A called meeting of the Executive council of the Student Association was held in the Seminar Room of the Library at 2:00 P. M. Tuesday, January 19. The main purpose of the meeting was to make selections for Best All Round and to discuss plans for the proposed park. Buddy Byer led the opening prayer.

Business was discussed as follows:

1. Bob Gillam made a report for the committee on the sidewalk problem between the campus and the church building. After talking to Brother Croom, they decided that the only place for more sidewalk room was on the east side of the street. Since Brother Stapleton owns a good bit of the property on that side of the street, the committee went to him about the possibility of widening the walk on his property. He wouldn't give his consent to this.

The suggestion was made that we see the city about fixing the sidewalk that is there all ready.

2. The president reported that he had talked to Mrs. Burke about getting a stamp machine in the Student Center. She discouraged it because it might affect the rating of the post office, since the rating depends on the number of stamps sold from the post office. She suggested that if the students were informed that the mail is not dispatched from Searcy until after the afternoon mail, they wouldn't feel like they need to buy stamps before the post office opens.

3. The president asked the council for suggestions for the proposed park. No definite suggestions were made.

4. The student body meeting was discussed next. The president asked the high school representatives to be sure that the high school students are notified.

The meeting time has been changed to 7:30 because there is no F.T.A. meeting. There will be an entertainment from 7:30 until 8:00. This will be for the benefit of the new students and to arouse student interest in general. The committee appointed to arrange for the entertainment consists of Jeanne Bankston, Owen Ulbricht, and Barbara Jones.

The president urged that the members of the council turn any suggestions to be discussed to him. Issues to be on the agenda will be posted on the bulletin boards to arouse interest.

5. The council next selected six boys and six girls as nominees for the honor of Best All Round. Seventeen boys and twenty one girls
