Dear Folks:

We certainly did appreciate your short visit a few weeks ago. I had hoped to see some of the congregation over the Easter holiday but didn't get to see any of them. The Harold Eldridges stopped in for a few minutes about a week ago.

Enclosed you will find a card I received from Weather-Seal of Dayton. I had forgotten about ordering a new screen insert for one of the windows in our bedroom. There is one up there does not have a screen. The reason it doesn't is because I tore it up trying to fix it. Would you please go by and pick it up, let the Church pay ~~###~~ for it, and send me the bill and I will return payment for it. The card reads like there are more than I ordered but the house only needed the one screen insert. That just ~~may~~ be a form card sent to everyone.

Our work is coming along as good as could be expected. (I must brag for a moment.) Made 99 on mid-term Algebra, 95 on mid-term Biology test and A on mid-term Anthropology. I just hope I can keep those grades up through the quarter. We baptized a man today that no one had been able to reach. He came every Sunday with his wife who is a member but had never obeyed the gospel. He is still relatively young though he has made a fortune in sporting goods manufacturing. His name is Joe Adams, I don't think you know him.

~~###~~ Hope everything is going good at Church. Let me know when you hire a preacher. We still have no baby or babies, I think Sue has backed out!

We send you our love and concern,
