"News and Notes"

Dear Brother Vaughan:

Will you please be so kind as to include in the "News and Notes" section of the Advocate the following report?

"Figures were released this week by the Northridge Church of Christ stating that in the past fourteen months the congregation has experienced a 40% increase in membership. It was also stated at that time that during the month of March we passed the 200 mark in membership. Of the 40% increase experienced in the fore-mentioned period, 59 of those were by baptism, 5 were restorations and 15 identified themselves with this congregation. These figures did not include all the responses to the invitation, but rather those which contributed to the increase of membership.

"Construction on our new building begins April 1st with Paden Construction Company in charge of construction."

Thank you very much.

Fraternally yours,

John Allen Chalk
