After a devotional planned by Charles Thompson, the items of business were as follows:

1. Last year a tape recorder and tapes were purchased by the Student Association for the dining hall. It had been noticed that these tapes had not been played this year. Bob Alley was given charge of finding the tapes and arranging with Mrs. Hart for times for them to be played.

2. Prayer in the dining hall, usually signified by the chimes, has been very irregular. It was reported that the chimes were not working properly. Bob Alley was also to talk to Mrs. Hart to see if the chimes could be repaired. Other suggestions for prayer were: To have an individual say the prayer at the individual tables or to have silent prayer when a table is filled.

3. Dr. Pryor's letter regarding nomination of Who's Who candidates was read. It was suggested that we should think about these for a week and nominate them in the next meeting. Forty candidates will be chosen upon the basis of academic excellence, service to the school, leadership, and future usefulness.

4. Janie Hullet reported that she had met with the freshmen party committee. October 3 is the date set for the party which is to be held on Alumni Field.

5. Reports on the Friday night devotionals were varied. The response to the devotional was good. However, it was suggested that they be more spontaneous and to use more familiar songs so that all could participate.

6. Those having 11:35 and 1:00 classes are rushed to eat lunch. In the past a system of "cut" cards has been used in the left line from 12:25-12:45. This plan seems to have worked very well and it was agreed that this suggestion be made to Virgil Lawyer, Dean of Students.

The meeting was then adjourned.
