some of us have to spend two to three hours daily. This gives a little extra enjoyment at the

Tumbling Act

Of LeRoy Hall

"I'm Pulling For You" and "I
Pull For and Go Home" seems to
be LeRoy Hall's theme songs
these days. In order to help out in
the time of emergency, LeRoy took
part in the tug of war with a small
team to support the athletes in
the gym, on the ground with the
towel still on his head.

About 11 a.m. he started to the
lumber with his bundle of dirty
clothes. For some unknown
reason he became tired and fell
into a short sleep just as the,
last of the cotton was left on his
head. Later he went walking hurriedly
down the hall, raising his
bunch of blankets with a smile
and was back in class in
minutes.

His tally was not
recorded in the
official tally, but
his work was
praised by the
students.

Sports Gazing

All that snow coming from the Ozark Mountains Friday night should not keep us from enjoying the usual game of baseball. If there were any interest in the sport, we might as well enjoy the game of baseball as it is. The game is played in the snow, and the wind is blowing to make the ball fly. The players are wearing their regular uniforms, but the ball is covered with snow. The game is won or lost, depending on how well the players can hit the ball. The game is a good one, and the players are enjoying themselves.
