## APPRECIATION

Through every volume, we will continue to be thankful for Brenda Breezeel, Associate Professor and Systems Librarian at the Brackett Library, for her guidance in getting JGER started and her dedication to technical support for which we continue to depend on her. We would also like to thank Dr. David Bangs, Director of Graduate Studies in the Cannon-Clary College of Education, and Dr. Donny Lee, Dean of the Cannon-Clary College of Education for their continued support of this project. We are also grateful to the authors who have trusted us to publish your hard work. Our journal would not exist without you. We would like to thank Rachel L. Denney for reflecting our vague idea as a beautiful image for our cover. Lastly, we are especially indebted to the faculty and students who took the time to review articles and provide feedback for the authors. In this time of unpredictability and chaos, you gave some of your time for the good of JGER and we appreciate that.
