DRAMATIC CLUB WILL PRESENT FIFTH LYCEUM

Two Workshop Productions Will Precede This Number

Will End Dramatics

Different Types of Plays Offer Variety of Amusement

Concluding their tournament work for the year, the Campus Players are presenting their three-act apprentice work-shop plays on Thursday evening, May 30, and Saturday evening, June 1. "Marrying Martin," a comedy so new that it is still in manuscript, will be the play for Thursday evening.

The theme of the play is new and its treatment is interesting throughout. The action revolves around young Martin Clayton and the attempt to marry him to a girl whose "psychosis" are similar to his own. Sam Peebles, Mable Dykes, Bliss Miller, Fred Strothers, Alwin Bodine, Oral Cone, Allene Mitchell, Catherine Bell, Guinelle Bolding, Juanita Trawick, L. E. Pryor, and Winston Allen are the members of the cast.

"Katy-Did," the play for Saturday evening, has both a modern and a colonial flavor. The theme is the age old question "Shall a woman marry for love or for some other consideration." Again the treatment is unusual and interesting.

Ama Lou Murphree, Janis Neal, Doris Allen, Clarice Kelley, Gertrude Paine, Louise Terry, Joseph Pryor, Henry Pierce, Edwin Hughes, Enid Coleman, Edith Madge Morgan, Bernelle Anderson, Marylin Thornton, Dennis Allen, and J. P. Thornton are the members of the cast.

"Marrying Martin" is largely under the direction of the cast itself, with Mable Dykes in the lead. Ermine Coleman is giving what time she can to the play. "Katy-Did" is directed by Edwin Hughes, assisted by Gertrude Paine.

The last number of the College Lyceum Course, "Billy's Bungalow" will be presented on Tuesday evening, June 4 at 8 o'clock. The play is a comedy of character and situation. It is built around the conduct of a group of people marooned upon a small island during a terrific storm at sea.

Louise Terry, Jack Wood Sears, Alvalyn Baucum, Clifford Huddleston, Beatrice Phillips, Robert B. Boyd, Yvonne McGregor, Edwin Hughes, and O. P. Baird compose the cast. Woodson Harding Armstrong is directing the play.

RHODES ENTERTAINS

Mrs. B. F. Rhodes entertained the Ju Go Ju Club Thursday afternoon, May 16, in honor of her daughter, Geraldine, who has left for Washington, D. C. Miss Rhodes is a former member of the club and was president of this organization in 1934. The Ju Go Ju girls presented Miss Rhodes with many suitable gifts.

Wise Old Owl Finds Answer To Secrets Of A Maiden's Heart

One night, several weeks ago, I was walking over to the "hob-nob." I had a very interesting experience. It was as dark as pitch and no sound was to be heard except my own footfalls on the beaten path. As I was rounding the north-west corner of the girls' dormitory, I heard a faint murmur of some one who seemed in despair, but the lights were all out. I stopped and listened. As I did, I began to grasp the words.

"..... and dear Lord, I thank thee for all these temporal blessings—the sunshine, the rain, and the birds that sing."

By this time I had recognized the voice which was coming from a window on the third floor. The girl speaking was none other than Florence Kelly. And she continued with her prayer.

"Now, as one of Thy most humble servants, I try to do everything within my power to please and obey Thee. And, in return, may I ask just one small favor. I have long been yearning for—a man, tall and handsome. And, I prefer brunettes."

Officers Elected By Junior Class

Huddleston Is President;
Pursley Is Editor
of Petit Jean

The junior class met May 18 and elected officers for the school term of 1935-36. Miss Dona Pursley of Miami, Texas, was elected editor-in-chief of the Petit Jean to succeed Miss Martha Starnes. Miss Pursley is well qualified for the position, having been a member of the Press Club for the past two years.

Miss Eunice McNeelis, Brunswick, Tennessee, was chosen business manager for the Bison in '34 and '35. Miss Allene Mitchell of Ita Bena, Mississippi, is to serve as circulation manager. She has also been a member of the Press Club.

The assistant editor and the other members of the Petit-Jean staff will be selected by the editor. Miss Frances Ruby Lowery, professor of English, will again be the faculty advisor for the annual.

Clifford Huddleston of Nashville, Tennessee, was elected president of the senior class of '36. Another Tennessean, Melvin Carleton, was made vice-president. Miss Gertrude Paine of Atlanta, Georgia, will be secretary, and Miss Eloise Coleman, Springfield, Tennessee, was elected treasurer of the class. LeRoy Miller of Detroit, Michigan, will fill the office of sergeant-at-arms.

The sponsor of the senior class will be selected at the beginning of the fall term.

Las Companeras Project Is Begun

The Las Companeras, one of Harding's prominent girls club, began work on their club project this morning. The club has been saving money for some time in order to help improve the campus.

They are going to put a concrete curb around the plot of ground surrounding the Lily pond, an improvement that will add much to the attractiveness of the campus. The club, under the direction of their sponsor, Miss Ethel McClure, plans to make some kind of improvement on the campus each year.

The L. C. club, since its beginning in 1933, has always been one of the foremost clubs in co-operating with the faculty and students in any worthy undertaking that they have made and have made themselves prominent by their activities on the campus.

T. N. T.'S ELECT OFFICERS

New officers were elected for the coming year in the T. N. T. Club on Thursday evening, May 23. Carroll Trent, the president this year, graduates and he will be replaced by Robert B. Boyd. Boyd was vice-president this year and Joseph Pryor will fill this office for the coming year. Courtney Ryland will take the office of secretary-treasurer which was filled by Charles Paine this year.

PETIT JEAN IS DEDICATED BY ANNUAL STAFF

Talks Are Made By Editor,
Business Manager
and Faculty Advisor

McClure Is Honored

Honor Students in Both
College and Academy
Are Announced

Following the Sub-T program which was given on Tuesday evening, May 21, the Petit Jean staff dedicated the 1935 year book. It was at this time that the honor students in both the high school and college divisions were announced.

Professor Frances Ruby Lowery, the faculty advisor, told of some of the outstanding features of this annual. One thing in particular she mentioned was the beautiful embossed cover with a modernistic design of green and gold which is used on this book.

Only a few year books have this type of cover and it is much more expensive than other styles of covers. Too, she expressed that she has never enjoyed working on a year book before any better than she did this one. This year the book has an increase of twelve pages over the one last year.

After the speech given by Miss Frances Ruby Lowery, Martha Starnes, editor of this yearbook, expressed her appreciation of the splendid co-operation she has received from the entire senior class while working on the annual.

At this time Miss Starnes told of the purpose of the annual and dedicated the book to Miss Ethel E. McClure.

Miss McClure has been a member of the faculty several years and has proved herself well worthy of such an honor.

Next, Miss Starnes named the ones who comprise the feature section of this book. Eunice McNeelis is favorite girl and Dona Pursley the best all-round girl. Durden Stough is favorite boy and Robert E. Boyd the best all-round boy.

Eva Lee Bradley is queen of the annual and Guy Dale McReynolds is the best athlete. Those that are best all-round in the high school division are Frank Thomann and Alice Ann Davis. Favorites are Joe L. Rector and Doris Allen.

Professor Lowery then told the names of the honor students, who were selected by the faculty. Four honor students were selected in the college division. The two boys are Joseph Pryor and Owen C. Pearce and the girls are Nina Johnston and Evelyn J. Carpenter. In the high school division Jack Wood Sears and Edna Harwood were selected as honor students.

All of the honor students received their annuals at this time and they were given out by Carroll Trent, business manager; and Frank Rhodes, sales manager. The first annual, other than Miss McClure's and the honor students' went to W. F. Anderson, Jr., of Bells, Tennessee. Mr. Anderson was unable to be here but the book was sent to him.

Only twenty copies were given out at this time and those who purchased their books first were the ones that received them. The rest of the books were distributed to students who had purchased them on Friday, May 24.

Quartet Broadcasts Over Wmc and Wlac

President J. N. Armstrong, accompanied by R. N. Gardner and the college quartet, left yesterday at noon for Memphis, Tennessee in Gardner's car. The trip is designed to acquaint prospective students with Harding College.

The quartet sang over Station W. M. C. in Memphis at 5 o'clock yesterday afternoon. The group then motored to Thyatira, Mississippi where the quartet sang and entertained at the high school there.

The party is to visit Nashville where the quartet will again sing, this time over station W L A C which is managed by a former Harding student. President Armstrong plans to speak to the Senior class of David Lipscomb College before he returns to Searcy

Maid of Honor

Maurine Rhodes, professor of English and Spanish, will be the maid of honor at the wedding of Miss Frances Ruby Lowery and Emmett Ray Stapleton. Miss Rhodes is a very intimate friend of the bride, having known her for several years.

Advanced Students To Present Program

Anderson and Evans Will
Give Musical Recital
In Auditorium

Lois Anderson of Blackwell, Oklahoma and Dorothy Evans of Little Rock, both piano certificate students will be presented in recital by Miss Lois Albright, instructor in the department, on Sunday afternoon, June 2 at 2 o'clock.

Both young women will receive their Teacher's Certificate at the end of this school year. Their program will consist of solos from the best composers, namely, Bach, of the classic period; Chapin, of the Romantic period; and various selections from modern and present day composers.

Assisting on the program will be Alvalyn Baucum of Haynesville, Louisiana who is a student of Woodson Harding Armstrong.

Lois Anderson will begin the program by playing a "Prelude and Eugene No. V" by Bach.

"Prelude in G Minor" by Chapin will then be played by Dorothy Evans. "The Sea" by Palmgren and "Golliwog's Cake Walk" by Debussy will then be played by Miss Anderson. Miss Evans will then play "Polonaise Americaine" by J. A. Carpenter, "Nolette" by MacDowell, and "Seguedilla" by Albeniz.

Alvalyn Baucum will then give a reading after which Lois Anderson will play "Romance" by Sibelius. Misses Anderson and Evans will conclude the program with a piano duet entitled "Espana" by Chabrier.

The Little Symphony will present its final concert of the season on Wednesday evening at 8 o'clock, June 5. The public is cordially invited to attend both of these programs.

1935 Petit Jean Is Distributed

Annuals Have Black and
Gold Covers; Theme Is
Religion in Nature

The 1935 Petit Jean was dedicated Tuesday night, May 21. About 25 annuals were given out at this meeting to the honor students and to those who had purchased their year book first.

On the following Friday 100 Petit Jeans were distributed. The rest of the annuals will be here next Tuesday. Almost all of the annuals have been reserved. Those who plan to get a copy should see the staff at once because the reserve supply is selling fast.

This book has a dark green, embossed cover with golden decorations. A scene from nature decorates the upper right-hand corner of the cover.

Religion in nature is the theme of the annual. The book has an increase of twelve pages over last year's annual, which includes such attractions as wrestling, orchestra, orators, and class officers.

This year the academy is given an outstanding place in the year-book. The pupils in this department were given individual pictures in the annual. Another added attraction of the high school was their feature section.

Wedding Plans Are Made Known

Marriage Ceremony Will
Be Performed By
L. C. Sears

The marriage of Miss Frances Ruby Lowery, daughter of Mr. and Mrs. B. Frank Lowery of Middleton, Missouri, to Emmett Ray Stapleton of Wolfe City, Texas will be solemnized Thursday afternoon, June 6, at 4:00 o'clock in the Harding College Chapel. Dr. L. C. Sears will perform the ceremony.

Miss Maurine Rhodes, of Searcy, intimate friend of the bride, will be maid of honor. The bridesmaids will be Misses Martha Starnes of Union City, Tennessee, Eunice McNeelis of Brunswick, Tennessee, Dona Pursley of Miami, Texas, and Gertrude Paine of Atlanta, Georgia, who have worked on the student publications which the bride sponsors.

Glenn Stapleton of Wolf City, Texas, brother of the bridegroom, will act as best man. The ushers forming part of the bridal procession will be Charles Coleman, of Springfield, Tennessee, Jack Alston, of Henning, Tennessee, Horace Baker, of Baileytown, Alabama, and Glen Trent, of Hammon, Oklahoma.

The house ushers will be Guy Dale McReynolds, of Morrilton, Eugene Pace, of Seminole, Oklahoma, Joseph Pryor, of Searcy, Durden Stough, of Montgomery, Alabama, Carroll Trent, of Hammon, Oklahoma, S. P. Durrance Jr., of Avon Park, Florida, and James D. Bales of Atlanta, Georgia.

Preceding the ceremony Hubert McReynolds, of Morrilton, will sing "Oh Promise Me." During the ceremony Albert Hawkins, of Rector, will sing "Because." The bridal chorus from Wagner's "Lohengrin" will be the processional. The recessional will be Mendelssohn's Wedding March.

Pep Band Presents Program In Chapel

To show the student body and people of Searcy some of the progress that has been made in the Harding Band this year, it gave a concert last week. This concert was held at the regular chapel hour on Saturday, May 18, in the college auditorium. Robert B. Boyd has directed the band this year and the quality of program this group rendered, shows that he is a very capable director and has done some outstanding work with the band.

To open the program, an excerpt from "Brown Cheering" the college pep song, was played. "Paradox" was the second number rendered and this was followed by "Overture" The Golden Magnet" by C. W. Bennett. Next, the band played "Little Marie," a Gavotte and the concluding selection was a concert march entitled "Grand March Majesty" by L. P. Laurendeau.

After the program was finished, the march was played by the band. On Wednesday, June 5, the band will appear in a joint musical program with the orchestra and other numbers to be given by the musical department.

Forgotten Easter Egg Is Source Of Much Trouble For Harding Boys

Many a keen nostril tested its ability to discover what form of beast or plant was dead in the room of Clifford Cronin and Cecil Davis, for something was dead. One didn't have to guess, because surely something was oxidizing in a most odious way. If one took a step inside the door, all doubt that might have been in his mind was immediately removed.

Some were even bold enough, however, to venture in this condemned room and pass judgment on the smell and all indications pointed to a dead rat. But no rat could be found. After a thorough search through all beds, closets, shoes, and other such furniture, the two brave boys began to exterminate the foulness of the air.

Since Clifford is a chemical wizard, he decided that he would get rid of the offensive odor by fumigation. So he borrows a metal paper basket from one of his friends and proceeds. He thinks that all is working fine until the smoke gets

SENIOR CLASS PLANS PROGRAM FOR EXERCISES

Baccalaureate Address to
Be Delivered Sunday
Night, June 2

Sears Will Speak

R. C. Bell From Lipscomb
Chosen to Deliver
Address

Since complete arrangements have not been made for the baccalaureate and commencement programs, the outline listed below is tentative and subject to change. This year R. C. Bell will preach the baccalaureate sermon and Dean L. C. Sears has been selected to deliver the commencement address.

The time of the baccalaureate exercises will be on Sunday evening, June 2, at 8 o'clock. The processional will be played by the college orchestra after which the congregation will sing the song "Holy, Holy, Holy." The invocation will be given by Professor B. F. Rhodes which will be followed by a selection by the college quartet.

R. C. Bell of Nashville, Tennessee, will then deliver the sermon. Bell teaches English literature at David Lipscomb College and is an outstanding Bible teacher. He was head of the Bible department at Abilene Christian College for several years and is an outstanding man in this field of service.

He is the brother of S. A. Bell who is the Professor of Biology at Harding. After the sermon, S. A. Bell will give the benediction and the recessional will be played by the orchestra.

Commencement exercises will be held on Thursday morning, June 6, at 10 o'clock. The processional will be played by the orchestra after which L. O. Sanderson will give the invocation. Arrangements are being made for a violin trio consisting of Tanney George, Mary Vesta Ford, and Frances Snipes, to play. After this number, a reading will be given and this will be followed by the address by Dean L. C. Sears.

Sears has been at Chicago during this school year finishing his Ph. D. degree. It is not known just when he will return to Harding but it will probably be during commencement week. He will teach in the summer school this summer.

President J. N. Armstrong will then present the diplomas to the members of the senior class and the benediction will conclude the program. The orchestra will play the recessional. A large crowd is expected to attend the services at the close of this school year and many visitors will be present.

O. G.'s PAPER LIBRARY

A decided improvement has been made in the appearance of the library this week. The O. G. Club was responsible for this nice improvement and it was their project for the year. The walls of the library were papered, the radiators painted, the trophy case cleaned up, and the trophies were polished. Frank Albright had charge of this work and he was assisted by Dee Gadberry, S. E. Wood, and others.

FINIS FABULAE

This is the last regular issue of our paper, *The Bison*. The mailing of the last copy of this issue will mark the close of nine months of hard work upon the part of us, the staff. We do not regret the energy we have spent in publishing our school paper because we believe that we have accomplished something—have done something that we can be proud to praise.

We frankly admit that we have not put out as good a paper as we would like to have published. But when we go to taking everything into consideration, we feel, in some measure, satisfied. All along we have been noticing defects and have been trying to overcome them.

Approximately half of the members of this year's staff had never done any journalistic work before. And not one member had taken a course in the fundamentals of journalism. But all this will be different next year. Only five members will be lost by graduation and journalism is being taught.

With all of these advantages and assets next year's paper should excel this year's in every respect. We should put out an extra good paper next year. So, dear reader, be sure and subscribe to *The Bison* next year and see just what we can do when we have had a little theory and a little practice.

YOU DID A GOOD JOB

We have just received our 1935 Petit Jeans. These books are excellent. They display the life and characteristics of the school in a splendid manner. The yearbook is a success. It is an improvement over the books preceding it. It is also one of the best annuals published in the state and, for that matter, it is one of the best published by any of the numerous small schools in our country. It is a success and we appreciate the work of the senior class in making the Petit Jean possible.

WE ARE PROUD OF YOU

Our baseball team has recently completed its schedule of games. In some respects this season might be called an unsuccessful season, but in others it was one of the most successful. The boys lost, yet, they won. They failed to win the contests, but they improved themselves by being good sports and taking their defeats with a smile. Losing the games helped them to build real characters. They learned to work together, to appreciate their teammates, and above all to be good sports and to display this fine quality of sportsmanship. We are PROUD of YOU.

WE THANK YOU!

The business men of Searcy have stood behind us and supported us in publishing *The Bison* and we appreciate it very much. At all times they have been willing to co-operate with us and help us to publish a paper that was of some value and that would rate. Without the splendid advertising that these citizens and merchants of Searcy have done in our paper it would have been impossible for us to have put out the paper as we have. We are not able in words to express our thankfulness for their assistance. But, ADVERTISERS—WE THANK YOU!

Feminine Fancies

By Ama Lou Murphree

It seems customary in last issues and such to summarize the year's happenings, but that is just what I'm not going to do. I would prefer to look forward, not to the things which I think may happen, but to discuss two things without which I shall not be satisfied next year. Those who know me know that I am accustomed to speaking what I think, and here's what I want to say. I think that we absolutely ought to have a new gymnasium next year. I am aware of the fact that plans have been made, but I don't want it to stop there. It has been said that we have one of the best gyms in the state. Well, I don't care! It isn't good enough or adequate for our needs and we therefore ought to have a new and larger one. That is the sum and substance of the whole matter.

The other matter is that of our lawn. I am well aware of the fact that the school has been laboring under difficulties not encountered in previous years. It is, nevertheless, difficult to explain bare patches of ground which could have been remedied by simply sowing grass seed. Harding's campus has excellent possibilities and I think it unfair not to fulfill them as nearly

as possible as soon as possible.

While on the subject of the campus, it seems to me that there are enough students working their tuition to be able to keep this campus in excellent condition. We ought to be able to be proud of our campus and, in its present condition that is impossible. I'm on the war-path about this matter and I'm not going to be satisfied until things are improved.

I'm proud of our annual. It's really a fine book, and one which we can be glad to show to our friends. An annual plays an important role in a school's publicity and we ought to be especially grateful to the class of '35 for a book worthy of our school.

Last night the W. H. C.'s entertained the senior class at a lawn party. It might well be said that the seniors have been very fortunate this year in being entertained, but it seems to me that they deserve it. I think we all ought to carry away as many pleasant memories as possible. I'm not saying that these are the happiest days of our lives because I don't believe it, but I am saying that it's possible to get a lot of enjoyment out of our college life and I think

that we ought to give our seniors one last fling—also a hand!

I'm going to be in a play next Saturday night. No, this isn't a self-advertising job, but I did want to say, however, that until now I hadn't fully appreciated how much work and energy went into the production of even a tournament play. For people like me dramatics is just plain old-fashioned hard work.

I'd like to say a word in appreciation of our band. Although this is my first year at Harding, I have watched with interest the vast improvement shown by our band even since last fall. Robert Boyd, its student-director, should be highly complimented on his ability. Such a student-directed activity has immeasurable possibilities. While on the subject of the band, if some club is still looking for a project, I would suggest that they buy an instrument for the band. Surely this would be a worthy project.

And so we have come to the end of our year's work. Suffice to say, we have had both work and pleasure and these things are what make life worth while. A happy summer to you all!

HEAR AND THEIR

By Charles Paine and J. D. Bales

Dear us, Professor Lowery has "gone and done it." We guess that her theme song will run something like this, "Ray for Ruby."

We guess Professor Lacy will be working in the club next year, or did he have some other "object" in view the other day when he was helping Frances Elliott clean up the tables. Dr. Carpenter said it reminded him of a married man pushing a baby carriage around.

Since we have seen O. P. Baird in "Submerged," we feel like "swatting" him every time he passes by us. We knew that we would read his real character sometime.

Frances Colson was wondering whose picture Jess Rhodes was looking at in the play the other night. When she found out that it was Harriet Kelly's, she threatened to "mutiny." We guess he must have taken it away from King George.

There is no finer chemistry than that by which the element of suffering is so compounded with spiritual forces that it issues to the world as gentleness and strength.—G. S. Merriam.

We don't see why Carroll Trent had to be so mean and cruel to Wallis Beasley the other night. He was the center of attraction when Alene Mitchell went up to get W. F. Anderson's annual. And did Wallis get embarrassed and blush. Ask him.

It seems as if the Flagala, Henry Pierce, who hails from Florida, is about to become an Arkansas farmer due to the persuasion of Ethel Fowler.

I find the great thing in this world is not so much where we stand as in what direction we are moving.—Oliver Wendell Holmes.

Attention, girls. Another young man is back in circulation. His name is Burney Bawcom and I can arrange an introduction at your convenience. You see, he soured on the women for a short time.

We wonder why Cecil Davis went home with Wandada Anglin? Could it have been to meet the folks and talk matters over with the head of the house.

We don't want any senior to graduate and say that he or she didn't ever rate the scandal column. So, dear seniors, this is what we think of you. (Horse laugh.)

We wonder how it feels to go to sleep in the reception room when you are trying to do some courting. Such a thing happened last week. The couple must have been boring to each other. But they shouldn't have been. Thelma Cantrell hadn't been here in several weeks.

'Tis more to be good than be great
To be happy is better than wise
If you smile at the world
I will smile back in your eyes.

Dear readers, our column does get results. One of our friends broke in print the other day and in less than no time, almost, he was flooded with mail. We hope that he has caught up with his correspondence and that everything worked out nicely. That's what we call results.

Well, this certainly does look like mutiny. Frank Thomann was seen stepping out with Alice Anne Davis at the program the other night. Figure that out if you can. We plainly admit that we can't.

An old Arabian proverb says, "If thou canst not take things my the head, then take them by the tail." Moral—Catch a street car.

Romance seems to be budding in the high school. The other day we saw Doris Allen and J. P. Thorton "paired out." You had better watch out, J. P., these women can certainly get you in trouble.

A little romance in your heart,
A little horse-sense in your head.
A little iron in your purpose.

These things will keep a man going in the world as long as it is decent for him to stay.

POTPOURRI

A 19 year old student who completed his four year course at the University of Chicago in 20 months, had to be absent from the graduation exercises because of a nervous breakdown. If he also completed four years of social life in the 20 months, he gets off light with just the nervous breakdown.

"At the University of Illinois, soft drinks were consumed 7 to 1 over beer in one campus banquet and 9 to 1 in another."—The Tech Talk.

Freshmen at Ohio Wesleyan University spend twice as much time in the hospital as seniors. By the time they get to be seniors, the weaker ones have probably all dropped by the wayside.

The cadets at Virginia Military Institute have finally defined heredity—It is something father believes in until his son starts to act like a fool.

A professor at Loyola A. and M. gave as his reason for discontinuing a class: "The class is lousy."

Dr. Jay B. Nash, of New York University's physical education department, says "Look as idiotic as you possibly can if you want to be healthy." We can disprove this theory at Harding. Look at the cases of appendicitis that we have had.

Dr. C. W. Spears, Wisconsin's football coach, wants his centers to be musicians, for he says they will then have rhythm. Yeah, but it would be rather bad for the opposing band to start playing a dreamy waltz in the middle of a play.

Hash-house linge taken from The Cornell Daily Sun:

"Two fried eggs; don't fry 'em too hard," said a customer. "Adam and Eve in the Garden," shouted the waiter, "leave their eyes open."

"Mutton broth, in a hurry," said a customer. "Baa-baa in the rain! Make him run," shouted the waiter.

"Where's my baked potato?" asked a customer. "Mrs. Murphy in a sealskin coat," shouted the waiter.

"Beefsteak and onions," said a customer. "John Bull! Make him a ginny," shouted the waiter.

"Poached eggs on toast," said a customer. "Bride and groom on a raft," shouted the waiter.

"Frankfurters and sauerkraut," said a customer. "Fido, Shep, and a bale of hay," shouted the waiter.

"Hash," said the customer. "Gentlemen wants to take a chance," shouted the waiter. "I'll have hash, too," said the next customer. "Another sport," shouted the waiter.

"Chicken croquettes," said the customer. "Fowl ball," shouted the waiter.

We have only 10 more days before we start what should have been done two months ago.

Students who receive all "A's" at California University get a \$5.00 refund of their graduation fee. They don't believe in giving them even a gambling chance.

Rhodes Goes to Washington
Geraldine Rhodes, daughter of Professor and Mrs. B. F. Rhodes, left Friday of last week for Washington, D. C. Miss Rhodes has been offered a stenographic position with the government.

Jackson Comes to Harding
Miss Rachel Jackson, of Marvell entered school last week. Miss Jackson is a member of the senior class and the W. H. C. club. The past year she taught in Milner High school, Magnolia, Arkansas.

The intermediate department entertained the student body at the regular chapel period Friday, May 17. The program consisting of songs, readings, and musical numbers, was arranged by Faye Seeton and Marjorie Howell, practice teachers in the intermediate department. They were assisted by Myrtle Rowe.

Clubs Have All-Day Outings
The Ju Go Ju Club and their escorts spent Monday, May 13, at Doniphan lake. The same day the W. H. C.'s went to Sugar Loaf Mountain for an all-day outing.

The O. G.'s braved the downpour of rain on May 18 and went to the Cut for a chowder supper. The L. C. Club had planned a trip to Doniphan lake, but, on account of unfavorable weather, they went to the college gymnasium where they enjoyed a good picnic supper and many games.

Juanita Rhodes has been elected as co-sponsor of the Ju Go Ju Club with Professor Elna Browning. Miss Rhodes was a member of the Ju Go Ju Club for four years and held several offices while a member.

Outing Planned By Tennessee Club
The Tennessee Club is planning an outing for Saturday night, May 25. The group will leave for Doniphan lake about four o'clock in the afternoon.

Boys' Clubs Have All-Day Outing
All of the boys' clubs went on their final all-day outing for this school year on Monday, May 20. The T. N. T. Club explored Sugar Loaf Mountain which is located near Heber Springs. The Cavalier Club

Reception Is Given For Former Members

Immediately following the lecture given by President J. N. Armstrong on Tuesday evening, May 14, the T. N. T. and Ju Go Ju social clubs gave a joint reception in honor of two former members of these clubs. These members were Roy Ruckman, former president of the T. N. T. Club, and Mildred Trent of the Ju Go Ju Club. The program consisted of speeches made by these former members and also by the presidents of the clubs. Several musical numbers were given during the reception. The freshments consisted of sandwiches and punch.

Miss Beulah Schrader of Bernie, Missouri arrived at Harding Friday morning, May 24, to spend a few days with Frances Ruby Lowery and other friends. Miss Schrader is a graduate of Harding and was an outstanding student during her college career.

"We Are for You Harding"

We trust we will see all the old and many new students back for next school term.

went to Bee Rock. The Koinonias spent the day at Doniphan lake. The Sub-T's went to Cochrane Bluff. The weather was somewhat rainy early in the morning but most of the day was ideal for an outing. However, some of the groups were caught in the rain.

Ex-Students Visit Harding
Roy Ruckman, '34, from Hammon, Oklahoma was on the campus last week visiting school. He was accompanied by Mildred Trent, a freshman at Harding in the fall term, Mr. and Mrs. Albert Trent, and Mr. and Mrs. Elmer Stinson, also of Hammon. While visiting here Mr. Ruckman spoke at the chapel hour.

Seniors Have Holiday
The senior class enjoyed a moonlight picnic last Tuesday with their invited guests at Doniphan lake. The evening was spent boating and hiking and ended with an appetizing meal of sandwiches, ice tea, and bananas. Besides the pleasure of the outing, it was a happy occasion for the senior members to be together once more as Harding schoolmates.

Recital To Be Given
A Paul Lawrence Dunbar recital will be presented at twilight on Friday evening, May 31, by the speech classes. This program will be one of the most interesting of the year. It is composed almost entirely of dialect poems. Some of them are in serious vein, but most of them are characterized by the inimitable Dunbar humor. The college and general public is cordially invited to be present.

Gardner Returns to School
Arthur Kay Gardner arrived Thursday night, May 23, from Haswell, Colorado where he has been teaching school for the past six weeks. He has been teaching in his brother's place so his brother could attend school. Arthur Kay spoke during the boys' chapel period Friday and told of several interesting experiences on his visit, but stated that he was glad to get back to Harding.

Gasteiger Visits Carpenters
Mary Gasteiger of Johnson City, Tennessee has been visiting with Dr. and Mrs. Stanley J. Carpenter during the past week.

Children Present Assembly Program

Wanda Lee Trawick Plays Several Numbers On Piano

Under the direction of Miss Lois H. Albright, piano and violin instructor, a recital featuring Wanda Lee Trawick, pianist, was presented at chapel this morning. Assisting on the program were three other children, Fayette Coleman and Johnie Reese, readers and students of Mrs. Ermine Coleman and Kenneth Davis, violinist.

Wanda Lee has studied music only during this school year and she has made excellent progress. Her part of the program was representative of what the famous composers have written for children. This made her third time to appear on children's programs and every time she appeared an excellent quality of work was rendered. The other children also displayed an excellent quality of work.

To begin the program Wanda Lee played a piano solo entitled "Rondo in C Minor" by Bach. Johnnie Reese then gave a reading called "A Very Youthful Affair" by Riley. Two piano solos entitled "Sicilienne" and "About Strange Lands and People" by Schumann were played by Miss Trawick.

Following this was two violin solos called "Robin's Lullaby" and "Pony Race" by Krogmann, played by Kenneth Davis. This was followed by a piano solo entitled "Puck" by Grieg played by Wanda Lee. "Closer Than A Brother" was a reading by Fayette Coleman and the concluding number was a piano duet called the "Minute Waltz" by Chopin-Hesselberg, played by Wanda Lee and Miss Albright.

Coons's Give Party For Their Students

Doctors R. R. and Callie Mae Coons held a "Radio-Active explosion" in the physics laboratory Saturday evening, May 11. It was a cleverly arranged party and their students were the guests. The T. N. T. club of which Dr. Coons is the sponsor, was invited also. A variety of games were played during the evening after which ice cream in porcelain crucibles and cakes were served. It was the Coons's farewell party before they go to Abilene Christian College where they will teach this summer.

Armstrong Gives Series of Talks

Lectures Are Centered On God and His Dealings With Man

President J. N. Armstrong brought to a close Friday night, May 17, a series of lectures on God. There was a large crowd at each service during the week. These lectures were a source of inspiration to all that attended.

He began the lectures by showing that man could not know God by simply studying nature. He showed that man had to seek farther in order to get a knowledge of Him; and that the Bible was the only way by which we can really know Him as He is. He also showed how that God was first known to His people by the name of God Almighty.

He gave incidents of where God made the claim to His people that nothing was too hard for Him. He told Israel that if they would be faithful and obedient that He would be their Father forever. He then showed how God had fulfilled all of His promises. God not only makes promises but He always fulfills them.

President Armstrong closed the meeting with a lecture on the subject "The Day of Miracles Are Over." He showed that although the days of miracles are over, that it did not mean that God did not care for His children. He also showed that God could and had worked in other ways than by the means of miracles.

He closed by saying that the same faith today should merit a response from God because He is the same today, yesterday, and forever although the response wouldn't have to be in the same manner—that is, by a miracle.

Program Planned For Monday Night

Two speakers have been appointed to speak at the Monday night meeting on May 27. The first one will be Arthur Graham and he will talk on "The Value of the Local Christian Grammar Schools." He will be followed by G. C. Ross, who will speak on the "Costs of Conducting Christian Grammar Schools."

After these speeches the meeting will be opened for volunteer discussions. The talks do not necessarily have to deal with this subject alone but they may deal with Christian education in general if the speaker does not wish to confine his speech to grammar schools alone.

There will only be two more Monday night meetings this school year and every one is urged to attend these last meetings. The subjects discussed at such meetings are of great importance

SENIORS MAKE TALKS.
Two seniors preached to the college congregation last Sunday. These discourses will probably be their last sermons at Harding as students, on "What It Means to Be a Christian." Charles Coleman spoke in the evening, contrasting the foolishness of God with the wisdom of man.

STATE TEACHERS TAKE TWIN BILL FROM BISON HERD

Poor Fielding Again Lets
Opponents Have a
Scoring Spree

McReynolds Pitches

Harding Hitting In Sec-
ond Game Fails to Pro-
duce Enough Runs

Losing a double bill to the Arkansas State Teachers College Bears by 13 to 1 and 12 to 4 scores, the Bisons ran their no-win streak to seven straight Monday, May 13, as they tightened their grip on the Arkansas College League cellar. The Bears jumped on Davis, Bison hurler, for five singles in the first frame of the initial game to score three runs and, although he only allowed them seven more scattered hits, they took advantage of seven errors to score ten more tallies. The Teachers scored five runs in the third on two hits, a walk, and two errors and another tally crossed the plate in the fifth on another single. Two errors in the seventh cost the Herd four additional runs.

The Bisons lone run came after getting on base on a fielders choice. Standifer, Teachers pitcher, set the Herd down with three hits, one of them a triple by Carlton in the first inning after two men were out.

The Herd got away to an early start in the second game when Beasley walked, Linn singled, and Carlton scored both men before him when he slammed out his second home run of the season. Doss struck out, Hendrix grounded to first, Cleek singled, but P. Vaughn flied to deep left field to end the scoring for that inning.

McReynolds, pitching the first game of his career, went in for Davis in the second after two men had scored and two were on base. He held the Bears to seven hits but poor fielding allowed the visitors to score ten more runs. An error in the second let in two additional tallies and three hits accounted for two more to give the Bears a 6 to 1 lead.

The Herd rallied in the seventh when McReynolds singled, advanced on Beasley's one base rap, and scored on Linn's single, but the scoring was stopped before they could run in another tally. McReynolds struck out five men.

Bison Nine Nosed Out By Champions

Harding Players Turn In
Stellar Performance
But Lose

A far different team from the one that made its 1935 debut at Russellville three weeks ago with a 24 to 1 whipping held the state champion Arkansas Tech team to five runs as they took a 5 to 2 defeat on the local diamond Thursday afternoon, May 16. Heffington, pitching nine hit ball, struck out ten Tech batsmen to turn in a stellar performance.

The champions took a 1 to 0 lead in the first inning when Gordon got on base by an error and scored on Burnett's single. The Herd knotted the score in the fourth frame when Hendrix scored on P. Vaughn's single to deep center. Tech took the lead again in the fifth inning when Flake walked, advanced to third on Springer's fly to right field, and scored on Gordon's one base rap.

Tech scored another tally in the sixth on Powell's double and Flake's two base rap but the Herd retaliated when Heffington scored Brown with a two base hit to right field.

Heffington held the visitors hitless for the next two innings but a hit in the ninth coupled with two errors gave Tech two more runs to give them a 5-2 count. Heffington started a rally in the last frame when he tripped to deep left field but was left stranded on third when Beasley and Linn flied out and Carlton watched a third strike go across the plate to end the game.

Harding's Coach Named All-State

Harding ranked another man in the first division of state athletics when T. H. "Lefty" Linn was named on the Arkansas Gazette's 1935 all state baseball team. Linn, player-coach of the Bisons for the past season, was given the centerfield position on the mythical team. Last season "Lefty" lettered in the outfield and had a batting average of .333 to place third in the Herd's average. This season he hit the ball at a .300 clip and fielded .950. And coach Linn turned in a successful season considering the difficulties under which he worked.

Beasley, a first year letterman, was given honorable mention for the second base position, a post he filled on the Bison nine all season. Beasley led the Herd in batting this season with a .480 average to rank among the heaviest hitters in the state. McReynolds, who participated in only one of the Bisons' 1935 contests, was given honorable mention for the rightfield position. Heffington, another first year man, turned in the best pitching performance for the Bisons.

Other selection for the all state squad are:

Catcher, Davis, Arkansas Tech; first base, Carpenter, Arkansas College, Batesville; second base, Proctor, Arkansas College; short stop, S. Gordon, Monticello; third base, N. Gordon, Arkansas Tech; right field, Martin, Ozarks.

Pitchers, Edwards, Teachers; Springer, Tech; McFennin, Tech.
Left field, Clark, Teachers.

Oklahoma Defeated By Flagala Group

The Flagalas defeated the Oklahoma club 7 to 6 in a state club contest Wednesday afternoon, May 22. Davis, pitching for the Flagalas, held the Oklahoma boys to six hits while his teammates were collecting ten hits off the deliveries of Brown.

Oklahoma scored the first run in the initial inning and then scored two runs in both the third and fifth before the Flagalas were able to cross the plate. The Flagalas ran in four tallies in the last of the fifth on one hit and two errors. They scored two more runs in the sixth.

The boys from Oklahoma tied the count at 6 all in the eighth

Tennesseeans Lose To Flagala Nine

The Flagalas had to go an extra inning in a seven inning game yesterday afternoon to defeat the Tennessee club 7 to 2.

The score was tied at 1 all at the end of the seventh. An eighth-inning rally which netted the Flagalas 6 runs off of five hits and one error put the game away for them.

Beasley, Flagala second baseman, scored the first run of the game in the first inning off of Doss's double after he had reached first by an error and a stolen base. The Tennesseeans tied the count in the third inning when Pitner singled, stole second, and then scored on Linn's single to center field.

Cleek who had given up only three hits until the eighth was jumped on for five hits in that frame when the Flagalas scored 6 runs. Tennessee scored one more tally in their half of the eighth. Underwood, pitching for the Flagalas, allowed only six hits.

Many trainers believe that an athlete is never in prime unless he shows signs of irritability just before a contest.—Arkansas Gazette.

when they scored another run with two hits. Underwood, pinchhitting for Davis in the eighth, singled to right field, scoring Paine who had singled and stolen second, for the

HORN AND HOOF

By Gene Pace

As expected, the Bisons showed so much improvement over their first game of the season—a 24 to 1 defeat at the hands of Arkansas Tech—that they almost beat the same team in their second encounter. Heffington hurled a stellar game and collected his quota of the hits with a double and a triple in four times at bat, while the rest of the team came through with the best support they have given a pitcher this season. If the Herd could start now, or even two weeks ago, instead of when they did, they would have won a majority of their games.

Did You Know?.....that Beasley was batting at a .480 clip.....that "Topsy" McReynolds was given honorable mention for the right field position on the all-state nine, although he only played in one game and pitched that one.....that this is the last time I will get to compose a Horn and Hoof.....that an eastern college lost 27 consecutive athletic matches and received so much publicity the coaches are considering repeating the procedure next season.

If this years' baseball team could

be brought together again next season, Harding could, in all probability, finish in the first division instead of in last place. And that isn't just my opinion either—that comes straight from two Arkansas college coaches.

For the first time in several years an all state baseball team has been named by the Arkansas Gazette. The stated purpose was to promote interest in college baseball in the state. It certainly needs promoting if you ask me. But with coaches all over the state boosting it and the state papers doing their part, it seems that in a few years the national past time will regain its deserved place in college athletics.

There is a vacancy in the city softball league that could be filled by a college team if those attending summer school are interested. So far as I can find there is no charge and very little equipment would be necessary. But the team must enter pretty soon so if any of you are interested see me pretty soon and I will try to get the team placed.
