Student Council meeting

MINUTES

December 16, 1952

The regularly scheduled meeting of the Student Council was held in the Seminar room of the library at 9:00 Tuesday night, December 16.

The meeting was opened with a prayer.

Business taken care of was as follows:

1. Rita Nossaman, Andy Keen, and Paul Magee were appointed to a committee to get new records for the record player in the student center.

2. The President talked to Professor Ulrey concerning the petition that was turned over to him requesting that something be done about the conflict between Large Chorus and Dramatics Club. Professor Ulrey could tell him nothing yet but he did say that the activities would be rescheduled after Christmas; so it is best to wait until then and see how the schedule is.

The remainder of the meeting was turned over to Miss Annie Mae Alston, chairman of the library committee. She brought up the problem of too much visiting and too little studying in the library. It was suggested that an editorial in the Bison may help. Students need to wake up to the fact that they are not only loafing themselves, but they are hindering others from studying when they insist upon talking in the library.

Miss Alston also said that the heating system is being fixed so that the temperature can be regulated in each room of the library separately. This will improve the atmosphere for studying.

The meeting was adjourned.

Respectfully submitted,

Kathryn R. Campbell
