The mystical Corellia...

the Cove of Jubilation!

In this mystical place of Jubilation,  
there live six sea nymphs who  
awaken to the discovery of love and  
choices.

Here, the Prince, awakens to find love-  
love of life and also love of the  
beautiful sea nymph Coral.

He, however is not the only one  
to fall for Coral, so do two other  
suitors of the Core.

Coral, the youngest of the sea nymphs,  
arrives to find the games she once  
played with her friends have now  
changed. Choices are made and  
a love tested for its purity and  
strength. by: K. A.
