Mrs. Jean Reddick,
c/o Klines Foster,
R. R. 5,
Coschocton, Ohio

Dear Jean:

Sue and I were certainly alarmed to hear that your illness necessitated going home for a period of time. We certainly hope that by now you are well on the road to recovery.

Due to the large number of home Bible studies that I have been conducting for the last six or eight months in the homes of people who are not members of the church, many of the members have been neglected in my personal visitations. This seems to be the only reason that can be offered why we did not look in on you any sooner. It is our genuine hope that you will be feeling better soon and back with us, if that is in your plans.

The members here send their best wishes for your health and desire to see you.

Please give my regards to your fine parents. It certainly is a pleasure having known them and we would certainly like to see them again.

The work here continues to progress. The beginning of construction has been set for April 1st on the new building. We have had three more baptisms in the last few weeks. The attendance is running close to 300.

If you have time we would certainly appreciate hearing from you as to your health, for truly we are concerned.

Your brother in Christ,

John Allen Chalk
