If things keep going the way they're going in our schools, one day a teacher may turn to his or her class and ask, "Who knows the answer to this question? Let's see a show of guns!"

Herm Albright; Herm's Humor

IN THE presence of a client he wished to impress, a high-powered ex-

ecutive flipped on his intercom switch and barked to his secretary, "Miss Thomas, get my broker!"

The visitor was duly impressed until the secretary's voice floated back into the room, loud and clear: "Yes, sir. Stock or pawn?"

RODNEY Dangerfield claims that he and his wife are trying a new approach: "We sleep in separate rooms, we have dinner apart, we take separate vacations — we're doing everything we can to keep our marriage together."

Alternative Route

One kid I know isn't starting college this fall. He asked his parents for the money it would take to send him. They gave it to him, and he retired!

A MOTHER ASKED her son who had just returned from a youth group car-wash project, "What was the least amount anyone paid you?"

"One man gave us just fifty cents," said the boy.

"Why so little?" asked the mother.

"Maybe," he explained, "it's because we hosed his car before the windows were rolled up."

Latecomer

A man and a woman went up in a plane together. When the plane developed engine trouble, the two bailed out in parachutes.

The woman reached the ground in about a minute. But the man got lost and, of course, wouldn't ask anyone for directions, so he didn't get down until half an hour later.

A husband, irritated at his wife, said to her, "Believe me, I would give anything to know why God made you women so beautiful, and yet so dumb."

X She answered calmly, "Well I'll tell you. God made women beautiful so you men would love us, and he made us dumb so we could love men."

M.A. Kelly

Have you ever wondered how sometimes people can avoid hearing a powerful message? Here is one reason. The preacher in a rural church began his sermon with a stirring reminder: "Everybody in this church is going to die!" That awakened the audience--all but one man, who was smiling broadly. "Why are you so amused?" the preacher asked. The man's answer was, "I'm just visiting my sister for the weekend."

Charles S. Martin prayed: "Lord, help me to be the person my dog thinks me to be."

Better Snap To

Daughter, with mother on subway: "Mom, what was the last station our train stopped at?"

Mom: "I don't know. Don't bother me. Can't you see I'm reading?"

Daughter: "Well, it's too bad you don't know. Little brother got off there."

Odd Reaction

Four-year-old Johnny was allowed to attend a concert at which a soloist was to sing. He noticed the director with his baton. Johnny whispered to his father, "Why does the man want to hit the lady?"

His father answered, "He is not hitting her – he's just keeping time."

Very surprised, Johnny said,

*Then why is she
screaming?*

Keep away from people who try to belittle your ambitions. Small people always do that, but the really great make you feel that you, too, can become great.

-Mark Twain

Constance J. Foster; Family Circle

The Well-Woman Clinic of Montreal's Royal Victoria Hospital is following the old Chinese practice under which physicians were paid to keep their patients well. When a patient became ill, payments stopped.

Dr. N. W. Philpott, obstetrician and gynecologist-in-chief of the hospital, said: "This hospital is dedicated to the task of keeping women well. It is much easier to keep people well than to treat them when they become severely ill."

World's Best Rookie

A little boy was about to toss
a ball up to bat it.

"I'm the world's best batter!"
he said.

Toss, miss, strike one.
"I'm the world's best batter!"

he repeated.

Toss, miss, strike two.

"I'm the world's best batter!"
he cried.

Toss, miss, strike three.

"I'm the world's best pitcher!"
