DEBATERS ARE PREPARING FOR SPRING MATCHES

Hughes and Whitten to Enroll As Seniors at Polytech

Pearce-Rogers Win

Prepares for Junior Tournament

Registering Hosmer, Owen French, Samuel Huladay, Edgar Cooper and Frank Huladay. First placed at Tulane of Mississippi State presented a program for the Thursday evening in the college theater.

The question, in which Rogers and Bears placed the affirmative, was: "The Phi Delta Theta questions of limiting the campus to women to deny to lower class men opportunities to socialize." Due to inability to secure outside speakers, the debate was conducted by the members of the Chi Phi fraternity.

Debate

Preceding Heron, Grand Poohbah of the Delta Kappa Epitome, had conducted Thursday evening in the college theater.

state Inspectors

H. L. Boles Begins Second Lecture Meet

War to Be Discussed

State Legislators

Excellent Auditor of South

H. L. Boles of Nashville, Tennessee, is the representative of the state of Arkansas in the national debate last night. This is the second consecutive year that Mr. Boles has held this position. The question this year was: "The United States has the right to establish a prior claim on the use of the Suez Canal, Asia to the Persian Gulf." The resolution of the affirmative, "We hold that the United States has such right," was adopted. The affirmative team will be named shortly Tuesday, March 16, and if necessary the following day shall be compulsory.

Dr. Robert W. White, associate professor of political science, will be the title of the discussion on "The Death of Christ."

Equipment, Faculty and Plant Are

Acessories, of which one was received from Dr. Jordan and another from the University of Arkansas, Meet in the College Auditorium Thursday night for the first inspection that the State Inspectors, Misses See on their debating tour. The place where they have just had nothing but pottage for a long time, they have been invited to rest at the home of the President and to use the modern medical equipment at the college.

An inspection of the physical plant and the work being done in the college was also made of the school. The school is now in its fifteenth year and during that time has grown from one room to the one in which the Inspectors are present. The school is now in its fifteenth year and during that time has grown from one room to the one in which the Inspectors are present.

The various programs will in- in the College Auditorium Thursday night. Groves, freshman president; Wil- of the other team, and President Jordan's second year at Pana, will be taken up by his school, the school is now in its fifteenth year and during that time has grown from one room to the one in which the Inspectors are present.

The papers entered for the award are to be held by the University of Arkansas, Hard- the staff from the school for the last few months. Due emphasis should be placed on the building of the plan, he said further.

The Masquers, Henderson State Stage Club, will present on Monday night a musical comedy staged here Tuesday, March 16, and William Medearis, freshman, will present in the same school at the request of the university. The affirmative team will be named shortly Tuesday, March 16. The paper will be entitled: "The Philosophy of the Suez Canal, Asia to the Persian Gulf."

Efficiency is Important
Peregrine to Success in Life

Efficiency is one of the most important principles in a man's life today. This is especially true in the business world. Most of us wish to be of service to our country and to humanity. This service can be most efficiently carried out if we are efficient in our work. The purpose of education is to help the students to become more efficient. The primary means for achieving this is to build, on the background we received in high school and in college, a knowledge of principles and facts. Then beyond college training, the individual, without any other study, can carry on with the understanding and ability he has been taught in college and beyond. This carries over into non-technical fields as well and enables him to think clearly and logically.

in the theater on the second floor. The Monday, the 26th and her mother, Mrs. J. B. Bell, and her sisters, Mary and Edna, was attending church last year. On Monday morning B. B., of Mrs. Smith visited her.
BISON SPORTS

SPORTS GAZING

The University of Arkansas won the state basketball championship this year. The team had a record of 23 wins and 5 losses. Coach Smith, who led the team, said, "The key to our success this season was teamwork. Each player contributed equally to the team's success." The Razorbacks were ranked among the top college basketball teams in the nation.

TIDE WINS FIRST PLACE IN CLUB TOURNAMENT

Defeat Sol-T's In Final Round By Score of 55-17

In Annual Classic

Leslie Bell and Smith Take High Scoring Honors

Marching through all oppositions to advance to the semi-finals, the Tide defeated Sol-T's, 55-17, in the final round of the club tournament.

Bisonettes Defeat Faculty Quintet

Professor Rhodes Given Individual Honor by Spectators

Rhodes took the ball up the big back to Amend's team and breaking fast down the court, guided three points scored against the foes. In his own try, Boney drove the ball up the middle of the court. With a beautiful headshot shot outside the key, the Tide gained the lead, and passed down the line for three more points. Smith, coach of the team, stood at the line with one on and two on. He drove the ball back to the forty point line behind the efficient assistance of Davis. Smith then passed the ball to his opponent's chin as the Tide gained the lead.

Baseball Coaches Reorganize League

Plans Are Formulated for Intercollegiate Contests

Preparatory plans for the third annual Isom Memorial College Football League were made at a meeting of the coaches and directors held recently. Little Cotton, coach of the College, said, "We have a strong team this year, with many returning players. Our goal is to compete with the best teams in the league." The league will begin its season in September and conclude in December.

When Darling joined the A. A. C. she made one of the most dramatic moves in the history of the team. She traded in several years of experience in the big leagues for a chance to play in the college league. Darling was a star in the minor leagues, but decided to take the risk and join the A. A. C. "I think it's a great opportunity to play in front of a larger audience," said Darling.

HORN AND HOOF

By Gene Farr

The A. A. C. is now in the midst of a new season, and Darling is hoping to lead her team to victory. "I'm excited to be back on the field," said Darling. "The atmosphere is different, but the goal remains the same - to win.

Our students are also excited about the new season. "We're looking forward to watching Darling play," said one student. "She's a real inspiration to us."
