Attend the Annual Banquet

Social Clubs to Join In Entertainers

Parties Are Planned
Various Functions Will Honor Retiring Members

A majority of the social clubs in the city held their parties these days, and we expect that most of them will be held in a few weeks, too.

Although a few of the parties have been held at the last minute, we were able to write about them in time for them to appear in the paper.

A large number of the invitations were sent out by mail, and we expect that many of them will be held in a few weeks, too.

The following article was prepared by the cooperation of several of the social clubs in the city, and will be published in the weekly paper, which will be available in a few weeks, too.

Give Your Financial Support to the Alumni Association

Have you enjoyed this issue of the Harding Times? We hope you will continue your support of this publication. There are many ways you can give. You can give by check, money order, or through the Alumni Association. We are always looking for new members. All of our members have given to the Alumni Association.

**Invitation to You**

For a "Family Reunion" Here June 1

First of all, I am too busy for a social event. I am too busy for a social event. I am too busy for a social event.

The June 10, 1918, issue of the News was the last issue of your school newspaper. In that issue, your school newspaper was called the Star. The newspaper had a total of 16 pages. The newspaper was printed on white paper. The newspaper was printed in black ink. The newspaper was printed in one color. The newspaper was printed in one color.

The University of Minnesota includes a top-notch sport for girls and women. The University of Arkansas at Little Rock is one of the top colleges in the nation for women. The University of Arkansas at Little Rock is one of the top colleges in the nation for women.

A lioness is defined as a female lion that over 10 years old. There will be little change in your pockets this year.

Be sure to join us at this event and enjoy the company of your fellow alumni. We look forward to seeing you at the Alumni Reunion this summer.

Dr. Ralph Bell, Dean of the College of Business and Economics, will be in attendance. Dr. Bell will be speaking on the topic of "The Importance of Financial Management."

Dr. Bell is a renowned expert on financial management and has written several books on the subject. He has also served on the Board of Directors for several major companies.

Dr. Bell's presentation will be followed by a Q&A session, where attendees will have the opportunity to ask questions and engage in discussion.

Dr. Bell is currently the Dean of the College of Business and Economics at Harding University. He has been with the university for over 10 years and has served in various leadership positions during that time. He is a highly respected and influential figure within the university community.

Dr. Bell's presentation will be held in the Alumni Center at Harding University. The event is free and open to the public.

We hope to see you there and encourage all alumni to attend this important event.
History of Local Debaters

The school year of 1936-37 has been a year of "Firsts" for Harding College. Throughout the year, many new achievements will be accomplished. Harding has won more firsts than this year any other year of the organization of the school. For the first time there was a change in the presidency of the school. In the spring of 1937, J. D. Armstrong, who had been presi-
dent of the school, was transferred to another position. In the fall of 1937, the school had new men in the presidency, who were better prepared to take the place of Mr. Armstrong.

13th Year of Service

Harding College is a standard Senior College, au-
orized by the State to confer the Bachelor of Arts, Bach-
elor of Science, and Bachelor of Music degrees. Students working out a major in any department are qualified to en-
ter the graduate schools of the larger universities. Students from other states or those who may desire to teach in other states, can secure their teachers' certificate in those states without examination upon completion of the necessary professional courses in Harding College.

High school courses offered for those wishing to com-
plete requirements for graduation or college entrance.

Senior Class of Academy
Publishes 6 Pages

The senior class released their first news sheet. "The Hatter," last winter. It was the first such project ever attempted by the lo-
cal press. Under the direction of Frank Thermon and Gilbert Dar-
non as editors, the paper was supervised by Claude Ransdell, sophomore of the class.

The paper contained six pages, but centered very little on school news, because of the conflict with The

Hatter, the class with the president, vice-president, and members of the class.

Every department had one or more columns of its own, and all of the departments cooperated in the production of the paper. The paper was printed in one of the larger presses, and the work was done by the students.

Herd Has Good Record For 13 Years of Competition

Hourt athletics have shown a rise in popularity for 13 years, and the number of those who are interested in the various sports has increased. Many years ago the school did not have a track team, but now there are several teams that participate in the annual state track meet.

Hendrix Takes State Meet by Narrow Margin

In 1932-33, the basketball results were as follows: Tech. Distance: 181 feet, 6 inches. Teachers: Distance: 133 feet, 9 inches. (New record.)

Basketball games produced $887.50, but track events cost $30 and $20 for photographers, which brought the net $867.50. This was shown in an annual varsity-alumni game.

Two men may be added to the Arkansas athletic staff this year, bringing the total to eight. The university football board has authorized the selection of two men to help the present coaching staff.

Roe Whiffs 15 But Loses to Tech, 8-0 TIE

Bison Commit 12 Errors to Give Tech Two Runs Margin

Although сделал 10 runs to 6, Arkansas Tech took advantage of 15 Bison errors to beat the home team, 8-0. The game was played on Saturday, March 7, and the crowd was estimated at 2,000.

Bisons Should Have Beat Arkansas Tech

The Bisons showed that they could have won the game if they had made fewer than five errors. The Tech team made only two errors, and this was the difference in the score.

Two home runs by Tech's Jimmie Brown and Harry McDonald resulted in four runs for the visitors. The Bisons had only one hit, a single by Bob Jones.

The Bisons were not able to get on base consistently, and they were unable to score runs.

The game was a disappointment to the Bisons' fans, who had expected a better performance from their team.

Hendrix's baseball team was defeated by Tech, 10-0, on Friday, March 6. The game was played in front of a large crowd at the college field.

TwoMen May Be Added to Arkansas Athletic Staff

The university football board has authorized the selection of two men to help the present coaching staff. The two men will be added to the staff in the following positions:

1. Coach of the varsity football team
2. Coach of the varsity basketball team

The selection of these men will be made by the Harding athletic department.

SPORTS SPEAKING

By BALDY HELL

Since this special edition of the paper is devoted to the annual games of the Athletic Association, the usual entertainment usually considered an annual event of the Athletic Association is presented in a special feature.

The men's basketball team was the first to be considered. The game against Vanderbilt University was a thrilling contest, with the Bison winning by a score of 92-78. The team played well, with few errors and a good defense. The players were elated, and the crowd was enthusiastic.

The next game was against the University of Arkansas, and the Bison's defense was again a strong point. The game was close, with the Arkansas team scoring 87 points. The Bison's defense stopped them, and the game ended in a 92-87 victory. The crowd was excited, and the Bison's players were jubilant.

The final game was against the University of Kentucky, and the Bison played well, with a solid defense and good offense. The game was close, with the Kentucky team scoring 90 points. The Bison's defense stopped them, and the game ended in a 92-90 victory. The crowd was enthusiastic, and the Bison's players were elated.

The Bison's season was a success, with a record of 23 wins and 5 losses. They were considered one of the best teams in the nation, and their performance was impressive. The Athletic Association presented a special award to the Bison's team, recognizing their excellence and dedication.

The Athletic Association will continue to sponsor annual games, and the Bison's team will continue to strive for excellence in their sport. The crowd will continue to support them, and the Bison's players will continue to work hard to achieve their goals.
