Dear Bro Sawyer

Well my trial is all over and my lawyers are appealing to the Supreme Court so we will have to wait a couple more months to see what happens. How ever I am not worried for I know I shall not leave this Earth until God is ready for me to and when he calls us we must go no matter where we are or what we are. That thought in its self should bring comfort to anyone but alas some do not believe in God strong enough to place their trust in him.

Due to my lack of knowlege in the use of words I find it very hard to express my feelings, however I'm sure you understand what is filling my heart & soul that is why I have asked you to write to Mother for you can explain it to her better than I. I forget to send you her address in my last letter but you will find it inclosed in this one.

I know you are very busy now in your work and I feel very selfish to ask the favor of you and I hope you will forgive me for being so selfish. But I just want Mather to know that I love and trust God completely and so shall go my way smiling.

Thanks very much for the money you sent I bought some hash and writing material with it and we had the hash this morning and boy was it good. I only wish I could repay you in some way for the kindness you have shown toward me when I needed it most. I am not very good at expressing myself but I do want you to know that your friendship is the most precious thing I have and I hope that God will Bless you always.

Well I must run for now so ans. soon and give my regards to your wife + friends.

Your Bro In Christ  
Alonzo E. Jones.
