Dear Ladies,

We hope you want to join AWH again this year, or join this year for the very first time! If you're in doubt, here's a handful of highlights...

**Your dues money goes directly to scholarships for Harding students!**
Last year AWH awarded 31 scholarships!

**It's not just for women anymore! Men can support the cause as AWH Fellows.**
Fellows dues are $25 a year, and they will automatically receive an AWH lapel pin!

**Lifetime PLUS! — A New Level of Membership for Lifetime Members**
This is for the member who wants to go "above and beyond" by paying annual dues on top of a lifetime membership. Remember, this money will go to Harding students in the form of scholarships. In addition, Lifetime PLUS members will be honored in a special section of this year's member directory!

**Attend our monthly programs and make new friends!**
The Searcy chapter meets seven times throughout the year. Childcare will be provided again this year!

**AWH puts the FUN in FUNDRAISER!**
To become a member for 2002-03, just send in your dues—$20. In fact, it's even possible to "super-size" your membership to a higher level at any time throughout the year! Just take a look at the membership levels below.

We'll kick off the year on Sunday, September 8, at 2:00 p.m., at the home of Tony & Bettye Finley, 211 River Oaks Blvd., Searcy. The program will be "Getting to Know You" with Beth Buterbaugh, our first vice president. We hope to see you there!

Yours truly,

Lara Noah

Ladies,

Thank you so very much for being willing to be a hostess for the A.W.H. tour of homes. It was a huge success, raising about $2000.00 for the scholarship fund. I know that success was due greatly to you—members who invited friends, sold tickets, and spread the word in the community.

The task of being a co-chairman of the new chapter means to you, and I thought it was much more enjoyable when you know you have good, reliable friends who can be called upon when needed!

Thanks again for all you do for A.W.H.

Although workers had to hurry to put the finishing touches on it, The Founder’s Room of the American Heritage Center at Harding University was reopened on Friday, and hosted its first event since being heavily damaged by a fire that was set by an arsonist last fall.

The event was a style show in which Grace Steuri, a collector of vintage clothing and period jewelry, shared her vast collection of garments with the audience. Steuri has presented style shows throughout the country as a means of charitable fund raising. Her shows have reportedly raised in excess of $200,000 for organizations such as Hospice, Centers on Aging, women’s shelters, the Professional Business Women’s Auxiliary, and several scholarship programs. On this occasion, however, the show, entitled FASHIONating History: A Time Capsule of Fashion was presented as a means of raising money to benefit the Associated Women of Harding scholarship fund.

The program began with models dressed in reproduction garments worn by women in ancient Egypt, Greece and Rome. The audience also delighted in seeing authentic vintage clothing in Steuri’s collection from the 20s, 30s, and 40s and later.

Prior to the fashion show, opening remarks were delivered by Harding University President, Dr. David Burks. Referring to an oversized presentation check on display, Burks pointed out that the AWH has raised over $95,000 to benefit the university.

“That’s a significant increase over last year,” Burks said.

Several awards were also presented during the event by AWH Executive Director, Liz Howell.

Bety Alston of Searcy was named Outstanding AWH Member for 2002-2003, and three individuals were recognized with a new award entitled the AWH Worthy Woman Award.

“This award is presented to someone who never wants to be first or ahead of someone else,” Howell said of the Worthy Woman Award.

One of those who received the award was Louise Ganus.

“Her gentle and kind spirit, love, dedication and support of her husband and Harding serve as a role model for countless women,” Howell said of Ganus.

Marie Yingling and Tammie Hacker were also recipients of the award.

“She exemplifies the role of a servant,” Howell said as she described Yingling. “She quietly takes care of the AWH house and sometimes walks from Harding Place to make sure it is ready for its next guest.”

Of Hacker, Howell said, “This worthy woman continues to amaze us with her energy and dedication to Harding. Her life is devoted to serving others as she volunteers for numerous projects.”

Louise Ganus received a standing ovation Friday at the FASHIONating History vintage style show to benefit the Associated Women of Harding Scholarship Fund after she received an AWH Worthy Woman Award. (Citizenphoto by Janet Wilson)

Join us on September 8th...

Our first meeting for the 2002-2003 school year will be on Sunday afternoon, September 8th at the home of Tony and Bettye Finley, from 2:00 - 4:00. Our first vice president, Beth Buterbaugh, reported that the theme for this meeting is "Getting to Know You," and has activities planned to meet that goal!

Information about AWH will also be given at this meeting—how many of you have asked, or had others ask you: Why is there an AWH, and what is its purpose? How are the monies collected for dues used? Why are there so many fund raisers? Why should I join—I already have too many things to do?

Bring a friend—ask someone new to our community, or someone who has never been or not come for a while—join us on the 8th!

CHEERS BOXES
A service project of love for HU students—to be prepared & packed Dec. 1st - 4th
Come to Harding Academy on October 7th...

Dr. Paul Haynie, through a power point presentation, will be taking us on a tour of U.S. Presidents' homes at our October 7 meeting. Dr. Haynie is a professor of history at Harding University and is renowned for making history "come alive" to his students--and the many others who get to hear him.

His passion and love of history is contagious! The program will begin in the library at 6:30 p.m.

We are all in for a treat with the program this month--make plans now to attend. Reach out and ask someone (or several someones) to attend with you. Perhaps there is someone new in your neighborhood or at your church or someone you would like to get to know better. It might be someone who has been here for a long time but for some reason has never been asked to be a part of AWH. Call someone now and ask them to go with you. Our membership drive is going well, and we would like to see the momentum increased even more. Free babysitting will be provided at the Academy, and refreshments will be served after the program.

I hope to see you on October 7th. In His service, Karen Horton

Mark your calendar for our next meeting--November 4th--at College Church of Christ in the family room. Please note this is a luncheon meeting: 11:30 a.m.-1:00 p.m.

Katie Cobb, a Harding alum now with the White County Extension Service, will be doing a program on "Healthy Holiday Cooking."

Free Babysitting will once again be provided by the girls in the Chi Omega Pi club.

Many thanks to Bettye Finley for opening her beautiful home for our September meeting--we had a great time!!!
If you have not already done so, be sure to send your check for this year's dues to Lara Noah at Box 10842.

If you have any questions, please call her during the day at [Phone number removed].

The AWH National Council meeting was held on Friday, September 20th, and many exciting projects are being planned by the various chapters—from a pie auction in Memphis, calendar sales in Jonesboro, and a big Family Walk in Hot Springs. Our own Liz Howell is making lots of new things happen—new chapters are being planted—the enthusiasm was obvious!

A Vintage Style Show/Luncheon has been scheduled for Friday, March 28th. This promises to be a rare treat! You will receive more details as they become available.

Also, a Silent Auction has been scheduled by the Searcy AWH chapter in conjunction with Spring Sing. It will be on April 19th. You will receive more information on this as well.

Many exciting things to do—come be a part of it!!
“Healthy Holiday Cooking”
It’s time to start thinking about the holidays, and what better way to do this than learn how we can plan for making those special holiday meals attractive, delicious—and healthy!! Katie Cobb, a graduate of Harding University, now with the White County Extension Service, will be showing us how we can do this. You’ve probably read some of her articles in The Daily Citizen! As this is a luncheon meeting, some of Katie’s recipes will be prepared for you to try.

When: Monday, November 4th from 11:30 a.m. - 1:00 p.m.
Where: College Church of Christ Family Room
Free Babysitting—thanks to the girls in Chi Omega Pi!

Approximately 50 lucky individuals were privileged to listen and watch as Dr. Haynie led us on a tour of different homes of past U.S. Presidents. The pictures were so good and the stories he told truly did bring history alive. His presentation caused many present to want to visit some of these beautiful homes—and several were overheard saying they would like to audit his classes.

A BIG THANK YOU

The CHEER project was a huge success—we received many, many positive comments from students. The quality of the food was outstanding. We couldn’t have done it without your help. It is an enormous job to make homemade goodies for 600+ students—many, many of you helped make it possible this year—please know that your time and effort in making this possible are greatly appreciated. Also, the 2002 Tour of Homes couldn’t have been better and was again very successful. The homes were beautiful, and everyone in attendance really seemed to have a wonderful time. For everyone who helped in one way or another, thank you as well!!

When you see Kacy Barden or Cindy Hunter, please let them know how much you appreciate all the many hours they put into organizing both of these events.

Thanks again!!  Karen Horton, AWH President

GUESS WHO'S COMING TO DINNER...

AUCTION COMING UP...
Spring Has Sprung!

Warmer weather and all the beautiful things that accompany the spring season are definitely here—January and February flew by at a dizzying pace and March is just about over as well.

Mike James did a wonderful presentation on digital photography for us at our last meeting—everyone present was impressed with how much technology has advanced. Not only did he explain how digital cameras work, he gave lots of tips on what to look for when buying a digital camera. At the end of the meeting, most everyone stayed and visited and enjoyed the refreshments served by our hospitality chairperson, Lisa Todd.

"Window Treatments"

Our next meeting is coming up fast: Monday, April 7th. McKay Murray will be presenting the program on “Window Treatments” in the library at Harding Academy at 6:30 p.m. At this time of year, many are busy with “spring cleaning” which often leads to the desire to make changes in decorations. Here we are with a wonderful opportunity to learn about the latest in window treatments from a woman who is definitely an expert in this area. It should be a very informative and fascinating program. Plan now to attend... and bring a friend (or 2 or 3)!

Final Meeting for 2002-2003

There will be a catered meal—more information will be given at April meeting and in next newsletter.

Final Meeting for 2002-2003 on June 2nd
Home of Lara Noah, 910 West Arch

Traditionally, the program for the last meeting of the year is the Installation of Officers, and a meal is served. This year, Kathy Allen will be catering our meal—the menu sounds wonderful! It promises to be a delightful evening, and we hope you will make a point of coming to this meeting in support of the new slate of officers for the 2003-2004 year!

Karen Horton

Thank You to everyone who has had a hand in helping in any way this school year of 2002-2003. It has been a highly successful year in terms of raising scholarship monies; our local chapter raised and gave approximately $25,000--really a tremendous effort!! FANTASTIC!!

Changes are Coming...

We are looking at making some changes in AWH to reflect the needs of everyone during the busy times in which we live. The first big one is in the number of meetings. We will meet formally only four times. Watch for more announcements about these meetings and other changes as well.

If you have any suggestions or recommendations, please share them with any of the AWH officers—outgoing or incoming. We would very much appreciate your input! Many, many deserving students are helped financially by the monies raised through the various AWH chapters. Our Searcy chapter has always “raised the bar” and we certainly want to continue to do so. We would appreciate any of your ideas regarding programs, new fundraising projects, etc.

All of this brings to mind a certain “story” which most of you have probably seen at one time or another:

Whose Job Is It?
This is a story about four people named Everybody, Somebody, Anybody, and Nobody. There was an important job to be done and Everybody was asked to do it. Everybody was sure Somebody would do it. Anybody could have done it, but Nobody did it. Somebody got angry about that because it was Everybody’s job. Everybody thought Anybody could do it, but Nobody realized that Everybody wouldn’t do it. It ended up that Everybody blamed Somebody when Nobody did what Anybody could have done.

Heirloom Quilt
Last day for making a bid on this beautiful quilt is May 7th. Contact Charlotte Pigg or Harriet Raley with any questions.
These pages are tested and approved for long-term storage of photographic materials and memorabilia.
