Jimmy Rogers  
789 E. Columbus St.  
Martinsville, Ind.

Dear Jimmy:

It was certainly good to hear from you, and especially in view of your remarks concerning Bro. Paul Dobson. My best understanding of the situation is somewhat hazy, but I would like to tell you my reflections on the situation if it affects Paul.

The Elders, while in Ind. talked with Bro. Key, with whom I am not acquainted. It appears that Bro. Key left the Elders with the impression that Paul was too rabid on support of the Herald of Truth. It appeared for a time that the Elders did not consider him in view of that, but as far as I know now, he will be asked to come and try out. Other than that, the Elders were favorably impressed with his work. Needless to say I think they are being completely ridiculous to let a thing like that influence their judgement. We have one "Anti" group in town and the Elders seem to bend over backwards to avoid any conflict.

I am including my new address, and hope to hear from you from time to time. Please give my regards to your wife.

Fraternally yours,

John Allen Chalk
