The regularly scheduled meeting of the Executive Council of the Student Association was held in the Seminar Room.

The meeting was opened by a prayer led by Paul Magee. Business discussed was as follows.

1. Paul Magee is to ask Mrs. Hart to turn up the chimes in the dining-hall. There has been several complaints given to council members about people being unable to hear the chimes and often talking continues through-out the prayer.

2. Plans for an All Student Meeting were discussed. Paul stated that chapel was no place to have the meeting so a night the first week of the second semester will be set aside for the meeting. Dick Richardson suggested that we have a round-table discussion with all council members sitting on the stage ready to answer any question asked them by the students.

3. The boys and the girls for nomination in the Best All Around contest were discussed and the selection was postponed until January 8, 1955.

4. The inner-communication system in the boys' dormitory was discussed again. No definite information has been obtained concerning the installing of this system or of any other system.

5. The water fountain for the tennis courts will be constructed this spring as stated by Bro. Crooms. The fountain will be located near the tennis courts thus we hope will encourage more active participation in this sport.

6. President Paul Magee urged those who hadn't already written their letters to the various student government groups in the Christian colleges to do so immediately.

7. Joan Nance is to write each club president or to see them personally to see if they would like to sponsor a program in the Union Room on Saturday nights. One boys' club and one girls' club are to be urged to present a combined program. This decision was reached after a discussion in which it was learned that there had been a decrease in the participation in the project.

8. Paul called a special meeting for January 8, to be
held in the Seminar Room of the library at eight o'clock.

The meeting was closed by a prayer led by Bro. Bitner.

Respectfully submitted,

Joan Nance
