Tenth Anniversary Program

To New Location

Harding College will open its doors for the Fall Term on Sep­tember 28 in the plant recently acquired. The move is necessary because the economy of the present building is such that the increase in student enrollment and the need for a senior college, and the increase in the facilities for a first-class liberal education rendered the present building inadequate.

The faculty of Harding College have praised it very highly. Dr. William G. Hurst, President, and New Member of Trustees of Abilene Christian College, in speaking of the move said that not only would it afford Tenement facilities in the history of the school, but also would enable it to make Harding a real senior college.

The School at Searcy was formerly owned and operated by Gallo­way College, in speaking of the move said that not only would it afford Tenement facilities in the history of the school, but also would enable it to make Harding a real senior college.

On a campus of twenty-nine acres now owned by the State, the admin­istration building was erected in 1926 and now provides offices and classrooms for the teachers and a large, well-lighted and ventilated auditorium for the state. This building has been valued at $84,000 and is now made available for $10 an hour.

interested, it is a very
kind of a course, but I have

a course in home economics.
In a small college the news of
the course is seldom heard, and
the real interest that the students have
as a whole in their program is
the ideas that are put forth in it. It
may serve to interest an ex­
professing student in a very
good way, but it does not, how­

Bisons Make Good Showing In Baseball: Open Season At Ouachita

Review Of All Games Played By Past Season

By Eugene Tare

The Bisons opened their baseball season at Arkadelphia Thursday, April 24. The score was 4-3, and the Bisons scored four runs in the first inning. The game was played in a cold rainstorm, and the team's hitting was not up to par. However, the Bisons' defense was excellent.

They went on to win their next game against the Owls with a score of 8-2. The Owls were able to score two runs in the first inning, but the Bisons were able to come back and score eight runs in the second inning. The team's defense was once again solid, and they were able to hold the Owls scoreless for the rest of the game.

In their third game against the Owls, the Bisons scored again with a score of 6-3. This time, the Owls were able to score three runs in the first inning, but the Bisons were able to come back and score six runs in the second inning. Their defense was again excellent, and they were able to hold the Owls scoreless for the rest of the game.

This season, the Bisons look to build on their success from last year. They have a strong team and are looking forward to a successful season. Keep an eye out for their upcoming games this season.

JU GO JU'S GIVE CHAPEL PROGRAM

Mother's Day Program is Given

By R. W. Ashmore

The JU Go Ju's presented one of the most appropriate programs of the year on May 10, 1934. The program was planned in a spirit of devotion, and it was dedicated to all the mothers throughout the world. The program consisted of a series of songs, readings, and prayers presented in three short sessions, dedicated to mothers and addressing the place that a mother plays in the life of the child.

Featured on the program were several vocal numbers, piano solos, and choruses. Among the songs included on the program were "Mother," "Mother's Love," and "Mother Dear." To add variety to the program, Dorothy Evens performed a beautiful violin duet, featuring Madame Ashmore and Dorothy Ashmore. Overall, the program was a testament to the love and devotion that mothers have for their children.

Armstrong Will Go To Chicago In June

J. N. Armstrong will begin a two-week trip to New York and Chicago in the month of June. His trip will last until the seventeenth.

J. N. Armstrong is scheduled to arrive in New York on June 15, and will then travel to Chicago on June 17. He will give several concerts during his stay, and will return to Arkansas on June 29. The trip was planned as a way for Armstrong to further his career in music and gain exposure for his talents.

Re-Elected As Captain Of 1934-35 Basketeers

In a meeting of the H Club this week, the re-election of the All-Bisons basketball team was announced. Guy B. Ashmore was re-elected captain of the coming basketball team, with Eugene Pate as his sub-captain, and Euph B. Ashmore as his assistant captain.

Prospects for the team are good, with a nucleus of players who have been the Bisons' most outstanding players. The team will be under the guidance of Coach R. W. Ashmore.

Thirty-Five Years A College Educator

Fine Arts Gives Varied Program

Through the hard work and tireless dedication of Georgia Anne Wade and William W. Robert of the Fine Arts faculty, the Fine Arts program offers a variety of courses that cater to the diverse interests of the student body. From music and dance to visual arts and theater, the Fine Arts department provides opportunities for students to explore and express their creativity.

Girls Dormitory Showing Venanda

The girls' building on the new campus. It is fireproof and is said to be one of the best in the south. It has been valued at $130,000.00. The dining room is a two-story, 125 by 40 foot room, mostly in the pentagon and has thick plaster walls, which will tax the skills of the workers from Novera.

PAPA RHODES

Benjamin Franklin Rhodes has been added, but few students know it. He is "Papa" Rhodes to the students. He is an exclamation of flippancy, instead, is it indicative of respect and love.

Hill college students and faculty have begun to plan for next year. The student body and the faculty have begun to plan for next year. The student body and the faculty have begun to plan for next year.
