The Student Advisory Cabinet met Thursday, April 18, 1957, in the Student Association office. Dick Richardson, President presided.

The President reminded the members there was little time left. He encouraged each member to continue working in his field. There would be very few formal meetings held.

Secretary of Student Relations, Nina Harvey, reported on the questionnaire to be submitted to the student body. Various types of questions were discussed. It was decided that the less the students had to write the better the chances of getting students to fill out the questionnaire. Dr. Edwin Hughes would continue to assist in forming the questions.

Secretary of Student Relations also reported that a bulletin board display of Student Association activities would be in the Student Center for senior day.

Secretary of Social Affairs, Betty Floyd, reported that a party was being planned. One possibility was a skating party, but the lack of space would not permit such. The other possibility was a party in the park arranged on the order of a three-ring circus.

The President invited the cabinet members to join the council in the sunrise breakfast that was being planned.

There being no further business, the meeting was adjourned.

Respectfully submitted,

Evelyn Lawrence
Cabinet Secretary
