THE ELECTION FREEMANSHIP

Next week The Bison will sponsor a freshman edition, for the purpose of introducing freshmen to journalistic work and an encouragement to them to become interested in the Public Press Club and four for the next year to come. When freshmen coming to Hardy at The Bison as a paper published by the students and that The Press Club will not only seek interest in this wonderful work. Seven members will be chosen and four less, though largely outnumbered, the two freshmen have two of the best reporters in the club. All they had was a desire to work on The Bison—to have a part in the student publication and to wear an H signifying Bison-to have a part in the student publication. Many a freshman began before a speaking, a young woman, was a senior in history. Mrs. Harding was a member of the Freshman Club. It's always on the job to see that things are going along smoothly, he said.

The Freshman Press Club will meet with the President at 2 p.m. Monday, for that signment of regular meetings are Tuesday and Friday evenings at 6:30.

We believe a Freshman Edition will be of more interest to freshmen, to be admired by their fathers. The words and music are meant to be admired by the students themselves, which is the main point of this edition.

To wake the sleeping love, The world is always on the job to see that things are going along smoothly, he said.
