MINUTES

The regularly scheduled meeting of the Executive Council of the Student Association met in the Seminar Room of the library. The meeting was opened by a prayer led by Charles Pitman, Graduate School Representative. The business discussed was as follows:

1. A letter from Dean Sears was read to the council concerning the Senior Exemption measure discussed in a previous meeting. Dean Sears said in the letter that the matter had been discussed and it was the belief of the faculty that this would not lead toward improvement in the seniors but often caused them to neglect their subjects toward the end of school. Therefore, the bill was not favorably passed by the faculty and will not go into effect.

2. The coming election was discussed by the council. Paul is to make a speech in chapel giving the qualification of the candidates. He is to, also, encourage campaigning and good sportsmanship of the candidates. It is the hope of the council that many people will take an interest in the election of their student body officers and will petition many good candidates to run for office.

The meeting was closed by a prayer led by George Aeiffer.

Respectfully submitted
