MINUTES

The regularly scheduled meeting of the Executive Council of the Student
Association was held in the Seminar Room of the Library at 9:00 P. M.
Tuesday, March 23. Bob Gillam led the opening prayer.

Business was as follows:

1. A letter received by President Hughes from Miss Alston was read. In it she expressed her appreciation for the manner in which the requests about the Music Room were made. She went on to say that she had talked with Brother Fulbright about the matter and they approved the plan of all students using the music listening room for one hour periods and having the faculty members abide by the three day loan period for records.

2. President Hughes reported on his talk with Dr. Mattox about taking a collection for Eddie Baker. Dr. Mattox said that there is very little need for a collection to be taken, for his hospital bills have all been taken care of.

3. Winfred Wright reported that Dr. Mattox had been in favor of the "twirp season" that had been suggested but felt that we should see how the girls in general feel about it. He was also in favor of any activities we would suggest for field day.

4. A request was made for some pencil sharpeners in the Administration Building. Nancy McDaniel was asked to mention this at the next Buildings and Grounds Committee meeting.

5. The boys want an inter-communications system in Armstrong Hall like the one in Cathcart Hall. President Hughes is to see Dr. Benson about this.

6. The boys also want a sundeck on the top of Armstrong Hall like is on Cathcart. The secretary is to take this request to the Buildings and Grounds committee also.

7. It was brought to the Council's attention that April 10 is Senior Day on the Harding Campus and Dr. Mattox wants the council to plan a talent program for that morning. A committee composed of Winfred Wright, chairman; Barbara Richards; Owen Gilbricht; Grace McReynolds; and Bob Gillam was appointed to do this.

The meeting was adjourned.

Respectfully submitted,

Nancy McDaniel, secretary Student Association
