MINUTES OF SA COUNCIL MEETING
February 13, 1963

The meeting was opened with a prayer by Sid Tate. The minutes were read and approved. The roll was called; those absent were: Jere Yates, Norman Tubb, Becky Martin, Jimmy Arnold, Margie Jacques, Ted Maple, Linda Graff, and Carroll Osburn.

The problem of the orange juice in the cafeteria was mentioned. Canned orange juice has become scarce since the freeze in Florida, and the cafeteria has been forced to buy powdered concentrate.

It was suggested that we have classes on Monday, March 25, so we can have a 5-day holiday instead of a 4-day spring vacation. The SA members should get student opinions for next meeting.

Dr. Ganus has approved the program of Fred Waring and his Pennsylvanians in Memphis on Friday, March 1, if the SA can get a sponsor for the event. It is, however, the same night as a lyceum on campus. The SA voted to get a sponsor; Mary Ethel Bales is to secure one.

Kenneth Davis spoke to the SA about the chapel singing. He had two suggestions: (1) each student should find his voice part; and (2) each student should be instructed in his method of singing. This project would not take long to accomplish. He volunteered to carry out this project if the SA would help. It was voted to sponsor the project. Lynn Rhodes and the class representatives are in charge on scheduling the times for students to have their voice classified—which will take about two minutes per student. Announcement will be made in chapel next week, and the program will be the following week.

The meeting was adjourned.

Respectfully submitted,
