BISONS TO BEGIN PRACTICE TONE DAY FOR BASKETBALL

Coach Berryhill says Prospects Very Promising

Varsity practice for basketball opens today. Bill Berryhill hopes there will be promises of being able to have a few of the big men and better yet, that the Bisons have been working hard.

These impressions in return are "promising," but with a grain of salt. "Promising" as it is a picture of the new year, but let's not make the new year out to be more than it is.

The Musketeers will start practice on December 20 from 3:00 to 5:00 in the gymnasium, subject to the opening of the games.

A CAPPELLA CHOIR SECURES 54 GOWNS

Fifty-four new gowns for the A Capella Choir have been secured from the Garrett Gown Company of Cleveland, Ohio.

The gowns have been reserved for this season, and it is expected that they will be in use for at least the next five years. The gowns, according to the manufacturer, are of the best style, black and gold. The material is of silk, lined with muslin.

A two dollar tax was taken from the music treasury to pay for each gown.

The largest axiom known is only doubled this year, and many ams handled by research workers are much harder.

JESSE

SAYS:

Extra section of congress. Why? — Because the politicians are not only afraid of the voters, they are afraid of the congressmen as well. I think the congressmen are more afraid of the congressmen than the voters are.

The industrial boys complain that some of their constituents work too hard, for more than 40 or 50 hours a week, and it is as bad as being paid less than the law allows. Some of them are working alone, and others are working together in groups of two or three. The work is hard, and they are not getting paid enough for the amount of work they do.

On the other hand, we aren't worried about being cut off, because we don't think it's going to happen. The only worry is that the war may make it impossible for us to keep our jobs. If we have to leave our jobs, we don't know what we'll do next.

We are not going to worry about that, though, because we know that we have the support of our families and friends. They are behind us all the way, and they will help us in any way they can.

Mr. A, B, C, and D will meet tonight at 7:00 in the hall to discuss the situation further.

The way we see it, we aren't worried about being cut off, because we don't think it's going to happen. The only worry is that the war may make it impossible for us to keep our jobs. If we have to leave our jobs, we don't know what we'll do next.

We are not going to worry about that, though, because we know that we have the support of our families and friends. They are behind us all the way, and they will help us in any way they can.

The South of the Future

There is a popular idea circulated in the North that the South is a backward section of the country and this, to some extent, we are forced to admit.

In Pre-Civil War days the South was the most prosperous and wealthy section of the country. In the future we have no right to be. At that time the southern planters had fixed an aristocracy that has never before or since been known in our country. They earned little for or since been known in our country. They earned little for

W. H. C. Club Entertains Pledge Class Gala Birthday Party

W. H. C. Club's pledges were entertained by the old members of the club with a surprise party at Miss Ethel Haltom's studio, last Friday night.

All new members were required to undergo the W. H. C. initiation ceremonies after which the club constitution was read by Miss Ann Lee Murphy, president of the club. The aims and ideals of the club were then discussed.

A buffet supper was served after a social visit of the new members to the old members of the club. Old members congratulated the pledges on being such good sports during the period of initiation.

Sapphonians Enjoys Theatre Party and Informal Ballet

The climax of the initiation for the Sapphonians Club pledges came Thursday night when the old members entertained the pledges at an informal banquet.

The club went in a group to see the picture "High School Days". After the show they adjourned to the Opera House for the buffet supper. The banquet was decorated with yellow and white crepe streamers. Individual crepe streamers were placed between the long tables which were covered with large cake dedicated to the new members of the club.

LIFE OF A PLEDGE AS SEEN THROUGH THE EYES OF ONE WHO HAS SUFFERED

Ah, for the life of a pledge. It can be either good or bad. The
dusty people to determine the life of the pledge are, their honor, the old
guests. Our destiny is in their hands. It is inevitable to escape the
destiny of those who are constantly planning the actions of the pledge
for the days that he or she is to be under their control.

The initiation can show their
good sides too. For example, the
opportunities to escort fair maidens
from church. This example does not
have the ability to hold up in ev
every case, however, for some were
in constant agony for fear that
some old member might call upon
him or her to perform some stunt that would make the evening most
uncomfortable.

Some of the girls were going
ahead with a help ing tongue inter-
viewing the young men about the
example. This group should have
the doors on practice if they hope to
be received in regard to tipping, age, girl friends, battle honors, and the like.

They shouldn't have any
trouble in adopting a friend for
them. Say pledges isn't you hear that
voices of the rulers in stern com-
mand, "Remember each block of the odeonism on the campus. "Keep that sign on your neck. "Inter-
rect every boy you see and use a
laughing tongue. "You had better have a date with some boy by
night."

Gals, they must have for-
gotten that this isn't leap year.

"Don't ever let me catch you
without that skull cap." "Say
pledge shuffle those boots and every
day hereafter. "Say punk wash
those shoes." "You, you. Take
my coat to the laundry."

All answers seem to be the same.

Yes sir and yes ma'am. If you an-
swer otherwise it's hard on your
health.

One pledge has actually reduced
the routine of initiation. He had
him so much in marking the
blocks in the sidewalk that
sounds literally disappeared.

Reports show that many have
realized the possibilities of hav-
ing a real asset to the A Cappella
Club.

Ready the voices of some
of the pledges are amazing. One
boy began singing "I Am The
Mighty Builder" only to be torn
down before he reached the charm.

These are only some of the more
obvious things that take place. But
few know what goes on behind the
scene. All in all it is a great life
on both sides and the pledge has
the wonderful and comforting
thoughts concerning those guys and
gals to be pledged next year.

Lettermen Down The Non-Lettermen Tuesday Night

Watts and R. Roe Lead Scoring Game Ends 57 to 28

Last year's lettermen won a very one sided pre-practice basketball game with scores of 57 to 28 Tuesday night.

The game was originally scheduled to be played with the Gretnah Independent, but they were unable to be there.

The first six was made by Prescher Roe, and he was immediately followed by one from Dewberry onto the goal, gaining the game off on a fast break. The quarter ended with the lettermen in the lead 13-6. In the second quarter Watts and R. Roe did all the scoring for their side while Peters and Hopper scored no less than the "non-lettermen." The second half started fast when the lettermen scored seven points—Watts sinking three in a row. They also played a smooth defensive game. Prescher Roe made only one goal and a free point, while the "non-lettermen" scored 16 points.

In the fourth quarter Watts and R. Roe again took the lead by a point. The lettermen piled up 12 points while H. Harris, H. Hopper and R. Hall scored 10 points.

Harris was outstanding for the non-lettermen. The lettermen made only one goal and a free point while the lettermen scored 14 points. Watts made 12 points and six points doing some sort of defensive work.

In the second quarter Prescher Roe scored his first point. He was substituted for Prescher Roe, who went in. Peters, Watts and Watts made a combined total of 24 points out of the 87 scored by the lettermen. Roe scored 16 and Watts scored 18.

Individual scores: Lettermen: C. Peters, 12; E. Race, 6; W. Dewberry, 6; E. Peters, 4; H. Hopper, 4; W. Harris, 6.

SPORTS GAZING

The 1923 football schedule of the University of Arkansas includes a list of high ranking 37 teams; notably, Baylor, SUita, Chas. D. Texas, Christian University, Texas University, Texas A. & M., and Rice. If these teams continue their fine record, the Razorbacks may find that they have bitten off more than they can chew.

Mississippi State college loses their head coach, Ralph Roes, on doctor's orders. Roes is a lieutenant colonel in the F. O. T. C. He has won three games this season, lost three and tied one. All present ve is confined to his bed.

Joe McGee, St. Louis Cardinal pitcher, was very successful award when he was chosen as the National League's most valuable player for 1927.

Prescher Roe won the batting championship of the league, leading in hits, runs batted, doubles, and tied with Mel Ott of the Giants for the home run title.

Baseball's most cherished award, claiming a fourteen year career was given to Charles Girouard by the Baseball Writers Association Tuesday, as the American League's greatest pitcher.

Joe Damaugo, of the World champion Cubs, was named as the first basemen. Girouard has been with the Tigers since 1905, having pitched in two World Series, leading the league twice in run-scoring and total hits, and has a lifetime batting average of .39 in fourteen seasons.

The 12th football schedule of the University of Arkansas includes a list of high ranking 37 teams, notably Baylor, SUita, Chas. D. Texas, Christian University, Texas University, Texas A. & M., and Rice. If these teams continue their fine record, the Razorbacks may find that they have bitten off more than they can chew.

Sportsminded Teachers

The Eighthly Chicks defeated the Young Lions last Thursday afternoon on the second day of the Arkansas College City Tournament. The undefeated Chicks scored 21 points and prevented Young Lions' scoring.

Young Lions threatened the Chicks' only once during the entire game. It came in the fourth quarter when Young Lions raised the stakes by a three point goal. All the rest of the game was a Yankee goal. The victory, Walker, left end, caught the ball, hit it, pointed it, passed it cross field, caught the ball on the pass interception.

The Pop Squad is really "going places." I was down to watch them practice and saw them win and was surprised at how much progress they had made. After all, any Pop Squad can yell, but not many in a college this small are good at formations. They plan to have some of the drills ready for the first game.

What has happened to wrestling? Only a few weeks back there was a quite a bit about beginning early this year to prepare for the AUA meet next spring. Now the matter seems almost forgotten. It is essential that new material get through a long period of training and instruction before entering for competition. We regret that difficulties have arisen to solve this sport for a while but we recommend that the matter be hastened. Our record in the state last year was not to be admired. This year we can do better if we have adequate time for practice.

Well, basketball practice gets started tonight and we hope that the opening practice will start the most successful season in basketball that Harding has had in many a year. There is plenty of good material among the new students and a whole team of lettermen are back to form the nucleus of the team. Here are well wishes and high hopes for the Razorbacks this year.

While we're on the subject, look out, the game is going to be high scoring in basketball this year from the Bisons. In the game last Tuesday night, Clyde Watts and R. Roe scored 18 and 18 points respectively. This looks pretty good. Last year Captain Vaughn was one of the highest scorers in the state. He should be just as much better this year.

Bad weather has "sorta" cut in on the tennis playing for this season. It seems, however, that the tennis court has stimulated much interest in the ever popular sport. This is the first year since the school has been in Searcy that the game has really had a chance at Harding. Three fall interscholastic tennis games have proven that tennis is winning a prominent place among Harding sports. Spring should find us ranking high in inter-college meets.

No Team for Academy Basketball This Year

For the first time in many years the academy will not have a basketball team. Coach Berryhill states that he "has to see this happen but all the time in the gym will be taken up with practice hours which could be avoided." With college basketball practice and the physical education course being carried on in the gym no suitable time can be found for the high school students.

Academy teams in the past have been very good and have helped to develop some college stars. To 1938 their team won the cup at the Inter-stata tournament at Morris in competition with the best high school teams in the county.
