Making our last efforts to meet the Challenges of "the sixties", Harding Elementary P. T. A. outlined a well-planned program to invade the seventies! The theme for this school year is "Resources for Enrichment - the Road to Achievement."

The continued cooperation of the dedicated teachers and the concerned parents who compose our P. T. A. is most gratifying.

The first meeting of the Harding Elementary P. T. A. will be held Monday night, October 6, at 7:30 in the elementary auditorium. Yearbooks will be distributed and our plans for the year's work will be presented.

Our theme for 1969-70 is "Resources for Enrichment - the Road to Achievement." What better way to begin our year of enrichment than by having for our program a panel to better acquaint us with our school. Dr. Ganus will serve as chairman of the panel with Mrs. Jack W. Sears and Bill Diles. We encourage you to come prepared to ask any questions you wish during the question - answer period. This is your opportunity to become better informed about the school.

Following the meeting the teachers will be in their rooms for "Open House". Plan now to come and see your child's work and visit his room.

Mrs. Joe Taylor and her committee will have some tasty refreshments for us also following the meeting.

TIME TURNED BACK—The second grade class of Harding Elementary School with their teacher, Mrs. Betty Alston, participate in the customs of their great-grandparents in the little school house on the White County Fair Grounds.

Harding second graders relive By-gone days

The second grade class of Harding Elementary School and Mrs. Betty Alston, teacher, turned back the pages of time and attended school in the little school building that was erected about 1885. This little school house is located now on the White County Fair Grounds. This building was originally used at Little Red, seven miles east of Pangburn. It had two stories originally with a masonic hall above. It was moved here and restored with gifts by Prince Wood of Pangburn, Berchel Lewis of Little Rock and Oran Vaughn of Searcy, who are first cousins. The mothers of these men and their sons also attended school in this building. Among other attractions were old books such as "McCuffeys Reader" and "Ray's Arithmetic". Vaughn's school bench was displayed.

This building was donated by the Pangburn School Board.

While the children were at the school, Mr. and Mrs. Guy Castleberry, of 303 West Center Street, visited the "school" and Castleberry talked with the children about the by-gone days when he attended this school.

Jack E. Porter, administrator of the Arkansas Historic Preservation Program at Little Rock visited the school that day, also.

He spoke briefly to the children.

Mrs. Oran Vaughn served as chairman and hostess. The children from the Harding Elementary School attended at her invitation. The school had many visitors that day.

HARDING ELEMENTARY PTA MEETS MONDAY

The April meeting of the Harding Elementary PTA was held Monday night in the Elementary School Auditorium. After reports by the secretary, treasurer, and various committee chairmen, Mrs. Helen B. Groth was introduced to give a report on the White House Conference on Children. Mrs. Groth was one of 19 delegates to the 4-day conference held in Washington, D.C., December of 1970.

Mrs. Groth repeatedly stressed that the conference was managed by the people in Washington. The recommendations of the delegates were overlooked. Those presented by the president were the ones printed in the Eastern papers. The Arkansas delegation had prepared reports to present to the conference. At the conference the delegates were scattered among the 4,000 representatives and felt their influence was of little effect. The conference was workshop structured to facilitate communication among representatives.

Some of the topics discussed at the conference were individuality, learning, health care, parent and family living, and community environment. Three concerns expressed were the need for comprehensive family oriented child care, elimination of racism, and the need for a basic guaranteed family income for needy families. All the repre-

sentatives felt there is a need for some group to lobby on behalf of children. They also felt there is a country-wide need for more child care centers and such centers should include the child's family in their programs.

In a question and answer period following Mrs. Groth's speech several interesting facts were brought out. Kindergarten has been recently legalized but the program has not been funded by the state legislature. Money that would have founded kindergartens was used for teacher's salaries. According to Mrs. Groth there are not enough trained kindergarten teachers in Arkansas to make a statewide program operable. Currently there are 20 kindergartens in the state operated by various colleges and universities. A move has been made by the Arkansas Council on Children to have the Arkansas Conference on Children meet more often than every 10 years as it currently does.

HARDING ELEMENTARY PTA TO HOLD MEETING

The Harding Elementary PTA will meet Monday, April 5 at 7:30 p.m. in the Elementary Auditorium with a special guest as speaker. Mrs. Helen Groth, Arkansas delegate to the recent White House Conference on Youth, will address the open meeting to which all visitors and interested persons have been invited to attend.

NEW PTA OFFICERS—Harding Elementary P.T.A. officers for the 1971-72 school year are, l to r, John Morris, vice-president; Mrs. Ben Berry, treasurer; Mrs. Don Berryhill, secretary and Bob Coker, president.

Harding Elementary PTA holds meeting

The Harding Elementary P.T.A. held its last meeting of the year on Monday, May 3, at 7:30 in the Elementary Auditorium.

The meeting was opened with a devotional presented by Karyl Bailey.

President, Bob Coker, announced that due to a tie the annual Room Count Award would be awarded the the 1st grade and 6th grade; each class would receive \$5.00.

Following the business portion of the meeting, a program concerning the selection of children's entertainment was presented. With Ed Higginbotham serving as moderator, the panelists were: Ron Brotherton, Mrs. Bob Coker, Bob Eubanks, and John Morris. Their presentation was entitled "Who Makes the Choices?"

Officers for the 1971-72 school year were installed. The new officers are: President, Bob Cok-

er; vice president, John Morris; Secretary, Mrs. Don Berryhill; Treasurer, Mrs. Ben Berry; Historian, Mrs. James Hedrick; and Parliamentarian, Richard Walker.

Refreshments and a period of fellowship followed the meeting.

Dear Parents,

The Fall Festival will be held THURSDAY. The children will be working hard at school to make this festival a great success. We want to do our part, too. Please go through your children's discarded toys, books, and other things, and send over anything that you think would bring pleasure to some other child.

Supper will be served from 5 until 6:30 p. m. The menu this year includes sloppy joes, baked beans, potato-chips, and homemade pie. You can buy all of this for \$1.00 if you are in the 7th grade or older. You can buy it for 75¢ if you are in the sixth grade or below. Cokes and coffee will cost 15¢.

Mr. Bill Curry will make the sloppy joes and the baked beans. (He got the meat donated to the P. T. A.), and we know they will be good. Remember that we parents furnish the pies--and were they good last year! Each family should bring two fruit pies. Please cut them into six pieces, before you bring them, to save the servers time. Don't forget to put the pies in disposable containers because you may never see that pie plate again. We would like to have the pies in the kitchen by 4:30 if possible. By the way, if you do not have time to make your pies, how about ordering them at the Rendezvous or the bakery? The frozen pies do not sell well when surrounded by the homemade variety. In addition to the pies, each family is requested to furnish one item for the bake sale. Caramel apples, fudge, cookies, home-made bread and cakes go over well. These items should be brought by noon if possible. Please deliver to the fifth grade room.

We plan to have about 20-30 minutes of cartoons shown at 5:30 and 6:00 o'clock in the high school auditorium for the price of one 10¢ ticket for each showing. Cartoons will be shown again following the spook parade at 7 P. M. If you are on the clean-up detail, you might let your children see the cartoons then.

Dear Parents,

Hopefully you marked your calendars and are planning to be at the PTA meeting Tuesday, September 11, 1973.

Openhouse and membership enrollment begin at 7:00 pm. The regular meeting and program on "Pros and Cons of Grades" by Mr. Ron Brotherton will be at 7:30. Your child and all children need your support. PLEASE ATTEND!

*Membership dues are 50¢ per parent. ALL FOLLOWING PTA MEETINGS WILL BE THE FIRST MONDAY OF THE MONTH.

Dear Parents,

Our Fall Festival, one of the biggest money making projects for Harding Elementary P.T.A., will be held Tuesday, October 30, beginning at 5 p.m. Mark your calendar for this and plan on coming and bringing your family and friends for an evening of fun.

Plans are to have the following booths:

- Grade 1---Fish Pond
- Grade 2---Dart Throw and Apple Bob
- Grade 3---Spook House
- Grade 4---Bake Sale
- Grade 5---Gift Shop
- Grade 6---Country Store and Photography Booth

Donations for any booths will be appreciated but we especially ask the help of everyone in supporting the Bake Sale and the Country Store. If each family will plan on bringing one item for the bake sale it will be a success. Best sellers are iced brownies, candied apples, popcorn balls, fudge and homemade bread. Cakes, cookies and all home made candies sell well also. Bakery items and frozen pies do not sell well. Please wrap your baked goods individually and it will be a big help to the mothers working in this booth. Try to have them at school by 3:00 so the pricing committee can begin work. The Country Store needs any toys, games, books, polaroid film, or miscellaneous items which you feel would be good sellers. You could begin collecting these now and send to the 6th grade room anytime.

Supper will be served from 5 until 6:30. The menu includes frite pie, tossed salad, hot rolls and homemade pie. Cokes or coffee may be purchased separately. The price of the meal will be \$1.25 for adults and .75 for children. Each family is asked to provide 2 fruit pies (homemade, please). These will need to be cut into 6 pieces and brought in dispoable containers to the lunch room by 4:00 p.m.

Beginning about 6:40 p.m. will be a spook parade under the direction of Pat Berry. A later notice will be sent regarding categories to be judged and rooms to dress in. Prizes will be awarded for the best costumes so be planning yours now.

Cartoons will be shown in the High School Auditorium for the price of a ticket with show times at 5:30 and 5:00.

School will be dismissed at 2 p.m. so that the building can be prepared for an evening of Halloween fun for all.

Thank you,
Carolyn Priest, Chairman
Jane Sharp, Co-Chairman

FALL FESTIVAL

Tuesday, October 30

Dear Parents,

Our Fall Festival is just 5 days away! This is just a reminder to be sure and send your items for the country store (toys, games, puzzles, canned goods, etc.) by noon Tuesday.

DON'T FORGET to bring your fruit pies and you "goodies" for the bake sale. Try to have them at the school building by 3 P.M.

The spook parade will begin shortly after 6:30 p.m. There will be three divisions; preschool, Primary (grades 1-3), and Intermediate (grades 4-6). The preschoolers may dress into costumes or put on the final touches, in room 11 of the High School. Primaries will use room 12 and Intermediates the library. First, second and third prizes will be awarded in each division.

If you have been asked to help in the kitchen or on cleanup detail please make a note of your time so you won't forget.

Let's all help make this night a big success!

Carolyn Priest

Dear Parents;

The Fourth Graders will appreciate the cooperation of all parents in providing items for the Bake Sale.

Fudge, candied apples, iced brownies, cupcakes, popcorn balls, and baked breads are favorites with the Fall Festival customers.

Please wrap in plastic wrap or baggies the baked goods, such as cupcakes, cake slices, brownies, etc., individually. Three or four cookies may be packaged together.

An abundance of small paper sacks will also be needed. If you have used paper sacks that you can donate, please send them to the 4th grade classroom on Monday.

Since the Bake Sale will be open to the college students at 4:00 P.M., please have your baked items at the school building as early in the day, as possible in order that they may be priced before the college customers begin to arrive.

Thank you for your help.
