L YNNE V. CHENEY

Lynne V. Cheney, senior fellow at the American Enterprise Institute and wife of Vice President Richard B. Cheney, has spent much of her professional life writing and speaking about the importance of knowing American history and teaching it well.

With this focus, she served as the chairman of the National Endowment for the Humanities from 1986 to 1993 and published the report "American Memory," which warned about the failure of schools to transmit knowledge of the past to new generations.

Mrs. Cheney also has authored or co-authored six books. Her most recent book, *America: A Patriotic Primer*, is an alphabet book for children of all ages and their families. Her second children's book on American history is titled *A Is for Abigail Adams* and scheduled for publication this fall.

In addition, Mrs. Cheney recently announced a new initiative to encourage historical knowledge. In April, she launched the James Madison Book Award Fund, which will present a yearly award of \$10,000 to the book best representing excellence in bringing knowledge and understanding of American history to young people. The inaugural award will be presented July 1.

Mrs. Cheney earned her undergraduate degree from Colorado College, her master of arts from the University of Colorado, and her Ph.D. with a specialization in 19th century British literature from the University of Wisconsin.

She and her husband have two grown daughters and three grandchildren.

<i>Leader of Harding University Business Team - CEO of Horizon, Inc.</i>		

Harding University has a rich history of quality education. Harding was chartered as a senior college in 1924 when two junior colleges, Arkansas Christian College and Harper College, merged their facilities and assets, adopted the new name of Harding College, and located on the campus of Arkansas Christian in Morrilton, Ark. The school was moved to Searcy in 1934, and the Board of Trustees approved a recommended change of Harding to university status in 1979.

Harding was named in memory of James A. Harding, a pioneer Christian educator who founded Nashville Bible School (David Lipscomb College) in Tennessee. He challenged his co-workers with an enthusiasm for Christian education that remains a significant tradition at Harding University.

At the charter, J.N. Armstrong, who had served five years as Harper's president, became president of Harding College.

In 1936, George S. Benson returned from mission work in China to assume the presidency of his alma mater. Benson directed the college from a deep indebtedness into a state of financial stability, national recognition and academic accreditation. He retired in 1965 after 29 years of tireless service.

Dr. Clifton L. Ganus Jr., a 1943 graduate, served as president from 1965 to 1987. A former history department chair and vice president of the college, Dr. Ganus kept alive his predecessor's drive for excellence by leading a plan of campus improvement and expansion. At his retirement, Dr. Ganus became Harding's first chancellor.

Dr. David Burks became the fourth president in 1987. A 1965 graduate, he has been a member of the faculty since 1967 and has served as dean of the College of Business Administration. Dr. Burks initiated the theme, "Integrating faith, learning and living," as the goal of his administration. With this goal in mind, the University seeks to develop the whole person through a spiritual emphasis in academics, athletics, Bible classes and chapel. Thus, Harding's 5,276 students, representing 48 states and 45 foreign countries, are empowered for ministry, church leadership, and a lifetime of Christian service.

2003 SENIOR ACCOMPLISHMENTS

Harding University is committed to providing students an unprecedented education. The faculty encourage students to pursue academic excellence, offering unwavering guidance and support for scholastic endeavors. As a result, today's graduates are leaders — in the classroom, in the church and in the community; and they deserve recognition and congratulations for their many accomplishments.

- 4,350 local students were taught by Harding student teachers
- 18 students have been accepted to medical, optometry, pharmacy, physical therapy and physician assistant schools
- 5 English majors won prizes in the campus-wide Jo Cleveland Creative Writing Contest
- 2,549 hours were spent reading by 40 student tutors in the America Reads program
- 3 business teams competed and placed in state, regional and international competitions
- 8 music majors performed public recitals
- 96 percent pass rate was achieved on the NCLEX-RN (national licensure exam for nurses)
- 25 percent of graduates studied at one of our five international campuses
- 19 students are graduating with a perfect grade point average

Lord, We Come Before Thee Now

Lord, we come before thee now;
At Thy feet we humbly bow:
O do not our suit disdain;
Shall we seek Thee, Lord, in vain?
Shall we seek Thee, Lord, in vain?

Lord, on Thee our souls depend:
In compassion now descend;
Fill our hearts with Thy rich grace,
Tune our lips to sing Thy praise,
Tune our lips to sing Thy praise.

Grant that all may seek and find
Thee a God supremely kind;
Heal the sick, the captive free;
Let us all rejoice in Thee,
Let us all rejoice in Thee.

ALMA MATER

Near the foothills of the Ozarks,
Midst of hill and plain;
Stands our glorious Alma Mater;
Harding is her name.

Chorus:
Sing the chorus, shout it loudly!
Echoing thro' the vale.
Hail to thee, beloved Harding!
Alma Mater, Hail!

Christian standard is her motto;
Christian life is stressed;
And in ev'ry branch of learning,
Each one does his best.

Harding opens wide her portals,
Thus inviting all
Who would tread the path to knowledge,
Heed then to her call.
