Spirits of Thanksgiving

With Thanksgiving as near, most of us are too busy thinking about ourselves and what we have to be thankful for that we don't stop to consider the thousands of people who actually have the necessities of life to be thankful for.

The American Red Cross is now making its annual roll call drive to assist the needy people. Some people hesitate to give charity money to an organization because they think that half of the money they donated would get to the needy people. But the American Red Cross has a well-planned organization that gets the most possible good out of every dollar.

In their efficient work during war, floods, earthquakes, and all other calamities, the American Red Cross has shown that it is a well-planned organization that gets the most possible good out of every dollar.

The spirit of giving should be carried over to the persons giving, in my opinion, as the fire of life and health, as the fire of the Underwood last year and the fire of the movie picture industry award each year.

Spirits of Christianity

SPIRIT OF CHRIST

Christendom is a revealed religion, in contrast with the other religions, which claim to be revealed by revelation only. Christian religion is revealed by inspiration of the Holy Scriptures. The Bible is the book of the Christian religion, and a revelation of the will of God in Christ Jesus. The Bible is the revelation of the will of God in Christ Jesus, and the Bible is the only book of the Christian religion.

STERLING MORTON

Continued from page one.

Mr. Moss, tells me that a student of Harding College can pay all charges, living expenses, and claims himself only on $250 a year. To a member of the C.C.-one of the many new relief agencies-ends the government practically $250 a year. It may be that I am out of date, belonging to the horse and buggy days, but I would rather see two boys attending Harding College than one in a CCC camp. I am not attacking the relief, merely the manner in which it is administered.

To enable the Treasury to finance various requiring deficits of low rates, the general level of interest in the country is kept artificially low. The direct effect of these artificially low interest rates on endowments is most apparent. If governmental policies designed to confederate all surplus income of institutions becomes fully effective, additions to endowments simply cannot be expected, and existing endowment funds will gradually shrink through the natural process of attrition.

"My final message: The only way taxes can be reduced is by reducing governmental expenditures, stop spending, stop taxing. Taxes are a basis charge upon production; taxes raise prices; taxes cannot be rigidly at our standard of living; taxes can bankrupt a na­

tion."

**Varsity to Play Grads Thursday**

**Alumni Will Have Several Stars**

The annual alumni-varsity basketball game will be played Thursday night in the college gymnasium.

The game will be 45 to 50

For the Alumni in the game are Coach Berryhill, Joe Leslie, Preacher" Best, Frank Rhodes, "Blackie" Gurganus, and Tommy Mayfield.

Coach Berryhill was for three years a mainstay on the Searcy native teams and still knows how to hit the basket.

Joe Leslie, graduate of '37, was an excellent guard and made his share of points when they were needed.

"Preacher" Best, a star of last year, will be one of the best for the Alumni. Best enjoyed honorable mention in the Arkansas collegiate National League last spring.

"Blackie" Gurganus, a graduate of '35, is a defensive guard, and he usually makes up for his size by his smarts.

Frank Rhodes, a graduate of '35, is a service guard, and he usually makes up for his size by his smarts.

In the second quarter, Ledbetter cuffed a touchdown drive by blocking every from the one foot line. Later, Jones ended the scoring in the first half by picking up 32 yards to score. Carrell deadlocked the score, the score at the end of the first half was Searcy 26, Searcy 0.

During the kickoff, Preacher Best, in the third quarter, Carrell raced 80 yards for a touchdown. The remainder of the third quarter was played even.

Three touchdowns were scored in the final quarter. Mathews scored the first on a five yard extra-point run. Again Carrell kicked the extra point. Then Jones picked up 30 yards to the one foot line, and Holmes scored the last when he intercepted a pass and ran 48 yards to the touchdown.

Searcy was held to 26 yards gained from scrimmage, and they registered most of their first down from three pass completions. Carrell's two passes and one from scrimmage, Hiller and Bell in the backfield, and Captain Gurganus and Atkins in the line were outstanding for Searcy.

This year, right in the opening period on a 46 yard cutback play. For a touchdown. The remainder of their nine first downs and are going to play for a win. If they win, they will be appreciated. The Lions will be trying for their first time this season they have not scored in the college gymnasium.

Two out of every three men returning to form the basis of the squad, the team will be one of the strongest in the history of the school. The letter men are Captain J. D. Muller, Barbers. $25.00

Just as you think that they will have a good team this year, they still have a game to play. They have a game with Bethel College to play in the coming basketball season.

The game is a good work out for the Varsity and gives a long way in preparing them for the team. Even if the Alumni should beat the Lions, the Alumni game will be an interesting game to watch.
