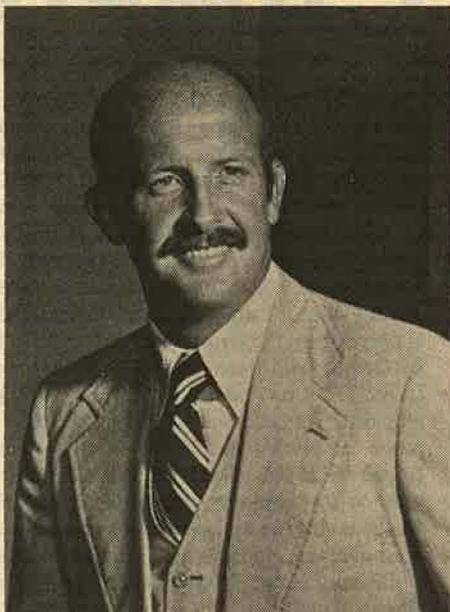

The new facility will memorialize Jerry Moore, a 1971 graduate who was killed in an airplane accident in Searcy, February 18, 1978. Moore was an All-Arkansas Intercollegiate Conference baseball player and served as a graduate assistant coach for the Bison team.

He was a member of the A Cappella Chorus and served as sports editor of the 1970 Petit Jean yearbook. After graduating from college he served six years in the United States Navy as a pilot, being discharged with the rank of lieutenant.

"We are especially pleased that we can join with the Moore family in this way," Ganus said. "Jerry was an outstanding young man who contributed a great deal to all with whom he came in contact."

The dedication ceremonies will begin at 1 p.m. and will precede a doubleheader between Harding and Ouachita Baptist University.

Special guests for the dedication will include his widow, Becky Ross Tubbs of Sparta, Tenn. and members of his family,

Jerry Moore

his parents, Mr. and Mrs. Ernest Moore of Searcy, brothers Waymon of College Station, Texas and Ronald of Marshall, Mo., and sister Brenda, now Mrs. Steve Miller of Searcy.

Ganus indicated that former teammates

and friends are also invited to participate in the event.

To commemorate the dedication, a bronze plaque will be affixed to a large native rock and located close to the backstop of the field. An archway, similar in style to the landmark on the University campus, will be built over the entrance to the park.

According to Bison baseball coach Dick Johnson, the new field will be "perhaps the finest in the state." He indicated that nearly two years of preparation and planning have gone into making the facility "one we can all be proud of."

Johnson said the field will measure 330 feet down the foul lines, 380 feet in the power alleys, and 400 feet in center field. The park will have a grass infield, metal

bleacher seating and be completely enclosed by wire fencing.

Lights for the facility will be underwritten by the Downtown Bison Booster Club, which organized and promoted a Jog-a-thon to raise funds for the project.

Additional features include a 15 x 8 foot electronic scoreboard and 30 x 15 foot countersunk dugouts. New dressing room facilities have been accomplished by renovation of the south end of the Alumni Field Athletic Building. The area has been repainted and carpeted and will provide the baseball team with its own dressing area.

The site of the baseball field is immediately south of the Athletic-Physical Education Complex which is situated on the southeast corner of the University campus.

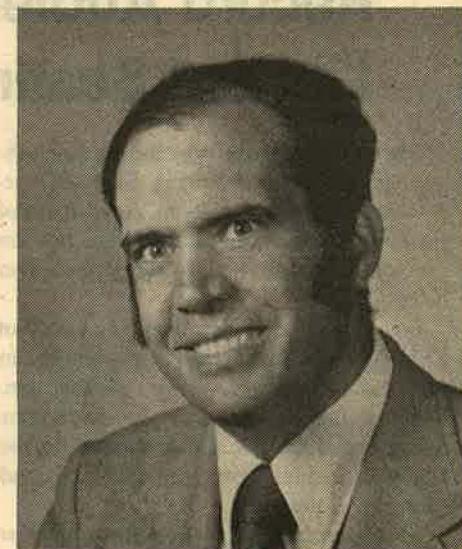

Underwood Receives Doctorate

Eugene Underwood, associate professor of English, received an Ed.D. in the college teaching of English from East Texas State University in Commerce Dec. 19.

In completing the doctorate, Underwood compiled a professional paper entitled "Overland Stages: A Socio-Linguistic Study of Place Names Along a Portion of Arkansas' Southwest Trail." The study involved the cataloging of approximately 2,200 present and former names of mapped cities in White, Independence, Jackson, Lawrence and Randolph Counties.

"All five are northern counties which touched on the old Southwest Trail, a military road which served as one of the major immigration routes into Arkansas," explained Underwood. Many towns in that hill and delta region were given personal names or the names of prominent wildlife. "Some of the names provide an historical record of different types of plants and animals which used to exist in the area but are no longer there," he said.

Underwood has taught at Harding for

Eugene Underwood

eleven years. The Troup County, Ga. native earned the B.A. in Biblical languages from Harding and the M.Ed. in English education from Auburn University.

Before joining the Harding faculty, Underwood taught at Montello Junior High School in Lewiston, Maine, at Troup High School in LaGrange, Ga. and at Southern Union State Junior College in Wadley, Ala.

Underwood and his wife, the former Mary Jane Christmas of Brownsville, Tenn., have three children.

ON THE COVER: Kim Adams, a junior physical education major from Dallas, reigns as Winter Festival Queen. The annual Festival is sponsored by the GATA social club as a fund-raising event to send underprivileged children to summer camp at Wyldewood. This year the club collected donations totaling \$322. Miss Adams was crowned and presented with her court during half-time at the Bison-Ouachita basketball game played at Harding Feb. 9.

Students Recognized for Work On Community Research Project

A group of economics and business students, chaired by Sally Florence of Worthington, Ohio, recently completed a 1980 edition of *Locating in Searcy, Arkansas — Facts for Business and Industry*.

For six months, the eight-member task force assisted the Searcy Chamber of Commerce in researching, writing, typing and binding the publication.

The service project required approximately 1,000 unrecompensed hours of student labor, according to Dr. Don Diffine, director of the University's Belden Center for Private Enterprise Education.

"The project not only saved the city a considerable amount of money, but also involved a number of students directly in private enterprise education," Diffine stated. "It was a relevant, practical and interesting experience for the economics

students and, at the same time, helped Searcy by providing a current and complete course of city information. The facts index will be available to businesses and industries considering Searcy as a possible site for location," he explained.

The 160-page publication provides a brief economic history of Searcy and describes the area's agricultural and industrial conditions. Information is also given on the city's churches, civic groups, media, government, public services and educational and recreational facilities.

The book was presented to the Chamber of Commerce on Dec. 1, during their annual meeting. Miss Florence was awarded a special plaque in appreciation for her committee's efforts in preparing the book. A plaque was also given to Diffine, recognizing his guidance of the workers.

A senior economics major, Miss Florence participates in the American Studies Program and has been active in Venezuelan campaigns and dramatics. She is a member of Tri-Sigma Delta social club and the national co-championship economics team. She has also been named to Who's Who.

Sally Florence displays the plaque of appreciation given to her by the Searcy Chamber of Commerce after her committee's completion of the Searcy booklet.

Journalism Society Adds 14 Members

The Harding Chapter of the Society for Collegiate Journalists recently inducted 14 students who have shown an interest in the campus media.

This national honorary society elevates the cause of mass communication on the collegiate level, teaches the students the ethics, techniques and mechanics of mass communication and encourages student participation in the campus media.

Inductees were David Bedgood, Bossier City, La.; Jim Bradley, Memphis, Tenn.; Julia Brant, Cardwell, Mo.; Laura L. Brown, Bridgeport, Ohio; Kathy Cage, Branson, Mo.; John Cooper, Parkersburg, W. Va.; Penny Dorsey, Nederland, Texas; Philip Gould, Searcy; Roberta Gully, Taft, Calif.; R. Greg Hurst, Dallas; James Murphy, Florissant, Mo.; Beth Parker, Monroe, Ga.; Karen Post, Searcy; Terri White, Goodlettsville, Tenn.

The Society is under the leadership of Betty Ulrey, sponsor; Sue Baj of Agawam, Mass., president, and Boo Mitchell of Texarkana, Ark., secretary-treasurer.

Myhan Honored at UT For Highest G.P.A.

Jerry Myhan, assistant professor of nursing, was presented the Faculty Award for Highest Scholastic Average in the Class of 1980, upon completing his master's degree at the University of Tennessee College of Nursing in December.

Myhan received the master of science in nursing degree in family community health, following a year of study and the completion of a professional paper entitled "The Association of Infant Feeding Positions to the Occurrence of Middle Ear Disease." Throughout his course work, he maintained approximately a 3.9 grade point average.

Dr. Marie Josberger, dean of the UT College of Nursing, and Dr. Elinor Reed, chairman of the Faculty Association, presented to Myhan a plaque acknowledging his high scholastic achievement following the University's commencement exercises Dec. 13.

A native of Florence, Ala., Myhan received the B.A. degree from Harding in 1972, with majors in biology and Bible. He earned the bachelor of science in nursing degree at St. Louis University.

Myhan has served as staff nurse for John Cochran Veteran's Hospital in St. Louis and for Shaw U.S.A.F. Regional Hospital in Shaw, S.C. He joined the nursing faculty at Harding in June 1978.

Myhan and his wife, the former Dianne Doty, have two sons.

Entertaining during Spring Sing '81 will be (left to right) Ricky Qualls, Leslie Pigg, Marcia Shepherd and Chris Dell.

Spring Sing '81 Record Audience Anticipated, Limited Seating Still Available

Plans are well under way for the April 16-18 performances of Spring Sing '81, according to Dr. John H. Ryan, coordinator of the event. Tickets for the show are now on sale and may be ordered using the coupon below.

Fourteen separate acts involving a total of 23 social clubs have already been entered in the annual variety show competition. Various clubs will portray pirates, Indians and chimney sweeps. Other themes for the show will include Broadway, the circus and "City vs. Country."

"Plans are moving along better this year than ever before," Ryan stated. "The responsibilities of preparation are met better each year." Participating clubs are selecting themes and preparing costumes earlier each year, Ryan said, indicating their interest in progressing toward a more professional and even more enjoyable show.

Hosting Spring Sing this year will be Chris Dell and Ricky Qualls, joined by hostesses Leslie Pigg and Marcia Shepherd.

Dell, a senior psychology major, is minoring in Bible and music. A member of the A Cappella Chorus and Chi Sigma Alpha social club, he has also been active in drama. Dell was married to Vicki Durrington, a 1980 Harding graduate, in December.

A senior music education major, Qualls is earning a minor in education. The Camden, Ark. native is a member of the Belles and Beaux troupe, the A Cappella Chorus and

Galaxy social club.

Miss Pigg, a sophomore from Houston, Texas, is majoring in English and minoring in music. She sings with the A Cappella Chorus and is in Belles and Beaux and OEGE social club. Last spring she was named "Outstanding First-Year French Student." Her sister Leigh Ellen served as Spring Sing hostess in 1979.

A native of Ann Arbor, Mich., Miss Shepherd was formerly a student at Michigan Christian College. Now a junior, she is a member of the A Cappella Chorus, Belles and Beaux and Shantih social club.

Of the quartet, Music Coordinator Jeff Hopper said, "Their voices blend very well. They are a very talented group, with quite a bit of stage experience.

"We're trying to develop individual songs to a greater extent this year," he added, "with more appropriate costumes and even props." The show may include some new technical ideas, too, such as special-effects lighting, he said.

"We're also planning a big finale," said Hopper. "The number will include some extra people, members of selected clubs."

The Spring Sing spectacular was viewed by 10,000 last year, and Ryan expects a larger total audience this year. Four performances have been scheduled, including three evening showings and one matinee. Ticket orders should be mailed as soon as possible, to insure seating at a preferred performance.

Formed in 1969, the committee has upgraded football helmet standards to reduce injuries during competition. The committee is now engaged in an effort to raise the safety standards for batting helmets and for ice hockey face masks and helmets.

Students Assist Mission Team, Broaden Experiences in Nursing

Nancy Clark, assistant professor of nursing, and two senior nursing majors worked as part of a medical mission team in Panama Jan. 16-25.

Joella Lovering of Baton Rouge and Mary Copeland of East Point, Ga. were the first Harding students to participate in the project in Panama. Mrs. Clark had made four previous trips to the area, which is visited regularly by medical teams organized by the Lincoln Church of Christ in Huntsville, Ala. Interpreters and Bible instructors are selected from among the students at the Panama preacher training school, which is supported by the Geyer Springs Church of Christ in Little Rock.

Approximately 40 people are involved in each mission, according to Mrs. Clark. The group usually includes several dentists and hygienists, a pharmacist, doctors, nurses and a number of aides and assistants. The students who participate in the effort are selected on the basis of interest and scholarship.

"During January we went into the Bushland to work with the native Panamanians," Mrs. Clark said. "We saw approximately 1,500 patients while we were there. We gave them vitamins, soap, toothpaste and combs and taught them how to use these items."

Mrs. Clark plans to be among another mission team March 14-22, as they travel to the San Blas Islands to provide medical care for the Cuna Indians. Student nurses making the trip will be Cathie Binns of Searcy, Debra Campbell of Chula Vista, Calif. and Melissa McCluggage of Greenwood, Ind.

More than 2,000 islanders accepted health care from the missionaries last year, Mrs. Clark said, and the group hopes to see as many as 4,000 patients during the upcoming visit.

When the medical teams depart after a mission, supplies are left behind and district doctors are notified of chronic illnesses or special needs. Students from the preaching school continue to work with those whom they have contacted.

"Mission work provides a learning opportunity which is not available to our students in the States," said Mrs. Clark. "The teams work much more closely than they would here, and we get to know one another better. It's a very good experience."

College Bowl Team Competes at A&M

Harding finished seventh in a field of eleven squads in College Bowl quiz competition at College Station, Texas Feb. 7.

Institutions from Texas, Arkansas and Louisiana competed in the Region 12 contest, with Tulane University emerging as the regional champion.

In the double elimination tournament, Harding lost the opening match to Tulane, defeated Baylor and then lost to Texas A & M. Placing ahead of Harding in the standings were Tulane, University of Texas, Rice, University of Arkansas, Texas A & M and Texas Christian University.

Following Harding were Baylor, Stephen F. Austin State University, Sam Houston State University and Trinity University. Harding and Trinity were the smallest institutions represented in the tournament.

Harding's team captain was senior Greg York of Louisville, Ky. Other starting players were senior Jon Sherrod of Belle Mead, N.J., junior Joel Ragland of Cookeville, Tenn. and senior Rick Foster of Memphis. Eugene Smith, a senior from Dallas, served as alternate, playing in one match. Senior Philip Gould of Searcy and freshman Wade Huffman of Fayetteville, Ark. served as scorekeepers. The team was accompanied by all three coaches, Fred Jewell, Larry Long and Dennis Organ.

"We are very proud of our team's performance," stated Organ, suggesting that Harding's small size and inexperience appeared to other teams to be disadvantages. "I think our victory over Baylor was the upset of the tournament, and our showing against Tulane was very strong. We learned some things that we hope will help us do even better next year."

Summer Activities to Include Classes, Tours, Special Programs

Intersession, a 17-day semester of accelerated study, will launch the summer academic program at Harding May 11-27.

Students may earn four semester hours of credit during the two-week period. According to Dr. Jimmy Carr, director of summer programs, there will be more than 20 courses offered. The Intersession program, now in its fifth year, accommodated 370 students last year.

Also beginning May 11 will be the Youth Minister's Seminar, which will conclude May 15.

The two regular summer sessions will be held June 8-July 10 and July 13-Aug. 14. More than 100 courses will be offered in various fields of study.

Summer sessions have several advantages, according to Carr. By combining the intersession with the maximum 14 hours of summer credit, a student may complete an entire semester's work, at a significant savings on room and board. The quiet atmosphere of the campus from June until August is ideal for concentrated study.

"More than 800 students took advantage of the summer classes last year," Carr said, "and we expect as many as 1,000 this year. We have an excellent summer offering. In addition to our regular classes, there will be several workshops and seminars, as well as our study tours." Both the School of Business and the department of art will conduct European study tours, holding classes at the University's branch campus in Florence.

On the Searcy campus, two workshops will focus on reading abilities. Diagnosis and Correction of Reading Difficulties will be taught June 8-24 and Clinical Reading will be offered June 25-July 10. Kindergarten workshops will be held June 25-July 10 and July 13-29.

Offered July 13-21 will be a course in child welfare. During the first two days of the class the Children in Crisis Seminar will be held. Designed for teachers, parents, social workers and day care personnel, the seminar will deal with environmental and skill development problems which face children.

Other special programs scheduled for the summer are an Advanced Studies Program, in which superior junior and senior high school students may earn college credits, and a Developmental Program, designed to help incoming freshmen strengthen their academic skills. Harding will also host the

4th Annual National Conference for Christian Schools June 25-27.

Several camp programs are scheduled too. For boys ages 7-16 an active month at Camp Tahkodah is planned June 7-July 3. Camp Salado, a Bible camp, will be open to 8-19 year old boys and girls July 19-31. Several sports camps are planned throughout the summer. The Tahkodah music camp, directed by Harding's music faculty, will be held Aug. 11-20.

For further information about summer programs, contact Dr. Jimmy Carr, Director of Summer Programs, Box 1224, Harding University, Searcy, Ark. 72143.

Italian Campus Hosts 27 During Spring Study Tour

Twenty-seven students, led by Drs. Carl Mitchell and Ray Muncy, will spend the spring semester at Harding's Italian branch campus. The International Studies group departed for Florence on Feb. 4.

Studies during the semester will include Western Heritage, a course offered only on the foreign campus. Required for all tour participants, the class integrates European art, music, history, philosophy, religion and literature and will be taught by Muncy, chairman of the history and social science department. He will also supervise a survey course entitled Ancient, Medieval and Renaissance History.

Mitchell, a professor of Bible, will teach elementary Italian and two Bible courses concerning the Biblical world and archaeology and the life and writings of the apostle Paul.

The group will tour Florence, Athens, Ancient Corinth and Delphi before returning to Searcy May 6. Students making the trip may earn as many as 16 hours of credit.

The tour leaders are accompanied by their wives, Frankie Mitchell and Eloise Muncy. Also among the group is one senior, Julie Swann of Bloomington, Ill., a speech major.

Other study-tourists are juniors Susan Broughton of Dallas, pre-law; Vivian Brown of Searcy, education; Robin Harvill of Bossier City, La., public relations; Gale Messick of Mountain Home, Ark., history; Kim Styron of Houston, mass communications; Ronda Street of Memphis, music education, and Anthony Parham of Mt. Pleasant, Texas, history.

Sophomores making the trip are Margarete Cook of Searcy, speech therapy; Sally Copeland of East Point, Ga., business management; Joy Denney of Waynesboro, Va., special education; Lisa Granberg of Tacoma, Wash., accounting; Kim McLarty of Memphis, elementary education; Jayne Mann of West Memphis, Ark., elementary education;

Elizabeth Pearson of Baton Rouge, pre-nursing; Natalie Smith of Lafayette, Calif., general studies; Brenda Sperry of Roscoe, Ill., mass communications; Sally Wieland of Austin, Texas, secretarial science; Jesse Dismukes of Desoto, Mo., Bible; Byron Glenn of Paradise, Calif., nursing, and

Wayne Hood of Clarksdale, Miss., history and marketing.

The tour group also includes five freshmen, Lori Jordan of Gretna, La., special education; Kathryn O'Connor of San Marcos, Calif., business administration; Kevin Hall of Dundee, Ore., psychology; Billy Sims of Childress, Texas, Bible, and Kenneth Ulisnik of Osceola, Wis., general studies.

Keri Janssen, a student of Pepperdine University in Malibu, Calif., is also with the group.

The International Studies Program is in its second semester under the direction of Dr. Don Shackelford, associate professor of Bible.

Shackelford, with Dr. Gary Elliott, chairman of the English department, led the International Studies tour during the fall. "We had an excellent semester," said Shackelford. "The judgments of the students were very positive. They felt that the program was academically sound, and they enjoyed the traveling opportunities.

"The visit to Greece, which will be repeated this semester, fit in well with the Biblical emphasis and with the humanities study," Shackelford said.

Winter Festival Queen Kim Adams is seated with her court. With her are queen nominees Charlotte Yingling (left) of Searcy and Kim Shackelford of Shreveport, La. Class representatives (standing, left to right) are freshman Kelly Van Patter of Little Rock, junior Cathy Miller of Morganfield, Ky., senior Lee Ann Jones of Ringling, Okla. and sophomore Lisa Powers of Chandler, Ind. At front are flowergirl Shannon Berryhill, daughter of Mr. and Mrs. David Berryhill, and crown bearer Jeremy James, son of Mr. and Mrs. Mike James.

Two Track Records Broken In Indoor Competition

Two record setting performances indicate the Harding Bisons will be a team to be reckoned with during the 1981 track season.

Competing indoors, freshman hurdler Dwayne Allen and triple jumper Bruce Baldwin each have posted records in their respective specialties.

Allen, a high school All-American from Harrisburg, Pa., sped to a 7.37 in the 60-yard hurdles to place third in the prestigious Track and Field Association - USA meet in Kansas City Jan. 24. He placed behind two Olympic performers, Don Lavitt of the Pacific Coast Track Club and Yury

Cherbanyez of the USSR.

A 6-2, 195 pounder, Allen competed in the 1980 Golden West's Track Meet and posted a 13.86 electronic time in the 110 meter high hurdles.

Baldwin, who did not compete last year, set a 48' 8-1/2" record in the triple jump to rewrite the 48'0" by Greg Blake in 1978.

A junior from Jacksonville, Ill., Baldwin also holds the Bison outdoor record with a 49' 8-1/2", set in 1979.

Both athletes have qualified for the NAIA national indoor championships in Kansas City, Mo., Feb. 19-21.

Summer Sports Camps Scheduled

Summer sports camps will be offered at Harding for boys, grades 7-12, interested in track, running, football and basketball.

The camps offer intensive instruction in fundamentals and provide each participant with the opportunity to improve his ability, according to Coach Wilt Martin, director of the camps. Instruction is given in every phase of the sport and each boy receives individual attention. In addition to working on skills, video tapes, films and other teaching techniques are used.

Camp dates are: junior high basketball,

July 12-17; senior high basketball, July 19-24; junior high football, July 19-24; senior high football, July 26-31; and running and track, July 26-31.

Instruction will take place on the Harding campus. The modern Athletic-Physical Education Complex provides a pro turf floor with two regulation size cross courts, an indoor track, swimming pool, gymnastics area, handball courts and weight room.

For more information, write Harding University Sports Camps, Box 765, Station A, Searcy, Ark. 72143.

Harding senior Tim Flatt of Memphis goes up for two points against the Evangel College Crusaders. Flatt has moved into fourth place on the Bisons' all-time scoring list, with 1,384 points in his career. The 6-0 sharpshooter has an average of 12.8 points per game.

Football Team Co-Captains Named

Two seniors, Lafe Caton and Klay Bartee, have been elected co-captains for the 1981 football team, according to Bison head coach John Prock.

Caton is a defensive back from Inola, Okla. and Bartee is a defensive end-linebacker from Dallas, Texas.

"There's a lot of responsibility involved in being a team captain," Prock said, "and these young men have proved their dedication and leadership capabilities many times over. I look forward to working closely with them."

A 5-9, 178 pounder, Caton is a three-year letterman and earned All-Arkansas Intercollegiate Conference recognition in 1980 as a return specialist. During last season, he played five games at tailback and gained 370 yards rushing.

In mid-season, he was shifted to the defensive secondary and served as the

Klay Bartee

Lafe Caton

kickoff returner. On 33 kickoffs, Caton totaled 821 yards for an average of 24.9 yards per return.

Bartee is a 5-11, 200 lb. defensive specialist who came back last fall after missing the 1979 season because of a leg injury. He is a two-year letterman who can play either inside or outside linebacker. During the 1980 campaign he recorded 30 tackles, 14 unassisted, recovered a fumble, intercepted a pass and was credited with three sacks.

Sports Folder Rates All-America Citation

A Harding University sports publication, "Harding '80", has been named the recipient of an All-America citation by the National Association of Intercollegiate Athletics.

The announcement was made by Charles Eppler, director of communications of the NAIA.

Harding's brochure entry covered the intercollegiate football program of the University. It was designed and edited by Stan Green, director of public relations and statistical data was prepared by student assistants John Gross and Bruce Cook.

Harding's 60-page entry was judged second among the ten award winners in the printed category.

Other schools receiving awards were Grand Valley State (Mich.), Western State (Colo.), Hillsdale (Mich.), Minnesota - Duluth, Moorhead State (Minn.), Norfolk State (Va.), Washburn (Kan.), Sam Houston State (Texas) and Fairmont State (W. Va.).

Record Number of Alumni Donations Made in 1980

A record number of alumni donors was one of the highlights of 1980 for the Harding Alumni Association according to the annual report prepared by David Crouch, director of alumni relations. The report also announced gifts from alumni totaling \$604,167.

During 1980, 4,357 alumni made a contribution to the University. The only other time the number of donors had passed the 4,000 mark was in 1974 when 4,191 alumni donors were recorded. The 1980 total was a significant increase over the 3,708 donors of 1979.

The record number of donors also increased the percentage of alumni contributors. For the year 26.3 percent of the University's active alumni sent a gift to their alma mater. This total was exactly two percent above the 1979 figure of 24.3

Crouch's report also broke down the percentage of alumni donations into graduate and non-graduate categories.

During 1980 34.7 percent of all graduates and 17.7 percent of non-graduates contributed.

The average gift in 1980 was approximately \$139. Although the \$604,167 does not equal a record, it does mark the fourth consecutive year that total contributions have topped \$480,000. The record was established in 1979 when \$1,196,754 was contributed by alumni.

A major part of alumni contributions during 1979 was a \$600,000 gift by an alumnus who desired to remain anonymous. Because of the donor's interest in Harding Academy, the entire \$600,000 gift was designated to be used in the Academy's recently completed building campaign.

Crouch indicated there were at least five reasons for the significant increase in the number of donors. Alumni responded favorably to a phonathon, direct mail appeals and a jog-o-thon. The senior class project continued to add donors, and there

was a greater awareness and response by alumni to matching gift programs by their employers.

"'Fantastic' is the only word I know to describe the support Harding alumni have given the institution," commented Crouch. "Only once in the last decade has the percentage of alumni giving dipped below 20 percent. The national statistics for alumni giving for 1980 have not been calculated, but the national average should be between 17.5 and 18.5 percent. Harding's 26.3 percent is just one indicator of the commitment of our alumni.

"In the last four years, when inflation has

really made its impact on Harding, the alumni met the challenge. They contributed \$528,000 in 1977, \$489,000 in 1978, \$1.1 million in 1979 and \$604,000 in 1980. That is the type of response so characteristic of Harding alumni," he added.

There was a concerted effort during 1980 to have 30 percent of the alumni of each class make a contribution to the institution. During 1980 there were 15 classes which had 30 percent or more members of the class making a contribution to the school. Those reaching the goal were the classes of '24, '25, '26, '30, '33, '40, '41, '43, '45, '46, '48, '49, '50, '55 and '56.

We have attempted to have a correct listing of alumni donors. If we have overlooked your name we apologize. Otherwise, will you not send your gift now in order to be included in the 1981 list of donors?

This list of donors includes those in-

dividuals who made contributions during the 12 month period January through December 1980.

If you have any questions regarding your contribution to the University, please contact the Alumni Association Office or the Development Office.

Commemorative '81 Plates Available to Alumni Donors

A contribution of \$200 or more entitles a donor to receive a commemorative plate, specially designed in black and gold, depicting a campus landmark.

Each year, a different scene is selected for inclusion in the commemorative plate edition. Many alumni collect these plates and proudly display them in their homes.

The 1980 plate depicts the Athletic-Physical Education Complex which was added to the campus facilities in 1976. Plates are being mailed to alumni donors during February.

It is not too late to begin collecting Harding commemorative plates. To those who send contributions totaling \$200 or more during 1981 a plate will be sent during February 1982.

Scenes depicted on plates in previous years have included the Administrative Building, Hammon Student Center, Beaumont Memorial Library, the American Studies Building and Armstrong Hall.

While these limited editions last, plates from previous years may be obtained by sending a \$200 contribution and designating which plate should be sent.

Further information may be obtained by writing Harding Commemorative Plates, Development Office, Box 932, Harding University, Searcy, Ark. 72143.

CAMPUS SIGHTS (clockwise, from top left) — The amnesiac Princess Anastasia, portrayed by freshman Kay Goree of Pensacola, Fla., considers her plight in the speech department production of "Anastasia" . . . Arkansas Governor Frank White shows off his gift T-shirt from the Economics Team during the Harding-sponsored statewide Free Enterprise Week . . . Football players team up with the cheerleaders to encourage the crowd to show Bison spirit . . . The old Academy building is on its way to nonexistence. Demolition should be completed next month . . . Youngsters toy with a replica of Leonardo da Vinci's pile driver, one of 19 working models displayed in the Stevens Art Gallery during January and February.
