MINUTES

The first meeting of the 1953-54 Executive Council of the Student Association was held at 9:00 P.M. on Tuesday, October 6 in the Seminar room of the library. The members present were:

Norman Hughes, President
Owen Olbricht, Vice President
Nancy McDaniel, secretary
Leon Sanderson, temporary senior representative
Grace McReynolds, senior representative
Bob Nossaman, junior representative
Barbara Richards, junior representative
Winifred Wright, sophomore representative
Brother Charles Pitner, faculty sponsor

The meeting was opened by a prayer led by Brother Pitner. The business discussed was as follows:

1. The student council is to make a list of students who they think are qualified for Who's Who and turn it in to the faculty by Saturday, October 10. Brother Pitner suggested that we be very careful in selecting these students. A committee was appointed to choose a tentative list which will be decided on by the entire council Friday night, October 9. Those appointed to the committee were:

   Bob Nossaman, chairman
   Winifred Wright
   Grace McReynolds
   Barbara Richards
   Jeanne Bankston
   Nancy McDaniel

It was suggested that those on this committee find out from other members of the student body who they think should be chosen to Who's Who. The committee decided to meet Thursday night.

2. The president brought to our attention that the school has set aside $100 for the student council to use this year. Two suggestions were made for its use:

   a. There should be a fund set aside for the purpose of sending flowers to any student's family in which there is a death.
   b. A record player for the dining hall.

Brother Pitner pointed out that he thought this money is for student council expenses and that maybe the record player wouldn't come under this heading. He did think the first suggestion was a good one though.
3. The appointments to the faculty committees will be made soon. These appointments are made by Dr. Benson after he has received a recommended list from the president of the Student Association.

4. It was brought to the council's attention that there is a problem about Owen being vice-president of the Student Association. He was elected senior class president, and the constitution of the Student Association states that an officer of the Association cannot serve also as president of his class. In view of these circumstances, Owen said that he had decided to resign as vice-president of the Association and accept the presidency of the senior class.

This calls for another election. It is to be announced in chapel on Tuesday, October 12. The election was set for Thursday, October 22. Bob Nossaman was appointed to see about getting the ballots printed after the petitions are in.

5. Brother Dykes wants to meet with the Student Council sometime to discuss the following:

a. There has been a suggestion that the Student Council sponsor games in the student center on Saturday nights.

b. He wants to talk to us about the juke box in the Inn.

6. Meeting time: It was decided that we will meet every other Tuesday night. Called meetings may be necessary.

7. A bell is needed in the Music Building. Owen was appointed to see Brother Croom about this. Brother Fitner suggested that he also mention the fact that the bells don't ring regularly in the Science Hall.

8. The boys need a walk from the west end of West Dorm to the Administration Building. Owen is to see Brother Croom about this also.

9. From now on there will be a reporter from the Bison to sit in on the meetings of the student council.

10. The suggestion was made that the minutes of the meetings be posted on the bulletin board in the Student Center. This will help to bring the business of the student council before the whole student body.

The meeting was adjourned with a prayer led by Winfred Wright.

Respectfully submitted,

Nancy McDaniel
