Mr. J.W. Warner
R. # 1
Utica, Ohio

Dear Brother Warner:

The first thing to say is that we have a new baby girl at our house that weighs about 7½ pounds and is the prettiest I have ever seen. The one good thing is that she looks more like her mother than her father, for which we are thankful. Please tell all my friends at Utica about this.

I hope that this letter finds you and your wife feeling good. I spend a very pleasant week with you all and will always treasure your friendship.

I am writing in reference to your preacher. The Congers were through here some time back and said that Brother Barker was leaving. I wonder if you have found a new one yet? If not and if interested ## I can put you in contact with what I consider to be a very reliable young man with a family who is willing to come at a sacrifice in order to get experience in local work. He is not a young man in the strict sense of the word. He has three girls and has been preaching for nine years almost every Sunday and worked at other work. Now he has a sincere desire to do full time work but has not been able to locate a congregation that will take him without some full-time experience. If you are interested I would appreciate a reply.

Our work is going just fine, we send you and yours our best wishes.

Fraternally yours,

John Allen Chalk
