37th ANNUAL LECTURESHIP

Harding College

SEARCY, ARKANSAS

November 21-24, 1960

Theme:

"Christian Education"

"To the intent that now unto the principalities and the powers in the heavenly places might be made known through the church the manifold wisdom of God." Ephesians 3:10.

"But when some were hardened and disobedient, speaking evil of the Way before the multitude, he departed from them, and separated the disciples, reasoning daily in the school of Tyrannus. And this continued for the space of two years; so that all they that dwelt in Asia heard the word of the Lord, both Jews and Greeks." Acts 19:9,10.
