The regularly scheduled meeting of the Executive Council of the Student Association was held in the Seminar Room of the library at eight o'clock.

The meeting was opened by a prayer led by Paul Magee, council president. All members were present. Business discussed was as follows:

1. The Honor Recognition Day amendment of Sophomore representative, Dick Richardson, was passed by the faculty with only one change in its wording. The faculty thought it advisable to say that this day was sponsored by both the faculty and the council.

2. A committee composed of Dick Richardson, Jane Claxton, and Glenn Davis was appointed by the president. Dick is to serve as chairman of the committee, which is to arrange the program for the Honor Recognition Day.

3. Ken Nolan presented to the council a bill to purchase a new diving board for the swimming pool. A letter is being written to Bro. Crooms about this matter.

4. Dick Richardson made the suggestion that we should ask the librarian to get college bulletins from various colleges for those students planning to do graduate work. He suggested that these be placed in the magazine room.

5. Paul Magee is to speak to Mrs Hart about setting the dining-hall clock with the other clocks in the dormitories. He is also to ask her about the loaning of utensils to the various clubs and classes for outings. He is to talk to Dr. Mattox about the college boys' living with the high school boys and about the smoking in the boys' dormitories.

6. Ken Nolan and Tommy Parish were appointed to buy games for the Emerald Room entertainment program of Saturday nights.

7. Bro. Crooms is to be asked about the Inter-communication system the council asked for the boys' dorm.

8. It was brought to the attention of the council that the quiet hour on Sunday afternoon does not function properly and should be changed. It was suggested that a committee be
appointed to meet with the dorm managers and see if some changes might be made. We believe that a more satisfactory program might be obtained if the quiet hour were optional. Those girls who remained in the dorm should be required to be quiet and those who preferred to stay out to do so. It was stated that those now who wished to study on Sunday afternoons couldn't because of the noise. Jane Claxton and Ernestine Latterner were appointed to see Mrs. Pickens and to acquaint her with these gripes that the council had received from the students.

¶. A call meeting was called for the following week to discuss quiet hour.

The meeting was closed by a motion made by Tommy Parish and seconded by Ernestine Latterner. Tommy Parish led the closing prayer.

Respectfully submitted

Joan Nance, Sec. of the Student Association
