MINUTES OF SA MEETING
September 26, 1962

The meeting was opened with a prayer led by Ted Maple.

The minutes were read and approved.

A plaque for the SA bulletin board was discussed. Harmon Brown will be responsible for obtaining this plaque at the most practical price. Bob Brewer suggested that we check with the Student Personnel Office to see if someone in that office will be responsible for putting their announcements on the board.

The pantry shelf will be set up soon; the actual method of collection has not been determined as yet.

Upperclass elections will be held next week. Petitions should be in by Monday night with 15 names on them. The freshman election will be the following week. A workshop was suggested; it will be held Thursday, October 4, to tell prospective freshman officers about their duties.

Kay Dunn was asked to check on the pictures of the new students to be put up in the Student Center by the Publicity Office.

October 19 has been set as the date for the all-school party at Bee Rock. It will be a chili supper and pep rally preceding the Harding-Arkansas A&M game here on October 20.

The President read a letter from Dean Pryor asking the SA to nominate 40 outstanding seniors as a list for the faculty to choose from for Who's Who in American Colleges and Universities. The faculty will choose 21 students, mostly seniors, for this honor. Steve Smith and Linda Graff are automatically included because they were in Who's Who last year. Each SA member is requested to submit a list of 15 people by Friday. The officers will then compile a list of 40 people; at the next SA meeting the members will rank these 40 in order of preference as Dean Pryor requested. These names, along with the grade-point average and list of activities, will be submitted to the faculty from which they will choose the 21 of their choice.

It was suggested that the time between classes be lengthened; Mary Ethel Bales said that a faculty committee is studying this problem at present. Also suggested was a buzzer in the Student Center, like the one in the library, to inform students when classes are over.
