The Cabinet met March 18, 1958 for their regular meeting. Bill Diles, Secretary of Projects, suggested that the Student Council be in charge of collecting and storing boxes for the students to use when moving. A committee could be appointed to collect the boxes for stores in town. It was decided to collect about 1,000 boxes which will be stored in the storage room in Armstrong.

The next topic of discussion was a Student Emergency Loan Fund. The Business Manager of the college will have to handle the loan according to the regulations of North Central. The Dean of Men and the Dean of Women will also have charge of the money in case the Business Manager cannot be reached. The person in charge of the fund will decide if the case is an emergency by the following regulations:

1. Immediate travel expenses due to unusual circumstances.
2. Expenses incurred on official school trips due to unforeseen basic necessity.
3. Necessary medical expenses not covered by other sources.
4. All other emergencies deemed necessary by the administrator.

The student must sign the note which is to be repayable in two weeks.

The fund is to be built to $300 with a borrowing limit of $15.00 except in unusual circumstances requiring a larger sum. The administrator will determine whether the situation requires a larger sum. The problem of keeping the administrators informed on how much money was in the fund was brought up but no solution to the problem was found.

Respectfully submitted,

Martha Tucker
Cabinet Secretary
