GAME SATURDAY NIGHT; GROUP WILL LEAVE MONDAY

The ball team, pep squad, end band of David Lipscomb College will arrive here Saturday afternoon. They will be accompanied by Miss Rose Bull, Miss Lyle Gayle, Mr. and Mrs. John McMillen, and Dr. and Mrs. P. H. Hall.

The Harding-Lipscomb ball game will be played from 3 to 5:30 Saturday afternoon.

The regular evening meal will be delayed until after the game. Following dinner, the faculty and squad will supervise an evening of entertainment for the students.

A meeting was held by Harding officials Sunday morning to plan a program of entertainment, but final arrangements have not been made.

For Sunday afternoon, two programs are under discussion. One is a planned tour of Little Rock. Following the visit to all points of interest in the city the group will have supper at the Old Mill before returning to Harding. The other plan for Sunday afternoon is being considered since it was thought that the group would prefer staying on the campus and seeing more of Harding instead of spending the afternoon traveling.

There will be 60 people who will come from David Lipscomb, Mrs. Eliza L. Lawrence and Coach Mr. Harry Hooper are in charge of placing the visitors to the residence halls.

They will remain here until Monday morning when they will leave to return to Nashville.

Dr. Bannan Lectures For Two Congregations On Visit In Chosen

Dr. Bannan, who spent the past week in Chicago in the Interest of Harding College, returned to the college campus last Friday.

While in Chicago, he spoke to the North Western congregation Sunday, February 28, on the subject of Christian Education and illustrated his speech with the motion picture of the college.

HONEST JIM SAYS:

Strayed—what is that I hear? That just shows that a fellow can't even know what they desire—except a few people even know what they desire.

WELCOME, DAVID LIPSCOMB

A tradition, worthy to be called a classic, is the annual Lipscomb-Harding basketball game. Its origin is not a thing that dates back to the dim past—it just started, cya a reporter to the scene. But the kinship of the two schools has prompted and promoted greater interest in the event as years go on. Like the individuals, James A. Harding and David Lipscomb, the schools which bear their names are co-workers in the cause which gave them birth.

We believe that the yearly contact and relationship received from this annual visit is and shall be a means to promote and maintain an invaluable friendship.

As our host last year, the faculty and student body of David Lipscomb elected a different group of officials for the entertainment which they furnished us. Our welcome was royal and our visit was elbow.

This year, David Lipscomb, as your host, we of The Bison, offer to you in behalf of all Harding College, a welcome. We give you this welcome, not as a fellow but as a friend. Welcome to you from our hearts.

We are at your service, and we solicit your cooperation in calling on us for anything that we might do to make your stay with us a pleasant one.

WELCOME TO YOU ALL.

Sapphoanians Give Unique Banquet

A unique typification of a circus visit was the theme carried out in decorations, place cards, and favors at the Sapphoanian banquet held at the Mayfair Hotel Saturday night.

A miniature merry-go-round was used for the centerpieces of the main table. It was surrounded by various circus animals, which were decked out in the other tables. Small clowns dressed in black and gold held the place cards. Black and gold napkins held the spoons. The program booklets were shaped as circus flags. They were black and hung from gold pins.

The black and gold ceiling decorations were drawn toward a platform in the center of the wall which was used by the guest artist on the program.

The invitation was left by Delbert Harris, Marjorie Farley, club president, gave the welcome to which Clifford Crowson responded. Needle Bridges introduced the numbers on the program.

The program included two selections by the club trio, composed of Harry Walker, Willelma Walker, and Charles Nicholas; top songs by Mary Elia Langston; a reading by Harriet Yarrell; and a piano duet by Wallace and Harry Walker.

Those present were: Ruth Stahlman, Eva Thompson, Nina May Hopkins, Juanita Beavers, Batsie Tucker, Verdie Davis, Marjorie Farley, Needle Bridges, Alphonse Frenn, William Norton, James Brown, Roscoe Maddox, Dan Karns, Herman West, John Mazo, Elvin Lee, Roy Harkrader, Clifford Crouch, Julian Dewberry, Delbert Harris, Roy Roz, Glen Trout, Inez MacKee, Forrest Jones, Joyce Taftfer, club sponsor, and Mrs. Louis Kirby of Pangburn. Mr. Kirby is an alumnus of the club.

BISON SPORTS

By Ralph Bell

The David Lipscomb Bison have the best team they have had for several years. Positively the best team since Harding started playing the annual game with them. This Buck McCord is a real basketball player. He almost beat us last year by himself. He is a crack shot and a good floor man. He is an excellent floor general and can keep his team playing together. What more could one ask about a basketball player? They should have much trouble with them, because after all they are only a junior college and none of the men have over two years of college basketball experience.

PIECES.

Almonds. A better counter last week from Sam Bell, a graduate from Harding and one of its outstanding alumni, was the unusual publicity obtained on our campus. We received several complimentary newspaper clippings which gave an account of the basketball team that he is coaching at Athens, Oklahoma.

They have won 14 out of 16 games played this season. They won one tournament and have a small chance to go to several more. The team is the conference champions for this year.

Sam was a four year man in two different schools at Harding. His father is a four year basketball and baseball. He was one of the best college basketball and baseball for Harding ever produced.

BISONS DOWNED BY HENDRICK IN CLOSING MINUTES

Herd’s Playing In First Half Responsible for Defeat

For the second time this season, the Hendrick Warriors defeated the Bisons, 49 to 44. The game was played in the West Gymnasium last Tuesday night.

Led by Kendra, the Warriors gained a safe lead in the first half. Kennedy made shots from any position on the court to give the Bisons a lead of 39 to 12 at the end of the first period. The Bisons scored the first goal, however.

In the second half, Harding outplayed and outscored the Hendrick team, but could not overcome the big lead gained in the first half. E. Roe and Clyde Watts led the Herd in scoring and floorwork. Roe scored 14 points in the second half, Harding 11.

Harding scored 32 points to Hendrick’s 29, with 16 points and 15 points from Watts. The Herd was outscored by Hendrick in the second half, 12 to 10.

The game was played in the High School gymnasium.

If the college teams have requirements as to the eligibility of their players, there is a limit as to how many years one can play college basketball. But the independent teams have no such requirement.

There are players on these teams who have finished four years of college or university playing.

Naturally they have more experience and are able to play a better brand of basketball. They are classified as amateurs and are eligible to play against any other amateur team in the nation. This is unfair.

It is easy to see why they have the advantage over the college team. Something should be done about the question. Perhaps the tournament should be divided into sections, but this would have to go further than just the state tournament. The national tournament would have to be divided in the same way.

If the college of the state would organize, and use this tournament as a base to work on, perhaps some method could be worked out which would be fair for the teams in the state.

Why not let Harding be the school to start this movement.
