MINUTES OF DECEMBER 3, 1957

Prayer led by Dr. Stevens; minutes read and report made by Sallie Turner regarding letter sent to Bordens.

Council received $50.00 from the concession stand sales at the football games this year. Also received $53.25 as commission from sale of lectureship books.

Leon Clymore checked on holiday time for Christmas. In his absence, Bill Floyd reported that Dr. Benson thought it was a good idea to be out earlier in December returning earlier in January enabling students to work before Christmas. This would be done next year.

Report also made regarding the chorus and other groups having to pay for meals missed when they are on trips for the school. Dr. Benson stated that the students received benefits from these trips to compensate for payments they might have to make for these meals; also the chorus would usually get plenty to eat at various places they sing.

Meal ticket situation: Dr. Benson has moved price up to $35 as the initial fee. He felt that the guarantee would have to be that much. This would make only a $25.00 saving. The tickets would also have to be punched according to each item, not each meal. He estimated the cost to be $42.50 for those who ordinarily eat every meal on campus in the dining hall. If the food would be improved, the price would go up to at least $50.00. If the council approves of this plan, he will also, after the student body votes on the matter. However, the council disapproved and dropped the subject, feeling that they would be losing money by this new system, and preferring the old system to this new suggestion.

Suggestion brought by Sallie Turner from the Interclub Council that at the end of "Twirp Week" an ideal Beau be selected and crowned during an all-school party ending this week.

Clubs have expressed their willingness to help underprivileged children in various families. Clubs will be assigned by drawing names from hat, to avoid arguments, etc. regarding prejudices.

Susie Floyd, wife of pres. of council, was introduced.

Christmas party discussed. Several ideas; final plan to go out to County Farm to sing carols, take tree and gifts to residents, then return to campus for hot chocolate and doughnuts in Emerald Room or gymnasium. Bill Floyd to appoint committee to work on these plans.

Discussion of place for students to wash their cars. Glenn Parrish made a motion to look into this matter; Sue Paxson seconded it; unanimously approved.

Suggestion to pay for transportation of group from Central Christian to come to Harding to present excellent program entitled "Songs America Sings." Sue Paxson moved that we write Central Christian regarding this matter; Peggy Watson seconded the motion and it was unanimous approved.

Suggestion to have chapel program by council. Perhaps a mock council meeting. Further discussion to be in next meeting.

Announcement of name for little man to be in this week's paper.

Speech for chapel by Don Humphrey was moved by Peggy Watson to be referred to Dr. Benson for approval. Sue seconded the motion; unanimously carried.

Sallie Turner moved that the meeting be adjourned; Sue Paxson seconded the motion and Bill Floyd adjourned the meeting.
